## **SECTION 1- INTRODUCTION**

### **MUNICIPAL BUDGET**

#### **DEFINITION OF A MUNICIPAL BUDGET**

A municipal budget is generally a projection of future revenues and expenditure. A budget is used to control financial transactions and should also be used as a management and planning tool.

It is also the tool for implementing the service delivery objectives of the Municipality as set out in their Integrated Development Plan (IDP).

A municipal budget also provides for greater transparency, accountability, flexibility, and predictability within the municipality.

**The annual budget and capital budget for the financial year 2015/16 and the 2 indicative years 2016/17 and 2017/18 are hereby represented as prescribed in among others:**

- MFMA (Act 56 of 2003)
- The Distribution of Revenue Act, 2011 and Provincial Budget announcements
- Budget & Reporting Regulations 393 of 2009
- Sections 215 & 216 of the Constitution
- The Municipal Systems Act - No 32 of 2000 and Municipal Systems Amendment Act no 44 of 2003
- Councils budget related policies

## SECTION 2- MAYORAL SPEECH

It is an honor and privilege for me to table the Draft Budget to Council for the financial year 2015/16.

We live in challenging times and we are not excluded from the current pressure on the economy in our country and also worldwide. Central Karoo District Municipality is small in relation to other municipalities and districts, but we are responsible for the same compliance and performance measures as with the larger municipalities which obviously impact on our labour force and their capabilities. The latter with specific reference to our personnel who have to be well trained and capacitated because all of them are expected to work outside their job descriptions from time to time. This is one of the reasons that we still manage to financially survive. It is however imperative that we appoint well qualified and capacitated personnel to prevent that certain staff members become totally overloaded.

I am glad to report to Council that during the past financial year, up to now, our Municipal Manager managed to negotiate, with the assistance of Africa Creek, finances for a skills development program to be implemented in our region. R16-million were allocated to Central Karoo and did we already start with the execution of several training sessions for members of the public in our region. As was the case in previous financial years we again received an unqualified audit report with minor enquiries and there for almost a clean audit. Our aim is still to achieve the latter and do I plea for strict financial discipline and compliance with legislation as contained in the MFMA. Although we already managed to get more and more involved in the upliftment of our communities through subsidies and donations, it must be our goal to eventually be able to assist our B-Municipalities as mandated in legislation.

With regards to our budget at hand I want to emphasise the following:

1. We made provision for an increase in Councilor allowances of 9%.
2. We made provision for an increase in personnel salaries of 6,5% and a further 2,5% with regards to notches within a salary scale. In total 9%.
3. We provided for capital expenditure to the amount of R295 000 which include renovations to our buildings, IT-equipment and disaster management training.
4. We made provision for the full amount of R490 000 for our membership to SALGA.
5. We had to increase our provision for external audit by R1-million which is also the main reason why we are not able to make provision for any grants to our B-Municipalities.
6. We managed to increase our assistance to the public (refer to allocated funds to Exco, Bursary Fund and provision for the different commemorative days and other) to the amount of R462 000.
7. We had to make provision to write off the amount of R450 000 overdue by the Central Karoo Economic Development Agency.
8. We also had to make provision for the appointment of an Environmental Health Practitioner to replace the vacancy left by the resignation of Mr. Danie van Rensburg about one and a half years ago. Due to financial constraints we did not in the previous year budget for this vacancy.

We recently received grant funding from Provincial Government to do a full Organisational Re-design and am I excited for the outcomes of this study as this would be an important direction-indicator for Council to approach the future of our Municipality.

It is with confidence that I table this 4<sup>th</sup> budget of the current Council for approval.

**E Z NJADU**  
**EXECUTIVE MAYOR**

### **SECTION 3- BUDGET RELATED RESOLUTIONS**

The MFMA stipulates that the Mayor must table the annual budget at a council meeting at least 90 days before the start of the budget year and the Mayor must take all reasonable steps to ensure that the municipality approves its annual budget before the start of the budget year. For this reason Council may at the time of tabling the budget simply note the draft resolutions.

The following is the draft resolutions which Council needs to take with the approval of the 2015/16 Budget by the end of March 2015:

1. Council resolves that the Annual Budget of the Municipality for the financial year 2015/16 and indicative for the two projected outer years 2016/17 and 2017/18 and the multi-year and single year capital appropriations be approved as set out in the annual budget schedule tables found in Section 5.
2. Council resolves that the measurable performance objectives for revenue from each source, and for each vote reflected in this document be approved for the budget year 2015/16 and the two projected outer years 2016/17 and 2017/2018
5. Council resolves to adopt the amended Integrated Development Plan (IDP).
6. Council resolves that the budget related policies reflected in Annexure C are approved for the budget year 2015/16.
7. Council resolves that the filling of the vacant posts as identified by the Executive Management as shown in Section 4 and 12 of this document, be approved.

