## Column Definitions

A. The audited actual for 2004/05 as per the audited financial statements. If audit figures are not available for
B. The original budget approved by council for the 2005/06 budget year.
C. The budget for 2005/06 budget year as adjusted by council resolution in terms of section 28 of the MFMA
D. An estimate of final actual figures (pre audit) for the 2005/06 budget year at the point in time of preparing th
E. The amount to be appropriated for the 2006/07 budget year.
F. The indicative projection for 2007/08
G. The indicative projection for 2008/09

## Notes:

1. The municipality should list its own votes and votes should be at the highest possible level (e.g. a vote for $\epsilon$
2. The municipality may elect to show the vote as a GFS function or display the GFS function with votes unde
3. If the municipality elects not to show GFS function on this schedule, schedule 2(a) showing GFS function n
. All budgeted amounts must be classified under a particular vote. Do not use "other"
4. See example tables and charts provided in Annexure 3 (Table 2 and related charts - pages 23 to 25)
