MUNICIPAL MANAGER DIRECTOR: FINANCIAL MANAGEMENT

N G Ngesi H Dredge

#### **FOREWORD**

#### V. BALURA - MAYOR

There are no joys without mountains having been climbed.

There are no joys without the nightmares that precede them and spring them to light.

The joys that spring from the challenges are profound.

And the challenges will always be there

As long as there are human beings there will be challenges.

Let no one speak of frontiers exhausted,

All challenges met, all problems solved.

There is always the joy of discovering, uncovering and forging new forms, new ways

Ben Okiri, a way being free, 1997.

The white paper stressed that local government must play a "developmental role". The constitution states that government must take reasonable steps, within available resources. To ensure that all South African have access to adequate housing, health care, education, food, water and social security.

The white paper describes developmental local government as a local government committed to work with citizen and groups within the community to find sustainable ways to meet their social, economic and material needs and improve the quality of their lives. It stresses that development should target those members and groups within communities that are most marginalized or excluded, such as women, disabled people and very poor people.

In this budget we have looked at the characteristics of a developmental local government which is to maximize social development and economic growth, integrating and co-ordinating, democratizing development and leading and learning.

At the end of this financial year, we shall be assessing and evaluating ourselves on the following:

#### 1. PROVISION OF HOUSEHOLD INFRASTRUCTURE AND SERVICES.

Not only are these services constitutional right but also they can help people to support their families, find jobs and develop their skills to start their own small businesses.

#### 2. CREATION OF LIVEABLE, INTERGRATED CITIES, TOWNS AND RURAL AREAS.

It is very important that spaces where people live, work, shop and play, are planned close together, (spatial integration) spatial integration is also central to nation building since it will overcome the past separation of living space according to race.

#### 3. LOCAL ECONOMIC DEVELOPMENT.

This will also attempt to provide good quality cost effective services and by making Ndlambe Region a pleasant place to live and work

The bulk of the increase for budget this is being directed towards the provision of basic services (water and sanitation). The National Government with assess us on the following:

- 1 Basic Service Delivery.
- 2 Municipal Institutional Development and Transformation
- 3 Local Economic Development (LED).
- 4 Municipal Financial Viability and Management.
- 5 Good Government and Public Participation.

We have made money available for the above

In the process of drafting thus budget public hearings were held as part of the process of consultation and in compliance with the requirements of the Municipal Systems Act. A plethora of meeting were held with residents Ratepayers and Businesses at which salient aspects of the budget were explored and incorporated in this budget.

This budget has been compiled in accordance with National Treasury Requirement of multi year (three year) budgeting. Sources of income include rates, equitable share, tariffs, grants and subsidies.

Acting in partnership in a people's contact, state and citizen must use the favourable situation all our people have created together over nearly 12 years of democracy, to achieve new advances towards the birth of the caring society and winning nation for which many sacrificed their lives. The 2006/2007 budget has provided us with significant resources to realize this outcome.

Let me conclude by borrowing words from Dakota Proverb, First American Community.

We will forever known by the tracks we leave.

I would like to thank the Municipal Manager, Director of Finance and IDP Manager and their teams for preparing this budget and also for keeping us all on our toes throughout the year. To Councillors we have been elected to serve our people and by providing them with a better quality of life. To realize that we must monitor place to live and work, and surely this will lead to sustainable Local Economic Development. There are no joys without mountains having been climbed.

I'm standing before you today with pride and honour to present to you the budget for 2006/2007 financial year for the Ndlambe Municipality. The overall size of the budget is R121 905 700 which comprises R17 592 000 Capital budget and R104 313 700 operating budget expenditure.

#### NDLAMBE MUNICIPALITY - PORT ALFRED ADMINISTRATIVE SEAT

#### DIRECTOR FINANCIAL MANAGEMENT'S REPORT

#### INTRODUCTION

It is no secret that our town's finances has been crippled due to non payment for services. The management and control of finances proved to be a task which needs both wisdom and courage. During the budget process Council again invited all community organisation and structures to participate in discussions regarding the Capital - and Operating Budget. Various workshops were held before the operating budget of R 104 313 700 was approved.

A general valuation were implemented as from 01 July 2004 based on the valuation date of 01 January 2004. The method of the assessment of rates was changed to a single charge on land and improvements on all rateable properties. The general valuation was phased in over eighteen months. Cannon Rocks, Boknes, Kenton on Sea and Seafield were implemented form 01 July 2004 and Port Alfred, Boesmansriviermond, Bathurst and Alexandria as from 01 July 2005. All Administrative Units Valuation Court sittings have been finalized and the Ndlambe General Valuation has been approved and implemented. The Valuation Court has reduced Valuations to the amount of R40 969 750 which reduced revenue by R238 444 for the year under review. The new General Valuation under the Property Rates Act, Act 6 of 2004 will be completed and implemented from 01 July 2008.

