### 1. Mayoral Budget Speech

#### TSWELOPELE LOCAL MUNICIPALITY

#### BUDGET SPEECH

BY

MAYOR MS. M MATHIBE

DATE: 18 MARCH 2013

Speaker

Councillors

Members of the alliance

All protocol observed

Good Morning;

Today presents yet another opportunity to the Council to make a commitment to people of Tswelopele for continued service delivery with the intention of improving the lives of our people. The presentation of this draft budget this year is a special one for many reasons, it is the first budget that the newly elected council will be tabling; furthermore it is the budget that council wants community to be involved in, after the tabling of this year's Budget it is the responsibility of council to embark on a community participation processes, this is done in accordance to section 23 of Municipal Finance Management Act, Act 56 of 2003, and Chapter 4 of Municipal Systems act, act 32 of 2000, this will promote accountability to our communities, I will like to mention to you Madam Speaker that this processes will not be done solely for compliance purposes but to take into consideration the views and needs of the people of Tswelopele Local Municipality, because working together we can do more.

As council of Tswelopele Local Municipality we undertake to:

- Transform the economy to create decent jobs and sustainable livelihoods
- Implement a comprehensive local development strategy
- Implement a comprehensive strategy to fight crime within the Community

Tswelopele Local Municipality has over the years won different accolades for good governance and for being the greenest Municipality in the Free State Province; among the achievements over the past year are the following:

- Unqualified reports for three consecutive years
- Awarded the Ambassadorship for clean audit and clean city
- Cleanest Municipality Awards in the Free State for three consecutive years.
- Award for Institutional Arrangement in Vuna Awards,
- Recognition for effective Financial Management,
- Good Governance and Public Participation.
- Vuna Awards in the Free State.
- Price money of R 2.5 million for coming second in National Green Municipal Awards.

The above clearly indicates that our predecessor and the current Councillors have the best interests of the community of Tswelopele at heart.

However it should be brought to the attention of the house that the he greatest challenge of all times has been the depleting resources against rising needs of our communities, and as we table this budget unpopular decisions were made; that is, we are planning to increase the tariffs for all the services, refuse by 10%, sewerage by 5.4%, Electricity by 15% and water by 5%. Every year the Municipality embarks on indigent registration, because as council we acknowledge the fact that most of the people in our community are poor, however it should be noted that even though most of the people of Tswelopele Local Municipality are unemployed, should they fail to register for indigent it must be categorically stated that Tswelopele Local Municipality shall without fear and favour enforce the credit control policy without any exceptions.

Honourable Speaker, today we are tabling before this house a budget totalling R106 000 000 of course it is not one of those big budgets which afford the representatives of the people to easily meet people's expectation. Be that as it may, we will; succeed in ensuring that the poor masses of our people receive services meant to improve their lives.

I table before council the draft budget of Tswelopele Local Municipality.

I Thank You

### BUDGET RESOLUTIONS

**SCMM 5 - 18/03/2013**

#### **TABLING OF THE DRAFT ANNUAL BUDGET: FINANCIAL BUDGET 2013 / 2014**

- Annexure Page C: Draft Operational Budget 2013 / 2014
- Annexure Page D: Draft Capital Budget 2013 / 2014
- Annexure Page E: Draft Tariff List 2013 / 2014

**BACKGROUND:** Chapter 4 of the Municipal Finance Management Act, Act 56 of 2003, refers to Municipal Budgets.

Section 16 of the Municipal Finance Management Act, Act 56 of 2003, determines as follows:

#### **"16. ANNUAL BUDGETS**

- [1] The Council of a municipality must for each financial year approve an annual budget for the municipality before the start of that financial year.
- [2] In order for a municipality to comply with subsection [1], the mayor of the municipality must table the annual budget at a council meeting at least 90 days before the start of the budget year.
- [3] Subsection [1] does not preclude the appropriation of money for capital expenditure for a period not exceeding three financial years, provided a separate appropriation is made for each other of those financial years."

Section 24 of the Municipal Finance Management Act, Act 56 of 2003, determines as follows:

#### **"24. APPROVAL OF ANNUAL BUDGETS**

- [1] The municipal council must at least 30 days before the start of the budget year consider approval of the annual budget.
- [2] An annual budget -
  - [a] must be approved before the start of the budget year;
  - [b] is approved by the adoption by the council of a resolution referred to in section 17 [3][a][i]; and
  - [c] must be approved together with the adoption of resolution as may be necessary -
    - [i] imposing any municipal tax for the budget year;
    - [ii] setting any municipal tariffs for the budget year;
    - [iii] approving measurable performance objectives for revenue from each source and for each vote in the budget
    - [iv] approving any changes to the municipality's integrated development plan; and
    - [v] any changes to the municipality's budget-related policies.

- [3] The accounting officer of a municipality must submit an approved annual budget to the National Treasury and relevant provincial treasury.”

We refer council to circular 51 and 59 as issued by National Treasury. Paragraph 4.2 states as follows:

#### **“4.2 Mayor’s discretionary funds and similar discretionary budget allocations**

It has been observed that many municipal budgets contain sub-votes or allocations to “Mayoral Discretionary Funds”, “Special Projects”, “Special Events” or similar discretionary type funds.

