Amathole Dístrict Municipality ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2006

FOREWORD FROM EXECUTIVE MAYOR

The year 2005/06 marks the closing of a chapter on local government and the opening of a new one. We have enjoyed a full five year term where we have taken our people into our confidence, by providing detailed financials and accounting on how we have managed the use of public resources at our disposal. The financial year end brings us joy as we are confident in exposing ourselves to scrutiny by the office of the Auditor-General.

We are tabling financials with visible signs of rising expenditure on our project funds. This is a strong indication to us that we have found good instruments of implementation and thus stabilized our institutional operations. This has been the desired result through effective planning which ensured that the allocation of resources was not just an act of pruning the wish-list from our developmental clusters, but addressed in a coherent way the strategic objectives of reconstruction and development considered critical in our fight against poverty and unemployment.

It is now evident that as a district, we have passed the stage of establishment with confidence towards speeding up economic development and job creation. As we do so, we will continue to build our capacity and that of our local municipalities, to deepen legal compliance and ensure that appropriate financial management systems are in place. We view the 73,5% expenditure as a good mark of our commitment in wiping out roll overs.

In closing this chapter on our district municipal revenue, it should be noted that this was the last year for RSC levies. As the Council of Amathole District Municipality, we are pleased that we have serviced our communities, especially business, without raising levy tariffs for the past nine years in succession, though we continued to generate increasing revenue.

On behalf of Council, I am proud to present the financial statements for the year 2005/06 which reflects our achievements over the past year. I would also like to take this opportunity to thank our officials for their sterling work.

I am happy to report that for the past six years in succession, the ADM has posted an unqualified audit report. We are now focusing our attention on ensuring that our local municipalities also enjoy unqualified audit reports and are looking at addressing the areas of weakness as identified by the Auditor-General in their financial statements.

We owe it to our communities, who have continued to play their participative role, to effect accountable governance within our district. We will continue to work together with our communities to build a better life for all within our district.

CLLR SAKHUMZI SOMYO EXECUTIVE MAYOR

FOR THE YEAR ENDED 30 JUNE 2006

ACCOUNTING POLICIES

1. BASIS OF PRESENTATION

The annual financial statements have been prepared on an accrual basis of accounting and are in accordance with historical cost convention, except for the revaluation of land, buildings and community property, which are carried at fair value:

- Income is accrued when measurable and available to finance operations. Certain direct income is accrued when received.

- Expenditure is accrued in the year it is incurred.

These annual financial statements have been prepared in accordance with Generally Accepted Municipal Accounting Practice (GAMAP) and Generally Recognised Accounting Practice (GRAP), issued by the Accounting Standards Board in accordance with Section 122 (3) of the Municipal Finance Management Act, (Act No. 56 of 2003).

The Municipality has transactions, events or balances that are outside the ambit of the accounting standards referred to above but which are included in Standards of International Public Sector Accounting Standards (IPSAS) issued by the International Federation of Accountints- Public Sector Committee, International Accounting Standards (IAS) issued by the International Accounting Standards Board or Generally Accepted Accounting Practice issued by the South African Accounting Practices Board and the South African Institute of Chartered Accounting Practice Committee. The Municipality has not complied with the measurements, recognition and disclosure of those accounting standards.

The principal accounting policies adopted in the preparation of these annual financial statements are set out below.

Assets, liabilities, revenues and expenses have not been offset except as required or permitted by a Standard of GAMAP or GRAP.

2 PRESENTATION CURRENCY

These annual financial statements are presented in South African Rand.

3 GOING CONCERN ASSUMPTION

These annual financial statements have been prepared on a going concern basis.

4 RESERVES

4.1 Capital Replacement Reserve (CRR)

Amounts equivalent to the value of infrastructure, property, plant and equipment acquired are transferred from the accumulated surplus (deficit) to the CRR.

The CRR is reduced and the accumulated surplus/(deficit) is credited by a corresponding amount.

The amount transferred to the CRR is based on the municipality's need to finance future capital projects included in the Integrated Development Plan.

4.2 Government Grants Reserve

When items of property, plant and equipment are financed from government grants, a transfer is made from the accumulated surplus/ (deficit) to the Government Grants Reserve equal to the Government Grant recorded as revenue in the Statement of Financial Performance in accordance with a directive (budgeted circular) issued by National Treasury. When such items of property, plant and equipment are depreciated, a transfer is made from the Government Grant Reserve to the accumulated surplus/(deficit). The purpose of this policy is to promote community equity by ensuring that the future depreciation expenses that will be incurred over the useful lives of government grant funded items of property, plant and equipment from this reserve to the accumulated surplus/(deficit). When items of property, plant and equipment are offset by transfer from this reserve to the accumulated surplus/(deficit). When items of property, plant and equipment financed from government grants is disposed, the balance in the Government Grant Reserve relating to such an item is transferred to th accumulated surplus/(deficit).