Households that earns less that R 1 700 per month are urged to apply for a rebate which is available through a subsidy from National Government.

The Council's activities during the 2006/2007 financial year resulted in a deficit of R 304 386. The original combined estimated surplus for the year under review was R 1 400. The accumulated surplus amounts to R 114 after the necessary provisions for Bad Debts, Audit Fees and Leave Reserve were made.

#### **ASSETS AND LIABILITIES**

All assets including housing, liabilities and funds were incorporated at book value in a set of financial statements for Ndlambe Municipality.

#### **EXTERNAL AND INTERNAL LOANS**

External loans outstanding as at 30 June 2007 amount to R 30 881 469; previous year R 24 666 362 as set out in appendix B. During the financial year R 6 455 983 was received and loans totalling R 240 876 were repaid. Internal loans outstanding as at 30 June 2007 amount to R 17 349 093; previous year R 17 349 093 as set out in appendix B. During the financial year no new internal loans were raised and no internal interest and redemption entries were processed.

#### 1. OPERATING RESULTS

Details of the operating results per department, classification and object of expenditure are included in appendices D and E. The overall operating results for the year ended 30 June 2007 are as follows:

	Actual previous year	Actual current year	Variance previous/current %	Budget current year	Variance Actual / Budget %
Income Opening surplus Operating income Closing deficit	17,320,224 90,778,834	666,225 102,347,529	( 11.3)	104,315,100	1.9
	108,099,058	103,013,754		104,315,100	
Expenditure  Opening deficit Operating expenditure Sundry transfers Closing surplus	90,856,975 ( 16,575,858) 666,225	102,651,915 ( 361,725) 114	( 11.5)	104,313,700 1,400	1.6
	74,947,342	102,290,304		104,315,100	

## Rate and General Services

Surpluses generated by the Trading Services are utilized to subsidized the Rates and General Services.

	Actual previous year	Actual current year	Variance previous/current	Budget current year	Variance Actual / Budget

Number of employees appointe Number of vacancies	d					431 1
Total staff establishment						432

#### 6. INVESTMENTS AND CASH

The Council's funds were invested through its Revolving Fund in accordance with the policy determined by the Council in terms of Section 35 of the Financial Regulations for Town Council's 1983, with due regard to the directives laid down by the Minister in Circular No 19 of 1984.

The details of investments at 30 June 2007 at par or cost and cash are:

	R
Bank Building Society Insurance (Old Mutual Shares)	6,262,288 0 101,304
	6,363,592

Declarations that no commission was paid on investments made by the Municipality , have been obtained and submitted for audit purposes.

#### 7. INSURANCE

Property damaged and destroyed during the year as result of vandalism and or other causes is replaced and repaired from a insurance suspense account. The assets of the Municipality are insured through Council's Brokers Messrs. A O N Risk Services (Pty) Ltd. The insurance company is Lion of Africa Insurance.

#### 8. EXPRESSION OF APPRECIATION

I am grateful to the staff of the Finance Department for their support and assistance.

#### 9. VACANCY - CHIEF FINANCIAL OFFICER

The post of Chief Financial Officer of this municipality lay vacant for the period 2 March 2007 to 30 June 2007. Due to this vacancy, I was requested and authorised by the Accounting Officer to complete these Annual Financial Statements. I have attempted to prepare them on a basis consistent with that of prior years and, due to the various related tasks performed only by the erstwhile Chief Financial Officer, I have also attempted, to the best of my ability, to be as accurate and comprehensive as possible.

The title, layout and wording of this report, apart from this paragraph, are the same as those contained in the report which was submitted with the 2005/2006 Annual Financial Statements. The figures shown are in respect of the 2006/2007 Financial Year.

The newly appointed Chief Financial Officer commenced duties on 2 July 2007.

R. M. Gates Assistant Director: Supply Chain Management 29 August 2007

#### **ACCOUNTING POLICIES**

#### 1 Basis of Presentationtation

- 1.1 These financial statements have been prepared so as to conform to the standards laid down by the Institute of Municipal Treasurers and Accountants in its Code of Practice (1992) and Report on the Standardisation of Financial Statements of Local Authorities (4th Edition, as amended).
- 1.2 The financial statements are prepared on the historical cost basis, adjusted for capital expenditure as more fully detailed in Note Two. The accounting policies are consistent with those applied in the previous year, except if otherwise indicated.
- 1.3 The financial statements are prepared on the accrual basis :
  - Income is accrued when collectable and measurable. Certain direct Income is accrued when received, such as traffic fines and certain licences.
- Expenditure is accrued in the year it is incurred.

