WATERBERG DISTRICT MUNICIPALITY

AUDITED ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

I am responsible for the preparation of these annual financial statements which are set out on pages 1 to 55, in terms of Section 126(1) of the Municipal Finance Management Act and which I have signed on behalf of the municipality.

I certify that the salaries, allowances and benefits of Councilors as disclosed in note 22 of these annual financial statements are within the upper limits of the framework envisaged in Section 219 of the Constitution, read with the Remuneration of Public Office Bearers Act, the Minister of Provincial and Local Government's determination in accordance with this Act and Government Notice 1196 of Government Gazette no 33867 dated 10 December 2010.

I have complied with the disclosure requirements in terms of section 122 to 126 of the Municipal Finance Management Act, No 56 of 2003.

**MV LETSOALO
MUNICIPAL MANAGER**

REPORT OF THE AUDITOR-GENERAL TO THE LIMPOPO PROVINCIAL LEGISLATURE AND THE COUNCIL ON THE WATERBERG DISTRICT MUNICIPALITY

REPORT ON THE FINANCIAL STATEMENTS

Introduction

1. I have audited the accompanying financial statements of the Waterberg District Municipality, which comprise the statement of financial position as at 30 June 2011, and the statement of financial performance, statement of changes in net assets and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and the accounting authority's report as set out on pages XX to XX.

Accounting authority's responsibility for the financial statements

2. The accounting authority is responsible for the preparation and fair presentation of these financial statements in accordance with the South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA), and for such internal control as management determines necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error.

Auditor-General's responsibility

3. As required by section 188 of the Constitution of the Republic of South Africa, 1996 (Act No. 108 of 1996) and section 4 of the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA), my responsibility is to express an opinion on these financial statements based on my audit.
4. I conducted my audit in accordance with International Standards on Auditing and General Notice 1111 of 2010 issued in Government Gazette 33872 of 15 December 2010. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made

by management, as well as evaluating the overall presentation of the financial statements.

6. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

7. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Waterberg District Municipality as at 30 June 2011, and its financial performance and cash flows for the year then ended in accordance with the South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the MFMA.

Emphasis of matter

8. I draw attention to the matters below. My opinion is not modified in respect of these matters:

Restatement of corresponding figures

9. As disclosed in note 31 to the financial statements, the corresponding figures for 2009-10 have been restated as a result of errors discovered during 2011 in the financial statements of the Waterberg District municipality at, and for the year ended, 30 June 2010.
10. As disclosed in note 32 to the financial statements, the corresponding figures for 2009-10 have been restated as a result of a change in accounting policy during 2011 in the financial statements of the Waterberg District municipality at, and for the year ended, 30 June 2010.

Additional matter

11. I draw attention to the matter below. My opinion is not modified in respect of this matter:

Unaudited supplementary schedules

12. The supplementary information set out on pages XX to XX does not form part of the financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion thereon

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

13. In accordance with the PAA and in terms of *General notice 1111 of 2010*, issued in *Government Gazette 33872 of 15 December 2010*, I include below my findings on the annual performance report as set out on pages XX to XX and material non-compliance with laws and regulations applicable to the entity.

Predetermined objectives

14. There were no material findings on the annual performance report.

Compliance with laws and regulations

15. There were no findings concerning material non-compliance with laws and regulations applicable to the municipality.

INTERNAL CONTROL

16. In accordance with the PAA and in terms of *General notice 1111 of 2010*, issued in *Government Gazette 33872 of 15 December 2010*, we considered internal control relevant to our audit, but not for the purpose of expressing an opinion on the effectiveness of internal control. There are no significant deficiencies in internal control that resulted in a qualification of the auditor's opinion on the financial statements, findings on predetermined objectives and material non-compliance with laws and regulations.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

1. BASIS OF ACCOUNTING

1.1 BASIS OF PRESENTATION

The annual financial statements have been prepared on an accrual basis of accounting and are in accordance with historical cost convention, but some components are measured at fair value as indicated in subsequent accounting policy notes.