4.3 Revaluation Reserve

The surplus arising from the revaluation of land and buildings is credited to a non-distributable reserve. The revalued assets are depreciated, through a transfer from the revaluation reserve to The accumulated surplus/ (deficit). On disposal, the net revaluation surplus is transferred to the accumulated Surplus/ (deficit) while gains or losses on disposal, based on revalued amounts, are credited or charged to the Statement of Financial Performance.

FOR THE YEAR ENDED 30 JUNE 2006 ACCOUNTING POLICIES

5 PROPERTY, PLANT AND EQUIPMENT

- 5.1 Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses, except for land and buildings, which have been revalued as indicated below.
- 5.2 Land is not depreciated as it is deemed to have an indefinit life.
- 5.3 Items purchased less than R1000 in value, are considered to be non capital in nature and are therefore expensed.
- 5.4 The cost of an item of property, plant and equipment acquired in exchange for a non-monetary asset or monetary assets, or a combination of monetary and non-monetary assets was measured at its fair value. If the acquired item could not be measured at its fair value, its cost was measured at the carrying amounts of the assets given up.
- 5.5 Expenditure is capitalised when the recognition and measurement criteria of an asset is met.
- 5.6 Depreciation is calculated on cost, using the straight-line method over the estimated useful lives of the assets. The annual depreciation rates are based on the following estimated asset lives:

	Years	Years	
Infrastructure	10-15	Other	
Roads and Paving	30	Buildings	30
Pedestrian Malls	30	Specialist vehicles	10
Electricity	20-30	Other vehicles	5
Water	15-20	Office equipment	3-7
Sewerage	15-20	Furniture and fittings	7-10
Housing	30	Watercraft	15
Community		Bins and containers	5
Improvements	30	Specialised plant and equipment	10-15
Recreational Facilities	20-30	Other items of plant and equipment	2-5
Security	5		
Investment Properties	30		

- 5.7 The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying value and is recognised in the Statements of Financial Performance.
- 5.8 Where the carrying amount of an item of property, plant and equipment is greater than the estimated recoverable amount, it is written down immediately to its recoverable amount and an impairment loss is charged to the Statement of Financial Performance.
- 5.9 Assets are capitalised on date of payment.
- 5.10 Major improvements to buildings, plant and equipment are capitalised. Maintenance and repairs are expensed when incurred.
- 5.11 Heritage assets, defined as culturally significant resources, are not depreciated.
- 5.12 Land and buildings are stated at revalued amounts, being net replacement costs at the date of revaluation less subsequent accumulated depreciation and impairment losses on the buildings.
- 5.13 The Strategic Framework for water services, being the approved Government policy framework, prescribes the processes and details KPI's, and associated timeframes for the transfer of all infrastructure and functions relating to water services. In accordance, the transfer of all relevant water related infrastructure is to be finalised by 30 June 2006. The ADM conforms to that which has been prescribed in terms of due process as contained in the Strategic framework.

FOR THE YEAR ENDED 30 JUNE 2006 ACCOUNTING POLICIES

6 REVENUE RECOGNITION

6.1 Levies

- 6.1.1 Enterprises are assessed on a monthly basis and charged an Establishment and Service charge levy using Turnover and Human Resource costs, respectively. The tariffs for levies on Turnover and Human Resources costs differ in accordance with the operating budget approval.
- 6.1.2 Levy income is recognised on the receipt of actual assessments. Payments received regarding undeclared figures are considered creditors in Council's records.

6.2 Services

Service income is recognised on an invoice basis.

6.3 Interest and rentals

Interest and rentals are recognised on a time proportion basis.

6.4 Agency Services

Income from agency services is recognised once such income has been received in accordance with a service level agreement.

7 INVESTMENTS

- 7.1 Financial Instruments, which include listed government bonds, unlisted municipal bonds, fixed deposits and short-term deposits invested in registered commercial banks, are stated at cost.
- 7.2 Where the carrying amount of an investment is greater than the estimated recoverable amount, it is written down immediately to its recoverable amount and an impairment loss is charged to the Statement of Financial Performance.

INVENTORIES

8

- 8.1 Consumables stores, raw material, work-in-progress, settlements and finished goods are valued at the lower of cost and net realisable value. In general, the basis of determining cost is the first-in, first-out method.
- 8.2 Unsold properties and land used for housing are valued at the lower of cost or net realisable value. Direct costs are accumulated for each separately identifiable development. Costs also include a proportion of overhead costs.
- 8.3.1 Housing development funding received is recognised as revenue and expenditure on the Statement of Financial Performance to the extent that the Municipality has complied with any of the criteria, obligations or conditions of the grant.
- 8.3.2 When housing development is financed from government grants, an amount equal to note 9.3.1 is transferred from the accumulated surplus/ (deficit) in the Statement of Changes in Net Assets and is reflected as Work in Progress Housing projects. Completed and transferred houses will be offset against the accumulated surplus/ (deficit) in the Statement of Changes in Net Assets.