National Treasury regards these types of allocations as a bad practice because:

- ♦ It is not clear how they are aligned to the constitutional requirement that municipalities structure their budgeting and planning processes to give priority to the basic needs of the community, and to promote the social and economic development of the community [see section 153 [a] of the Constitution];
- ♦ They do not provide for the appropriation of funds for the purposes of a department or functional area of the municipality [see the definition of ‘vote’ in section 1 of the MFMA];
- ♦ They undermine the budget consultation processes since the intended use of the funds is not transparently reflected in the tabled budget; and
- ♦ There is a risk that they may be abused for personal gain or to improperly benefit another person or organisation.

Therefore National Treasury discourages allocations of this nature. Good budget practice requires that a municipal budget should transparently indicate the purpose and areas where municipal funds [i.e public funds] are to be allocated. These kinds of discretionary funds immediately raise public suspicions of impropriety and corruption. In terms of section 52 [a] of the MFMA the Mayor “must provide general political guidance over the fiscal and financial affairs of the municipality”. The Mayor, therefore, provides direct input into the budget. If this is the case, why does the Mayor require a ‘discretionary / personal slush fund’?

Section 17 [3][b] of the MFMA requires that when an annual budget is tabled it must be accompanied by “measurable performance objectives ... for each vote in the budget.” What measurable performance objectives can be set in relation to these funds given that their use is at the discretion of the Mayor? This means the transparent and effective use of these funds cannot be monitored and assessed by the council and the public.

National Treasury notes that section 17 [3][i] of the MFMA requires that when an annual budget is tabled it must be accompanied by “particulars of any proposed allocations or grants by the municipality to ... [iv] any organisations or bodies referred to in section 67 [1]”. The aim of this provision is to ensure that all proposed allocations or grants are presented transparently in the budget documentation that is tabled for public consultation and council approval, as well as for budget management and monitoring purposes. *Any allocations or grants made to organisations or bodies that are not reflected in a municipality’s budget or adjustments budget must be regarded as unauthorised expenditure because they are “[f] a grant by the municipality otherwise than in accordance with this Act”* [see definition of unauthorised expenditure in section 1 of the MFMA].

National Treasury further notes that section 67 of the MFMA only allows funds to be transferred to 'an organisation or body' and not to an individual. Any allocations or grants to individuals, other than in terms of the municipality's indigent policy or bursary scheme, must be regarded as irregular expenditure because they are expenditure not in accordance with a requirement of the MFMA.

National Treasury and provincial treasuries will exercise close oversight of all discretionary type allocations in municipal budgets. If there are any concerns about the use of these funds, section 74 of the MFMA will be used to interrogate their use.

In the budget we included a tariff of 15 % for electricity and a increase for sewerage of 5.4 %, water 5 % and refuse 10%.

**LEGAL IMPLICATIONS:** Conditions as set out in applicable legislation must be adhered to.

**FINANCIAL IMPLICATIONS:** Councillors or officials, as the case may be, will be held liable for costs resulting from unauthorised, irregular or fruitless and wasteful expenditure in terms of section 32 of the Municipal Finance Management Act, 2003.

RESOLVED that the final budget for the 2013 / 2014 financial year must was approved by council before or on 31 May 2013.

In the meantime, we recommend as follows:

**A. Draft Operational Budget**

## **PART 2 – SUPPORTING DOCUMENTS**

### **1. Overview of the annual budget process**

Municipal Financial Management Act (MFMA) mentions six (6) steps, i.e. (Planning, Strategizing, Preparing, Tabling, Consulting and Finalising/ Adopting) that the municipality must follow in order to prepare the annual budget that is credible, the planning and strategizing processes started with the preparation of budget timelines as required by MFMA. The council of the municipality approved the budget timelines during council meeting as stipulated in the MFMA.

As per the budget timelines all the department heads were asked to give their inputs, they were given until the end of November 2012, in order to allow the budget office to prepare the budget.

The budget office of the municipality under the leadership of the Chief Financial Officer prepared the draft budget, which was tabled to council at the end of March 2013 as stipulated in the act.

The annual budget of the municipality is aligned to the municipal integrated development plan and municipal turn-around strategy.

As mentioned in the MFMA section 22, the budget was submitted to Free State Provincial Treasury on both hard and electronic copies.

MFMA section 23(1) stipulates that after the annual budget of the municipal has been tabled in council the council of the municipality must consider the views of a) local community, b) relevant provincial treasury.

Based on the above, the municipality is planning to invite the community to budget consultative meetings; the meetings are scheduled from the 01<sup>st</sup> May 2013 to 20<sup>th</sup> May 2013,

### **2. Overview of the alignment of annual budget with integrated development plan**

The budget of the municipality was informed by the IDP as both documents were prepared in tandem, the IDP process plan was approved during council meeting in August 2012 as required by MFMA and systems act, the biggest project in the municipal budget and IDP is the construction of the new sewerage network in Tikiwana, this project will run for 3 years, the entire funding for this project is municipal infrastructure grant (MIG), because one of the goals of the municipality is poverty alleviation and job creations, this project will create more or less 100 jobs for 3 years.

Because public participation is one of the important factors in local government, the municipality included in its budget and IDP the improvement in ward consultation, the total project value is R 120 000 and the funding is entirely from municipal systems improvement grant (MSIG).

Another important project included in the IDP is the development of recreational park, this emanated from the community consultation meetings, as a result the municipality included the project in the IDP, however the municipality is yet to secure funding for this project and applications have been made to MIG, this project will be included in the budget once the funding has been secured.