## SECTION 4 - MANAGEMENT REPORT

The draft 2015/16 budget is herewith presented to Council by Executive Mayor Alderman E Z Njadu.

Council managed to stabilise its finance over the past three years and is currently in a much more "relaxed cash flow position" than was the case three years ago. Unfortunately we are still reliant on a fixed income through grants and subsidies which make up almost 98% of Council's income budget. The challenge related to the latter is that District Municipalities, in general, have not the luxury of several variables with regard to income such as land tax, tariffs on service delivery, etc. On the other hand the District Municipalities, dependable on grants and allocations are 100% sure of their income and therefore just have to "live" between the boundaries of these income. I regard the presented budget as the most realistic since I became involved, but must also mention that the budget does not make room for changes in the adjustment budget of 2015/16 should there be such a need.

In the schedule below you will find a summary of the grants allocated to the Municipality from National Treasury and Provincial Treasury.

<b>Council received the following grants in the DORA for 2015/16:</b>	
Equitable Share	19 324 000
<b>SUBTOTAL</b>	<b>19 324 000</b>
EPWP	1 038 000
FMG	1 250 000
MSIG	930 000
Rural Roads Asset Management Grant	1 794 000
FMG Western Cape	2 100 000
<b>TOTAL</b>	<b>26 436 000</b>

Council received a Financial Management Grant to the amount of R 1,25-million which is conditional and allocated as in the schedule below:-

<b>With regards to FMG and MSIG the funds, which is conditional, were allocated as follows:</b>	
<b>FMG</b>	
Interns – Salaries (5)	650 000
Training of Interns	250 000
IT Compliance	150 000
Supply Chain Management	200 000
<b>TOTAL</b>	<b>1 250 000</b>

<b>MSIG</b>	
Asset Register	150 000
IDP	200 000
LED	200 000
Internal Audit	380 000
<b>TOTAL</b>	<b>930 000</b>

Above is the schedule with regards to Municipal Systems Improvement Grant which is also a conditional grant.

The administration contribution from the Roads Department amounts to R 3 899 940 which includes 14% VAT.

The Rural Roads Asset Management Grant which amounts to R1 794 000 is a pilot role out in the Districts of Central Karoo, Eden and Overberg and is the Provincial Government currently in process to verify the exact extent of the mentioned grant which is also conditional. At the moment the latter is treated as a contra-item in our budget.

The Mayor already reported on the allocation from LGSETA to the amount of R16-million and which program is currently already in a process of implementation.

The other income is a mere R 845 500 which is detailed in the schedule below:-

<b>Other income consists of:</b>	
EPWP Admin	100 000
Certificates of Acceptability	9 500
Income from Renting	120 000
Photostats, faxes and other	6 000
Milk Sales	400 000
Insurance	10 000
Income from Interest earned	200 000
<b>TOTAL</b>	<b>845 500</b>

Roads subsidy is R 31 600 060 after deduction of the administration fee.

Total income for the financial year amounts to R79 102 523 which is R3 706 000 or 4,47% less than current adjustment budget of R 82 808 000. The latter due to the skills development project for which we budgeted in full in the adjustment budget, but already started spending.

The R295 000 budgeted for Capital Expenditure is for:

- IT Equipment: R 75 000
- Disaster Management Equipment: R 30 000
- Refurbishment of Buildings: R190 000

With the funds available we believe that the attached budget is credible and duly funded.

## **PART 2 – SUPPORTING DOCUMENTATION**

### **SECTION 6- OVERVIEW OF BUDGET PROCESS**

#### Political overview of the budget process

Section 53 of the MFMA stipulates that the Mayor should exercise general political guidance over the budgeting process and must direct the drafting of the budget.

#### Schedule of Key Deadlines in respect of the budget process [MFMA section 21(1) (b)]

The Act provides that the formal budget process must commence with the tabling by the Mayor in Council of a schedule setting out the key budget deadlines. This was compiled for tabling in Council at the end of August 2012.

#### Process followed to integrate the revision of the IDP and drafting of the budget

The budgeting process was integrated with the IDP during the IDP revision mechanism. The outcome of the consultation upon the IDP revision is taken into consideration in the budgeting process.

#### Process for tabling of the budget before Council for consultation

A statutory period of consultation follows the tabling of the budget before Council on 27 March 2015. Meetings with the local community shall be advertised in the local press after tabling of the draft budget.

The Executive Mayor shall consider the outcomes of these consultation meetings and a report in which the reactions are set out shall be tabled at the same meeting where the budget is to be tabled for final approval.

#### Process for approval of the budget

The budget must be approved by Council by 31 March 2015.

#### Process and media used to provide information on the budget to the community

All budget documentation, the MTREF, as well as tariffs and policy, shall be available at Council libraries and offices for perusal. It shall also be available on Council's website.