9 ACCOUNTS RECEIVABLE

Accounts receivable are carried at anticipated realisable value. An estimate is made for doubtful receivables based on review of all outstanding amounts at year- end. Bad debts are written off during the year in which they are identified. Amounts that are receivable within 12 months from the reporting date are classified as current.

10 TRADE CREDITORS

Trade creditors are stated at their nominal value.

FOR THE YEAR ENDED 30 JUNE 2006

ACCOUNTING POLICIES

11 CONDITIONAL GRANTS AND RECEIPTS

Revenue received from conditional grants, donations and funding is recognised as revenue to the extent that the Municipality has complied with any of the criteria, conditions or obligations. If it has not been met it is recognised as a liability.

12 PROVISIONS

12.1 Provisions are recognised when the Municipality has a present or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the provision can be made. Provision are reviewed at reporting date and adjusted to reflect the current best estimate. Non-current provisions are discounted to the present value using a discount rate based on the average cost of borrowing to the Municipality.

Leave Provision

12.2 The Leave Provision is utilized for the payment of leave sold during the year. An amount equivalent to the expected value of the leave accrual for the financial year is allocated to the leave provision during the year.

13 CASH AND CASH EQUIVALENTS

Cash includes cash on hand and deposits held on call with banks. For the purposes of the cash flow statements, cash and cash equivalents comprise cash on hand, deposit held on call with banks.

14 UNAUTHORISED EXPENDITURE

Unauthorised expenditure is expenditure that has not been budgeted for, expenditure that is not in terms of the conditions of an allocation received from another sphere of government, municipality or organ of state and expenditure in the form of a grant that is not permitted in terms of the Municipal Finance Management Act (Act No.56 of 2003) Unauthorised expenditure is accounted for as an expense in the Statement of Financial Performance and where recovered, it is subsequently accounted for as revenue in the Statement of Financial Performance.

15 IRREGULAR EXPENDITURE

Irregular expenditure is expenditure that is contrary to the Municipal Finance Management Act(Act No. 56 of 2003) the Municipal Systems Act(Act No. 32 of 2000), the Public Office Bearers Act (Act No. 20 of 1998). Irregular expenditure excludes unauthorised expenditure. Irregular expenditure is accounted for as expenditure in the Statement of Financial Performance and where recovered, it is subsequently accounted for as revenue in the Statement of Financial Performance.

16 FRUITLESS AND WASTEFUL EXPENDITURE

Fruitless and wasteful expenditure is expenditure that was made in vain and would have been avoided had reasonable care been exercised. Fruitless and wasteful expenditure is accounted for as expenditure in the Statement of Financial Performance and where recovered, it is subsequently accounted for as revenue in the Statement of Financial Performance.

17 COMPARATIVE INFORMATION

17.1 Current year comparative:

Budgeted amounts have been included in the annual financial statements for the current financial year only.

17.2 Prior year comparatives:

When the presentation or classification of items in the annual financial statements is amended, prior period comparative amounts are reclassified. The nature and reason for the reclassification is disclosed.

18 LEASES

Leases are classified as finance leases where substantially all the risks and rewards associated with ownership of an asset are transferred to the municipality.

Operating leases are those leases that do not fall within the scope of the above definition. Operating leases rentals are expensed as they become due.

19 INVESTMENT IN SUBSIDIARY

Investments in municipal entities under the ownership control of the Municipality are carried at cost in the Municipality's unconsolidated annual financial statements. Separate consolidated financial statements are prepared to account for the Municipality's share of net assets and post-acquisition results of these investments

Eskom

A judgment ruling was made that ESKOM is not entitled to any refunds

Pension Fund top up claim: Department of Public works

The high court ruled in favour of the plaintiffs. They were paid after year end, and the money was subsequently recovered from the relevant department

Department of Health The debt has been settled during the year reported on

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2006

Iliso Consulting Iliso Consulting demanded from Council an amount of R93 587.79 for services rendered in the Ngqushwa Municipality's Makhahlane Water Supply Project. Council we would defend.

Council's attorneys are awaiting a meeting between the stakeholders in this matter. As per agreement between legal representatives in this matter, matters are held in abeyance pending further instructions from Iliso to their attorneys. They require instructions regarding our contention that they were not supposed to demand from the ADM, rather from Ngqushwa Local Municipality.

39. EVENTS AFTER THE REPORTING DATE AS AT 30 JUNE 2006 ADM as the WSA centralised all water and sanitation functions as from 1 July 2006.