The financial statements have been prepared in accordance with Standards of Generally Recognised Accounting Practices (GRAP) prescribed by the Minister of Finance in terms of:

- *Government Notice 991 of 2005, issued in Government Gazette no. 28095 of 15 December 2005;*
- *Government Notice 992 of 2005, issued in Government Gazette no. 28095 of 15 December 2005; and*
- *Government Notice 516 of 2008, issued in Government Gazette no. 31021 of 9 May 2008.*
- *Government Notice 80 of 2011, issued in Government Gazette no. 33991 of 2 February 2011.*

The effective standards comprise of the following:

GRAP 1	Presentation of Financial Statements
GRAP 2	Cash Flow Statements
GRAP 3	Accounting Policies, Changes in Accounting Estimates and Errors
GRAP 4	The Effects of Changes in Foreign Exchange Rates
GRAP 5	Borrowing Costs
GRAP 6	Consolidated and Separate Financial Statements
GRAP 7	Investments in Associates
GRAP 8	Interests in Joint Ventures
GRAP 9	Revenue from Exchange Transactions
GRAP 10	Financial Reporting in Hyperinflationary Economies
GRAP 11	Construction Contracts
GRAP 12	Inventories
GRAP 13	Leases
GRAP 14	Events After the Reporting Date
GRAP 16	Investment Property
GRAP 17	Property, Plant and Equipment
GRAP 19	Provisions, Contingent Liabilities and Contingent Assets
GRAP 100	Non-current Assets Held for Sale and Discontinued Operations
GRAP 101	Agriculture
GRAP 102	Intangible Assets

Directives and Guidelines form part of the GRAP Reporting Framework. The ASB Directives and Guidelines applicable to Waterberg District Municipality comprise the following:

Directive 1	Repeal of Existing Transitional Provisions in, and Consequential Amendments to, Standards of GRAP
Directive 4	Transitional Provisions for the Adoption of Standards of GRAP by Medium and Low Capacity Municipalities
Directive 5	Determining the GRAP Reporting Framework
Directive 7	The Application of Deemed Cost on the Adoption of the Standards of GRAP

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

1. BASIS OF ACCOUNTING (continued)

1.1 BASIS OF PRESENTATION (continued)

Effective accrual based IPSASs considering the provisions in paragraphs 16 to 19 of Directive 5 applicable to Waterberg District Municipality comprise the following:

IPSAS 20	Related Party Disclosures
IPSAS 21	Impairment of Non-cash generating assets

Effective IFRSs and IFRICs that are applied considering the provisions in paragraphs 21 to 27 of Directive 5 applicable to Waterberg District Municipality comprise the following:

IFRS 7	Financial Instruments: Disclosures
IAS 19	Employee Benefits
IAS 32	Financial Instruments: Presentation
IAS 36	Impairment of Assets
IAS 39	Financial Instruments: Recognition and Measurement
IFRIC 4	Determining whether an Arrangement contains a Lease

Accounting policies for material transactions, events or conditions not covered by the above GRAP Standards have been developed in accordance with section 29 of ASB Directive 5 and paragraph 12 of GRAP 3.

GAMAP 9 Revenue Section 29 to 54 pertaining to revenue from rates, fines, government grants, other grants, donations received and levies are not yet withdrawn as GRAP 9 only applies to exchange revenue and GRAP 23 Revenue from non-exchange transactions is not yet effective.

The principal accounting policies adopted in the preparation of these annual financial statements are set out below.

The accounting policies applied are consistent with those used in the previous financial year, unless explicitly stated.

Assets, liabilities, revenues and expenses have not been offset except when offsetting is required or permitted by a Standard of GRAP.

1.2 STANDARDS AND INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE

The following GRAP standards have been issued but are not yet effective, but may be used in developing an accounting policy:

These standards are effective for financial years commencing on or after 1 April 2012 as published in *Government Notice 80 of 2011*, issued in *Government Gazette* no. 33991 of 2 February 2011.

