REPORT TO FINANCE AND PROCUREMENT COMMITTEE

ADJUSTMENTS BUDGET - 2013/2014

PURPOSE

The purpose of the report is to obtain approval for adjustments to the approved 2013/14 Medium-term Revenue and Expenditure Framework (MTREF) in terms of Section 28 of the Local Government: Municipal Finance Management Act No. 56 of 2003 (MFMA).

BACKGROUND

The 2013/2014 MTREF was approved by Council on 29 May 2013 in accordance with Section 24(1) of the MFMA and applicable National Treasury finance management reform requirements.

In terms of Section 72 of the MFMA the performance of a municipality and its entities must be reviewed during the first half of the financial year and the approved MTREF be revised regarding revenue projections and expenditure trends. Accordingly, the Mid-Year Budget and Performance Assessment of the Municipality and its entities was taken into consideration in producing this adjustment budget.

The Municipal Finance Management Act (MFMA) makes provision for the revision of an approved annual budget via an Adjustments Budget. Section 28 of the MFMA provides, inter alia, for the following:

- "(1) A Municipality may revise an approved annual budget through an adjustments budget.
- (2) May authorise the utilisation of projected savings in one vote towards spending under another vote. (Vote: One of the main segments into which a budget of a municipality is divided i.e. Cluster level)
- (3) When an adjustments budget is tabled it must be accompanied by
 - a) an explanation how the Adjustments Budget affects the annual budget;
 - b) a motivation of any material changes to the annual budget;
 - c) an explanation of the impact of any increased spending on the annual budget and the annual budgets for the next two financial years".

Furthermore, Regulation 23 (of Part 4) of the Municipal Budget and Reporting Regulations provides, inter alia for the following:

- (1) An adjustment budget may be tabled in the Municipal Council at any time after the Mid-year Budget and Performance Assessment has been tabled in the Council, but not later than 28 February of the current year.
- (2) Only **one** adjustment Budget referred to in (1) above may be tabled in the Municipal Council during a financial year, except:
 - when additional revenues are allocated to a municipality in a national or provincial adjustment budget or via institutional grants
 - to authorise unforeseen and unavoidable expenditure
 - to authorise roll-overs from the previous financial year

SUMMARY

The main reasons for this adjustment budget can be summarised as follows:

- Adjustments in respect of Grant Funding allocated to the municipality
- Transfer of projected savings towards spending in other votes.
- Reallocation of budgets between votes to ensure operational efficiencies
- Reprioritization of the 2013.14 capital budget to expedite service delivery.
- Increased borrowing to fund the accelerated capital programme.

Notwithstanding the stagnant growth of the economy and the uncertainty going forward, the projected debtors collection rates for the year will be achieved. This adjustment budget is appropriately funded and does not result in a revision of the tariffs for the year.

The following recommendation is accordingly submitted for consideration:

- That in accordance with the provisions of Section 28 of the Municipal Finance Management Act and in compliance with the Municipal Budget and Reporting Regulations, the adjustments to the 2013/14 Budget (parent municipality) as reflected in Annexure 'A' be approved, together with the budget tables.
- That the adjustment budgets of the Municipal Entities as approved by the respective Board of Directors and reflected in Annexure 'B', be noted in compliance with Section 87 of the Municipal Finance Management Act.

EXECUTIVE SUMMARY

The year to date financial performance indicators reflect that the municipality is in a healthy fiscal position notwithstanding the vulnerability of the economy. Budgetary control ensures that spending is within affordability parameters in order for the city to deliver on its core mandate and achieve its developmental goals. The 2013/14 adjustments budget does not affect the long-term financial sustainability of the municipality.

ADJUSTMENT TO BUDGET FUNDING

The following adjustments are effected to the funding of the 2013/14 annual budget:

- The rollover of unspent grants as at the end of the 2012/13 financial year.
- Increased borrowing to fund the 2013/14 capital programme as no borrowings took place in 2012/13.

ADJUSTMENT TO EXPENDITURE LEVELS

The following adjustments were effected to the expenditure levels of the 2013/14 annual budget:

- Capital Budget adjustments as approved by Council at its meeting on 2013-10-30 as a result of re-assessing the 2013/14 Capital Budget in an endeavour to expedite service delivery and to ensure that the budget is fully spent.
- Unforeseen expenditure in the Office of the City Manager, Governance, Economic Development and Planning, Community and Emergency Services and Human Settlements and Infrastructure Clusters.

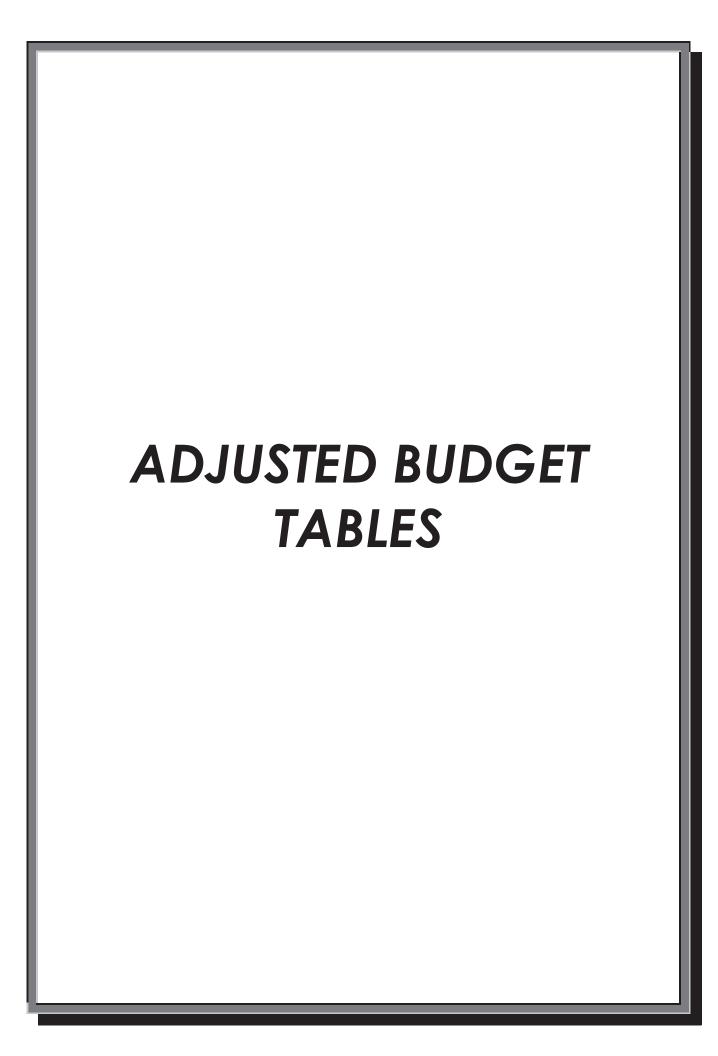

BUDGET REALLOCATIONS

In order to ensure effective and efficient service delivery and to enhance operational efficiencies of units, budget reallocations were required so that units are more cost reflective of the operations and in line with the revised organisational structure.

AMENDMENT TO SERVICE DELIVERY AND BUDGET IMPLEMENTATION PLAN (SDBIP)

As this adjustment budget results in consequential amendment of the 2013/14 SDBIP, a comprehensive report on the revision to the service delivery and budget implementation plan will be covered in a separate report to Council.
