The following are the principal accounting policies of the Cape Metropolitan Transport Fund (CMTF), which are in all material aspects consistent with those applied in the previous financial year. The historical cost convention has been used, except where declared otherwise. In the process Management has not made any significant accounting judgments, estimates or assumptions and thus there has been no significant effect on the amounts recognized in the financial statements.

1.1 ADOPTION OF NEW AND REVISED STANDARDS

In the current year, the Cape Metropolitan Fund has adopted all new and revised standards and interpretations issued by the Accounting Standards Board (ASB) that are relevant to its operations and effective. Effective dates have been given for some of the standards and for others no effective dates have yet been determined. At the date of submission of these financial statements for the year ended 30 June 2011, the following standards were issued but not yet effective.

Annual period commencing on or after 1 April 2012:

- GRAP 21 Impairment of non-cash generating assets
- GRAP 23 Revenue from non-exchange transactions (taxes and transfers)
- GRAP 24 Presentation of budget information

All the above standards, where applicable, will be complied with in the financial statements once the effective date has been set. Preliminary investigations indicated that the impact of the standards on the Financial Statements will be minimal except for additional disclosure.

1.2 BASIS OF PRESENTATION

These financial statements have been prepared in accordance with the statements of Generally Recognized Accounting Practice (GRAP) issued by the Accounting Standards Board (ASB) and approved by the Minister of Finance as effective. The ASB issued a directive which sets out the principles for the application of the GRAP 3 guidelines in the determination of the GRAP Reporting Framework hierarchy as set out in the standard of GRAP 3 on Accounting Policies, Changes in Accounting Estimates and Errors. The Cash Flow Statement can only be prepared in accordance with the direct method.

The financial statements have been prepared on the historical cost basis unless otherwise stated.

Details of the CTMF's significant accounting policies are set our below and are consistent with those applied in the previous year.

CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

In the process of applying the fund's accounting policies, management has not made significant accounting judgments, estimates or assumptions and thus there has been no significant effect on the amounts recognized.

1.3 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are initially recognized on the statement of financial position when the CMTF becomes party to the contractual provisions of the instrument.

1.4 RECEIVABLES

Trade and other receivables are recognized at fair value and subsequently stated at amortised cost.

1.5 PAYABLES

Trade payables are initially measured at fair value and are subsequently measured at amortised cost, using the effective interest rate method.

1.6 **REVENUE:** Non exchange transactions and exchange transactions

Government grants and receipts are recognized as revenue and transferred to the Statement of Financial Performance in the year they are expended. To the extent that the criteria, conditions or obligations have not been met, a liability is recognized and the funds invested until utilized. Interest earned is treated in accordance with grant conditions. Interest earned on utilized conditional grants is allocated directly to the unspent conditional grant and is not recognized in the Statement of Performance. Proceeds of information sold are transferred ex City of Cape Town.

1.7 UNSPENT CONDITIONAL GRANTS