#### 2 Consolidation

The balance sheet includes the Rate and General services, Housing services, Trading services and the different funds, reserves and provisions. All inter departmental charges are set-off against each other, with the exception of assessment rates, refuse removal, electricity and water, which are treated as income and expenditure in the respective departments.

#### 3 Fixed Assets

- 3.1 Fixed Assets are stated at:
- historical cost, or
- valuation (based on the market price at date of acquisition), where assets have been acquired by grant or donation.

while they are in existence and fit for use, except in the case of bulk assets which are written off at the end of their estimated life as determined by the Treasurer.

#### 3.2 Depreciation

The balance shown against the heading "Loans Redeemed and Other Capital Receipts" in the notes to the balance sheet is tantamount to a provision for depreciation, however, certain structural differences do exist. By way of this "Provision" assets are written down over their estimated useful life. Apart from advances from the various council funds, assets may also be acquired through:

- Appropriations from income, where the full cost of the asset forms an immediate and direct charge against the operating income and therefore it is unnecessary to make any further provision for depreciation.
- Grant or donation, where the amount representing the value of such grant or donation is immediately credited to the "Loans Redeemed and Other Capital Receipts" account.

- 3.3 All net proceeds from the sale of fixed property are credited to the Building Fund. Net proceeds from the sale of all other assets are credited to the revolving fund.
- 3.4 Capital assets are financed from different sources, including external loans, operating income, endowments and internal advances. These loans and advances are repaid within the estimated lives of the assets acquired from such loans or advances. Interest is charged to the services concerned at the ruling interest rate applicable at the time that the advance is made. Due to the 2007 change of accounting system from Fund Accounting to that of Generally Recognised Accounting Practice (GRAP), the redemption of internal advances has been suspended with effect from the year currently under review until the 2007/2008 financial year.

#### 4 Stock

Stock is valued at the lower of cost, determined on the weighted average basis, and net realisable value.

#### 5 Funds and Reserves

#### 5.1 Revolving Fund

The Municipal Ordinance No. 20 of 1974 has been repealed and replaced by the Municipal Finance Management Act (Act 56 of 2003).

#### 5.2 Other Funds

All other funds will be reviewed during the GRAP implementation phase as the entire Fund Accounting system will fall away with effect from 1 July 2007.

#### 6 Retirement Benefits

Ndlambe Municipality and it's employees contribute to the Cape Joint Pension Fund, SALA Pension and SAMWU Provident Fund which provides retirement benefits to such employees.

The retirement benefit plan is subject to the Pensions Funds Act. 1956, with pensions being calculated on the final pensionable remuneration paid. Current contributions are charged against operating income on the basis of current service costs.

#### 7 Surpluses and Deficits

Any surpluses or deficits arising from the operation of the Electricity, Water and Housing services are transferred to Rate and and General Services.

#### 8 Treatment of Administration and other Overhead Expenses

The cost of internal support services are transferred to the different services in accordance with the Institute Report on Accounting for Support Services (June 1990).

#### 9 Leased assets

Lease finance charges are allocated to accounting periods over the duration of the leases, by the effective inerest rate method, which reflects the extent and cost of lease finance utilised in each accounting period.

All other leases are treated as operating leases and the relevant rentals are charged to the operating account in a systematic manner related to the period of use of the assets concerned.

#### 10 Investments

Investments are shown at the lower of cost or market value if a permanent decline in the value occurred, and are invested per Circular No. C/43/1993 issued by the Provincial Administration, Community Development Branch and the code of invesment practice issued by the Institute of Municipal Finance Officers.

Interest received on investments is paid into the Revolving Fund. This Fund pays interest to all funds based on 6% of the average balance of the fund for the financial year.

#### 11 Income recognition

#### 11.1 Electricity and Water Billings

All meters in industrial areas, high density residential areas and residential areas are read and billed monthly.

#### 11.2 Assessment Rates

Inconsistencies relating to the rates tariff have been eliminated with effect from the year under review due to the implementation of a General Valuation of all properties that fell under the jurisdiction of the erstwhile municipalities which were transferred to Ndlambe Municipality. The cents per Rand payable has been standardised throughout the Ndlambe Municipality's area of jurisdiction and is the same for both Land and Improvements.

		by the Provincial Administration Comm	unity Development Bran	ch, requires local authorities

Circular no 19 of 1984 issued by the Provincial Administration Community Development Branch, requires local authorities to invest funds, which are not immediately required, with prescribed institutions and the period should be such that it will not be necessary to borrow funds against the investment at a plenary rate to meet commitments.

The average rates of return were as follows: 8.33% 5.40%
