Dear Sir/Madam

**DEFERRAL OF ADOPTION: BUILT ENVIRONMENT PERFORMANCE PLAN (BEPP) AND INTEGRATED DEVELOPMENT PLAN (IDP)**

You are aware of recent political changes that have taken place in Nelson Mandela Bay.

Having regard to the fact that the new political leadership was only appointed on Thursday, 28 May 2015, and that a Mayoral Committee is not yet in place, approval of the BEPP, IDP and Budget has been delayed in order to allow the new leadership to familiarise themselves with the contents of the documents, prior to approval.

You will be advised as soon as Council has granted the necessary approval.

Yours faithfully

**MR M MBAMBISA**  
**CITY MANAGER**

cc Chief Operating Officer, Mr M Clay  
Senior Director: Strategic Planning and Coordination
