ADJUSTMENT BUDGET 2011/2012
EXECUTIVE SUMMARY**

The annual adjustments budget for 2011/2012 budget year is to give effect to Dr Kenneth Kaunda District Municipality's service delivery policies and objectives, thereby fulfilling the needs as in the Integrated Development Plan.

The 2011/2012 adjustment budget for Infrastructure Development is linked to the Integrated Development Plan of Dr Kenneth Kaunda District municipality as consolidated with those of the local municipalities with the Dr Kenneth Kaunda District municipality.

The Service Delivery and Budget Implementation Plan as the primary monitoring tool for budget implementation and monitoring by the municipal manager and senior managers give effect to those Projects of the Integrated Development Plan which have been identified by the communities of Maquassi Hills, Tlokwe, Matlosana and Ventersdorp and approved by the municipal councils of those municipalities as their needs priorities for the current annual budget of 2011/2012.

As the municipalities have scarce resources(funding) only the most important targets projects in the Integrated Development Plan have been identified and prioritised over others as it is highly unlikely that everything important in the Integrated Development Plan can be accommodated in a single year annual budget.

The current Adjusted budget of 2011/2012 allocates the funds from the budget to the following infrastructure capital projects for roads and stormwater allocation R 9 600 000-00, water management allocation R 18 775 256-00, Sewer adjusted allocation R 600 000-00 waste management allocation R 3 050 000-00 respectively, electricity allocation R 5 998 040-00, community services allocation R 46 092 000-00.

The above capital budget allocations are in line with National, Provincial local guiding priorities of protecting the poor, creating employment, investing in infrastructure and ensuring fiscal stability.

The allocation on community and social services is to address and create employment through community projects.

The allocation on water management is to further address full access to basic water services and the fulfillment of National government priority of all citizens to have access to basic water services by the year 2014.

The allocation on electricity is to give rural communities access to electricity services and also addressing rural development strategic goals for addressing service delivery backlogs in most rural areas.

**DR KENNETH KAUNDA DISTRICT MUNICIPALITY
ADJUSTMENT BUDGET 2011/2012
EXECUTIVE SUMMARY**

The allocation on grants and subsidies operating as in the summary totals is made up of District Economic Development, Office of the Executive Mayor, Office of the Speaker and Disaster Management Department, the allocation which totals to adjusted R 63 313 737.00 for the current budget year 2011/2012 executive summary.

Operating grants and subsidies for District Economic Development and Tourism are for the SMME's and cooperatives development awareness and the need to invest in sustainable social and economic development projects.

It is against this backdrop that financial and technical support to Small Medium and Micro Enterprises and Cooperatives is an integral part of the Dr Kenneth Kaunda District Municipality's Local Economic Development strategy. The District is therefore supporting community based initiatives through conditional grants for viable business plans.

This will support a meaningful District Economic Development initiatives that foster micro and small business opportunities and job creation.

The objectives of DED the grants funding is to bring in new category of entrepreneurs presently constrained by limited access to funding, to broaden access through new funding, flexible instruments and leverage with selected partners thus providing the tools with which to share in the growing South African economy, to introduce flexibility in service delivery and accommodate the special circumstances of women owned and run enterprises both as regards funding range and type of facility offered.

The operating grants for the Office of the Speaker is for community participation mobile offices for Maquassi Hills and Venterdorp Local municipalities respectively.

Every year the Office of the Executive Mayor awards study bursaries to deserving students within the Dr Kenneth Kaunda District Municipality. This assistance is for the students to study further at tertiary institutions within the Republic of South Africa.

There is a portion allocated as grants and subsidies operating for this purpose in the Office of the Executive Mayor's Grants and Subsidies budget.

The other portion is for other community projects which deals with unique challenges such as children, elderly, youth, women and war on poverty, by further protecting the poor from the worst impact of the economic downturn.
