Honorable Speaker

In line with our core functions and our constitutional mandate, we are expected to deliver services such as maintenance of the landfill sites, graveyards, provision of bulk services and development and upgrading of rural roads.

The following projects have been prioritized in for the 2015-2016 financial year...

1. Beautification of graveyards
2. Converting illegal dumping sites into Municipal parks.
3. We will be establishing the Cooperatives college
4. We have introduced the solar heating and energy efficiency program
5. We also prioritize sanitation and roads infrastructure programs
6. The cleanest city award

Just this morning we have delivered sanitary towels to 10 different schools from our district. These schools were identified based on merit, the background as well as the socio-economic conditions of learners and their family household. We are grateful to mention our partnership with Cell C in this program.

Honorable Speaker

We recently sent a delegation to the Eden district municipality in the western cape for best practices. We also appreciate the feedback we received from our delegation on the best practices learned in various municipalities there. We await a detailed report from

our delegation to serve before council soon.

Somlomo

Allow me to honor the Kenneth Kaunda individual greatness for those individuals who continue to raise the Kaunda flag high in various respects through individual brilliance. These are the ambassadors of Kenneth Kaunda who continue to lend importance to our rarely appreciated work as councilors and representatives of our people.

We do this in commemorating the 39 years of youth struggle against the barrier of the racist Afrikaans language, characterized then as the language of the oppressor. We commemorate this day in honor of all young people who took it to the streets to confront the brutal and racist apartheid system 39 years ago.

This system robbed a black child of their identity and dignity and rendered them subhuman in all material respects. We also celebrate 60 years of the Freedom Charter. This meeting of the people's congress in Kliptown 60 years ago, chartered our freedom. We salute the brave men and women of this generation.

We salute the young people from our District who continue to do us proud by lifting our name higher and higher. We salute Tsietsi Monareng the weather presenter on SABC 2 from Maquassie Hills, The little Miss Universe from Jouberton, the young boy who underwent the kidney operation recently, the young boy who will be participating in a marathon in Argentina, the Kanana school choir that will be participating in the National School Choirs Competition, the Miss earth Universe finalist from Khuma, the number 01 goalkeeper of Bafana Bafana Itumeleng Khune from Ventersdorp and Busi the Metro Award winner music artist from Khuma. All these young people are from our District and honorable members, they are young, gifted and deserve our praise!!!

Honorable Speaker I'm humbled by the dignity and importance, the privilege and the borrowed powers upon me by my organization, the African National Congress, for believing in me for this very difficult task of Executive Mayor of the Dr Kenneth Kaunda District Municipality.

For me ladies and gentlemen, This occasion will be memorable in more ways than one. Memorable because, as we march towards the 2016 Municipal Local Government Elections, some amongst us, myself to be precise, may not come back as representatives of our people at this level of Government.

This occasion therefore coerces me, to strike a deep personal note and ask the

question, what have I done for the people of the district during my term of office as the Executive Mayor?

This is a question I must answer honestly and truly to the best of the oath I took when I assumed responsibilities of this office. I invite my fellow colleagues to follow me and answer this question honestly and truly in their individual capacity too. To complete my response, I remain committed that Our Collective response to this question as council, must find expression in this 2015/16 final budget.

Honorable Speaker

This meeting is convened under the prescripts of MFMA sections 4 and 7 which directs the municipal council to approve annual financial budget within 30 days prior to the start of the financial year, and that the Executive Mayor must table such in a council meeting.

Honorable Members although we are late for this meeting, our delay without any justification, was to address the needs of the communities through the thorough and detailed consultative process outlined in the IDP Foreword.

An occasion of this nature always strikes our individual consciousness and remains a constant reminder of why we are elected to serve the masses of our people for a particular period in our lives. We are elected not because we are the smartest in society but honorable members, we are elected to serve because out of the many, we were the chosen few.

Honorable Members

The Philosopher of the Classical Greek antiquity warns of the Negative consequences of the riches. Plato believes, that the riches produce luxury and idleness while poverty produces the revolution.

In response to Plato's believes honorable speaker, we were able as the district municipality to direct our resources towards confronting the triple challenges of poverty, unemployment and inequality. Our non capitalized programs are a direct response to the challenges faced by young people and the broader community of Dr Kenneth Kaunda.

Honorable Speaker

Through our non capitalized programs led by the Office of the Executive Mayor and the Speaker, we have made significant interventions in the lives of the most ordinary people in the district. Young people continue to be at the heart of these programs.