Advertisements informing the public about the availability of these documents and the schedules for the public hearings on the IDP. Budget shall be published in all local papers and be put up at municipal offices and libraries.

## **SECTION 7- OVERVIEW OF ALIGNMENT OF THE ANNUAL BUDGET WITH THE INTEGRATED DEVELOPMENT PLAN**

The Integrated Development Plan is aimed at addressing service delivery needs on a continuous basis by identifying new needs or areas of improvement. It is however also a well-known fact that the needs far exceed the available resources, and financial resources in particular.

- See Annual Budget tables SA 4,5 and 6 for brake down of all the revenue, operating expenditure and capital expenditure aligned to the goals and action plans of the Integrated Development Plan for the budget 2015/16, 2016/17 and 2017/2018 financial years.

## **SECTION 8- MEASURABLE PERFORMANCE OBJECTIVES AND INDICATORS**

Measurable performance objectives and indicators must be determined for the next year and included in the annual SDBIP: -

### **Key financial indicators and ratios:**

- Debt cover ratio (Total operating revenue, minus grants and subsidies, divided by debtors)
- Services debt to revenue ratio (Total outstanding services debt, divided by revenue for services received)
- Cost cover ratio (cash equivalents, divided by monthly fixed operating cost)

### **Measurable performance objectives for:**

Revenue for each budget vote

Revenue for each source

Operating and capital expenditure for each vote

When developing these measurable performance objectives, the following needs to be taken into consideration -

The municipality's Integrated Development Plan (IDP)

Economic development initiatives that facilitate job creation, economic growth, poverty alleviation

Provision of basic services

### **Measurable performance objectives for rendering free basic services**

The measurable performance objectives for the provision of free basic services in respect of property rates, water, sanitation, waste management and electricity must provide details of -

The amount in rand value of each of the free basic services

The level of service that is delivered free

The number of households to receive each of the free basic services

The total budgeted cost of provision of each of the free basic services

The total budgeted revenue lost by providing each of the free basic services

## **SECTION 9- OVERVIEW OF BUDGET RELATED POLICIES**

See Annexure C for detailed policies to be presented:

The following policies forms, inter alia part of the included annexures.

Cash Management and Investment Policy  
Supply Chain Management Policy  
Virement Policy  
Funding and Reserve Policy  
Asset Management Policy

## **SECTION 10- OVERVIEW OF BUDGET FUNDING AND EXPENDITURE**

### **Funding of the Budget**

Section 18(1) of the MFMA determines that an annual budget can only be funded from:

- Realistically expected revenue to be collected;
- Cash-backed accumulated funds of preceding years' surpluses not earmarked for other purposes; and
- Borrowed funds, but only for the capital budget referred to in Section 17.

Full achievement of this requirement effectively entails that a Council 'balances' its budget by ensuring that the budgeted outflow balances with a combination of planned inflow.

### ***A Credible Budget***

A credible budget, among other things, is a budget, which:

- Only funds activities which are in line with the revised DIP and vice versa and which ensures that the IDP is realistically achievable while taking account of the financial restrictions of the municipality;
- Is achievable in respect of agreed service delivery and performance targets;
- Contains revenue and expenditure projections that are in line with current and previous performance and that are supported by documented evidence of future assumptions;
- Does not compromise the financial viability of the municipality (ensures that the financial position is contained within generally accepted prudent limits and that obligations can be met in the short, medium and long term); and
- Provides managers with suitable levels of delegation to enable them to fulfill their financial managerial responsibilities.

A budget sets out certain service delivery levels and accompanying financial implications. Consequently the community must realistically expect to receive these promised service levels and to understand the

accompanying financial implications. High under spending due to under collection of revenue or poor planning is a clear example of a budget that is not credible and realistic. Furthermore, budgets tabled as early as 90 days before the start of the budget year, must remain credible and fairly close to the final approved budget.

### **INCOME**

The total amount from the operating income budget amounts to R 79 102 523, compared to the previous budget R 82 808 556. This reflects a decrease of R 3 706 033, or 4,47%. This decrease in income is due to the transfer of the Grants and Subsidies Allocations. No additional funds was utilize from Surplus funds. See table A1 in Annexure B.

Funds for the Central Karoo District Municipality for the 2015/16 financial year are as follows:

### **GRANTS & SUBSIDIES INCOME**

 3. Insert other categories where revenue or expenditure is of a material nature (at separate line and 'actual' expenses) is not > 10% of Total Expenditure  
 4. Expenditure to meet any 'unfunded obligations'  
 5. The actual must agree with the total on SA22, but excluding council and board member items  
 6. Include a note for each revenue item that is affected by revenue forecast  
 7. Special consideration may have to be given to including 'special' assets or 'joint venture' budgets where circumstances require this (include separately under relevant rates)