1. We have awarded financial assistance to 559 students to help them register in various academic institutions of higher learning.
2. We trained more than 500 students in Artisan skills such as plumbing and electrical skills in partnership with Anglo-gold Ashanti.
3. We trained 100 students as chefs in a program partnered with Cathseeta. We took 13 students to Bloemfontein Traffic college.
4. We helped 25 students with their studies at Vuselela FET College to acquire skills in boiler making and electrical engineering. All these programs were direct interventions on our Youth developmental Agenda.

Honorable Speaker

In his address on June 16 at the occasion of the Youth Day Commemoration in Pretoria, President Jacob Zuma called on all national and provincial departments to give a state of account on the Youth development programs, with specific focus on the creation of job opportunities for the unemployed graduates and young people in this country.

I must assure honorable members today that this district will also give its proud account of Youth development programs and employment opportunities for young people to the President. We will make the President proud by outlining our intervention programs in the effort to help Young people of the District.

Somlomo

The Kenneth Kaunda District Municipality derives its origin from the former Southern District Municipality. The then southern district municipality, had a tax base in the form of Regional Services Levy. This revenue despite the challenges, proved to be sustainable to maintain both the capital and operational budget of the then district municipality.

Allow me to take members to a journey back to Our brief history and the Name change honorable speaker.

We acknowledge that the district population has grown over the years, that the mining economy has declined in alarming proportions with the exception of platinum which continues to be on a steep rise.

We are unfortunately not the direct beneficiaries of the platinum economy as this district although indirectly, through the national division of revenue, we claim a portion of the country's share from the mining taxes.

The decision to rename the district municipality was influenced by a number of factors such as among others, that the name was merely cardinal without any historical, political or economic significance.

For us that was unstrategic because our vision was to position our district on the continental, as well as the world map for economic and political reasons. Our thoroughly consulted process constituted of a vigilant team of magnetic ability which delivered the name DR Kenneth Kaunda District Municipality, unopposed, undisputed and unanimously agreed to by all parties in council.

A watershed moment, a landmark, a milestone and a historical achievement of note.

This is a moment we will continue to be proud of, a moment that has rewritten our history and a moment we will always live to cherish and for that we will forever be grateful that we left a legacy for the next generation after ours to embrace. What a Well thought decision and timely execution!

Somlomo

Today we stand tall on the shoulders of the Giant leader of not only the continent but the whole world, Dr Kenneth David Kaunda. The founding President of Zambia, an iconic figure and a revolutionary of stature.

We are known everywhere in the world, thanks to this Giant of our time that we can trade anywhere in the world and for that we must be grateful as this collective because, we carried the baton and to this day we never disappointed.

Honorable Members

Just recently we visited Zambia on a trade mission. This exchange with Zambia opened other doors of trade with our Neighboring country Zimbabwe. Our delegation went to Zimbabwe on another trade mission recently and the feedback we are receiving makes us very proud indeed. The Zambian government also took it further to invite us, at their own expense, to commemorate June 16 events in Zambia. Our delegation was well received and given an opportunity to address 1 500 young people on the events that led to June 16 in South Africa.

Budget Process

A budget is a municipal strategic document and state of account of the municipality to the community on the promises made, challenges encountered and achievable objectives reached in the quest for our implementation of the consolidated priorities in the form of the municipal IDP.

So briefly, the IDP informs the budget and ours is to direct the funds into these priorities.

Our budget is a balanced reflection of our past and present, the good and worst of our time, the negative and positive developments, change and constant but above all it is a product of a thoroughly consulted process aimed at prioritizing the most immediate of the community inputs into our budget commitments to be implemented in this 2015/16 financial year.

Ladies and Gentlemen

The month of June is commemorated in South Africa and of course as the Kenneth Kaunda district municipality we also join millions of our colleagues throughout the country and bid all young people of our district the best of the entire June festivities for the few remaining days.

Not only are we giving lip service to this important sector of our population, but our message to all young people of the district finds deep and clear expression in our 2015/16 budget.

We do this because first and foremost we can, and that secondly we care about the future of young people in this district and that finally we are brutal towards the triple challenges of unemployment, poverty and inequality affecting young people.

The country's current statistics of unemployed youth is regrettably unacceptable and we all know that we are no exclusion to these statistics.

No matter how hard we try, the levels of unemployment, inequality and poverty among young people continue to grow so rapidly.

This challenge requires all our attention and radical action to put an end to and we must assure you honorable members that, this Budget will deal with this uncontrollable phenomenon.

We need to strengthen our radical efforts towards youth empowerment, people with disabilities and issues affecting women.

Honorable Speaker

All our programs must impact in the lives of our people and there must be significant change and improvement in their lives once they interact with our programs.

It's strange however to realize that what we've been doing for these vulnerable groups of our people no matter how much, is always classified under operating expenditure. This is a misclassification and incorrect accounting method because most of these

programs are what I regard as the non capitalized programs which are obviously differently accounted for, as opposed to capital expenditure in the form of your normal infrastructure projects. I will deal in detail with these programs under our budget intervention programs.

Honorable Speaker

Allow me as i conclude, to present to this council the 2015-2016 Budget of the Dr KKDM, the IDP and all Related policies.

Honorable speaker

I will conclude my speech by thanking my family, my beautiful daughters and son who always give me a hard time when I must be at work earlier. I must also thank the ANC - the trust and confidence they have placed in me for the position of Executive Mayor of the District. My colleagues with whom I served for 10 years and my current colleagues, who joined me in this longest journey of serving our people. I must also hasten to mention, honorable members, that's if I were to relive my life again as executive mayor of the district, there will be nothing to change more than what we have already done together. So briefly, my journey as executive mayor of the district truly and honestly ends here.

Thank you very much, honorable members.

**DR KENNETH KAUNDA DISTRICT MUNICIPALITY
ANNUAL BUDGET 2015/2016
EXECUTIVE SUMMARY**

The annual budget for 2015/2016 budget year is to give effect to Dr Kenneth Kaunda District Municipality's service delivery priorities and objectives, thereby fulfilling the the needs as depicted in the Integrated Development Plan.

The allocation on grants and subsidies operating as depicted in the summary totals is made up of District Economic Development, Office of the Executive Mayor, Office of the Speaker, Disaster Management Department, Corporate Services and Budget and Treasury department.

The allocation which totals to R 106 449 298.00 for the current budget year 2015/2016

Operating grants and subsidies for District Economic Development and Tourism are for the SMME's and cooperatives development awareness and the need to invest in sustainable social and economic development.

It is against this background that financial and technical support to Small Medium and Micro Enterprises and Cooperatives is an integral part of the Dr Kenneth Kaunda District Municipality's Local Economic Development strategy. The District is therefore supporting community based initiatives through conditional grants for viable business plans.

This will support a meaningful District Economic Development initiatives that foster micro and small business opportunities and job creation.

The objectives of DED the grants funding is to bring in new category of entrepreneurs presently constrained by limited access to funding, to broaden access through new funding, flexible instruments and leverage with selected partners thus providing the tools with which to share in the growing South African economy, to introduce flexibility in services delivery and accommodate the special circumstances of women owned and run enterprises both as regards funding range and type of facility offered.

Every year the Office of the Executive Mayor awards study bursaries to deserving students within the Dr Kenneth Kaunda District Municipality. This assistance is for the students to study further at tertiary institutions within the Republic of South Africa.

There is a portion allocated as grants and subsidies operating for this purpose in the Office of the Executive Mayor's Grants and Subsidies budget.

The other portion is for other community projects which deals with challenges such as children, elderly, youth, women and war on poverty.

**DR KENNETH KAUNDA DISTRICT MUNICIPALITY
ANNUAL BUDGET 2015/2016
EXECUTIVE SUMMARY**

The annual budget for 2015/2016 budget year is to give effect to Dr Kenneth Kaunda District Municipality's service delivery priorities and objectives, thereby fulfilling the the needs as depicted in the Integrated Development Plan.

The 2015/2016 budget for Infrastructure Development is linked to the Integrated Development Plan of Dr Kenneth Kaunda District municipality as aligned with those of the local municipalities with the Dr Kenneth Kaunda District municipality.

The Service Delivery and Budget Implementation Plan as the primary monitoring tool for budget implementation and monitoring by the municipal manager and senior managers give effect to those Projects of the Integrated Development Plan which have been identified by the communities of Maquassi Hills, Tlokwe, Matlosana and Ventersdorp and approved by the municipal councils of those municipalities as their needs priorities for the current annual budget of 2015/2016.

As the municipality have scarce resources(funding) only the most urgent projects in the Integrated Development Plan have been identified and prioritised over others as it is highly unlikely that everything in the Integrated Development Plan can be accommodated in a single year annual budget.

The current budget of 2015/2016 allocates the funding from the budget to the following grants and subsidies infrastructure capital projects to local municipalities for roads and stormwater R 7 886 000.00 , waste management R 12 176 000.00 , Infrastructure for the District community and social services R 13 195 950.00 , District Economic Development and Tourism R 18 371 321.00, Waste Water Management R 9 110 000.00

The above capital budget allocations are in line with National, Provincial local guiding priorities of protecting the poor, creating employment, investing in infrastructure and ensuring fiscal stability.

The allocation on community and social servies is to address and create employment through community projects.

The other grants are conditional grants for specific purposes as outlined in the Division of Revenue Bill of 2015, any unspent portion of a conditional grant as at the end of the financial year revert to the National Treasury, unless a roll-over is approved for future implementation of the grant.