GRAP 21	Impairment of non-cash-generating assets
GRAP 23	Revenue from non-exchange transactions
GRAP 24	Presentation of Budget Information in Financial Statements
GRAP 26	Impairment of cash-generating assets
GRAP 103	Heritage Assets

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

1. BASIS OF ACCOUNTING (continued)

1.2 STANDARDS AND INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE (continued)

Effective dates for the following standards have not yet been determined:

GRAP 20	Related Party Disclosures
GRAP 25	Employee Benefits
GRAP 104	Financial Instruments
GRAP 105	Transfer of functions between entities under common control
GRAP 106	Transfer of functions between entities not under common control
GRAP 107	Mergers

Approved Standards of GRAP that entities are not required to apply:

GRAP 18	Segment Reporting
---------	-------------------

The impact of GRAP standards issued but not yet effective on the financial statements of Waterberg District Municipality in the future are as follows:

- GRAP 18 - This does not deal with the accounting treatment of any particular transaction of events but merely with the re-arrangement of information already presented and disclosed. The impact on the municipality's financial statements would be minimal.
- GRAP 20 - Councillors and Board Members will be disclosed as related parties and normal supplier and/or client/recipient relationships at arm's length and within normal operating parameters will not have to be separately disclosed.
- GRAP 21 - Assessment at every reporting date whether there are indicators that any assets have been impaired, the measurement of impairment losses and reversal of impairment losses. The impact would be minimal as impairment testing is already being performed.
- GRAP 23 - The method of recognition and measurement of revenue from non-exchange transactions, specifically taxes and transfers. The municipality does not have taxes and the accounting policy for the disclosure and measurement of transfers implemented currently by the municipality already adheres to these requirements:
- Revenue is recognized to the extent that conditions have been met;
 - A liability is recognized to the extent that the present conditions have not yet been met.
 - An asset acquired through a non-exchange transaction is initially measured at its fair value as at the date of acquisition.
- GRAP 24 - A comparison of budget and actual amounts as additional budget columns in the primary financial statements and a disclosure note on the explanations of changes between the approved and final budget is required. The impact on the municipality's financial statements would be minimal.
- GRAP 25 - The Standard on Employee Benefits will have no material impact on the financial statements of the municipality as the municipality is adhering to IAS 19 and there is no material change from IAS19 to GRAP25 that is affecting this municipality.
- GRAP 26 - Assessment at every reporting date whether there are indicators that any assets have been impaired, the measurement of impairment losses and reversal of impairment losses. This Standard will be applicable to the Abattoir assets and the impact of this Standard would be minimal at this stage as the abattoir is currently undergoing an upgrade.
- GRAP 103 - This Standard will have no impact on the municipality as the municipality currently has no heritage assets.
- GRAP 104 - The Standard on financial instruments will have no material impact on the financial statements of the municipality as the municipality is adhering to IAS32 and IAS39 and the changes from IAS32 and IAS39 to GRAP104 is not applicable to this municipality.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

1. BASIS OF ACCOUNTING *(continued)*

1.2 STANDARDS AND INTERPRETATIONS ISSUED BUT NOT YET EFFECTIVE *(continued)*

GRAP 105– The Standard will have no material impact on the financial statements of the municipality as the municipality does not have functions transferred between entities under common control.

GRAP 106 – The Standard will have no material impact on the financial statements of the municipality as the municipality does not have functions transferred between entities under common control.

GRAP 107 – The Standard will have no material impact on the financial statements of the municipality as the municipality has no mergers.

The municipality shall apply these Standards of GRAP for annual financial statements covering periods beginning on or after a date to be determined by the Minister of Finance in a regulation to be published in accordance with section 91(1) (b) of the Public Finance Management Act, Act No. 1 of 1999, as amended.

1.3 PRESENTATION CURRENCY

These annual financial statements are presented in South African Rand, which is the functional currency of the municipality.

1.4 GOING CONCERN ASSUMPTION

These annual financial statements have been prepared on the assumption that the municipality will continue to operate as a going concern for at least the next 12 months.

1.5 COMPARATIVE INFORMATION

Budget information in accordance with GRAP 1 and 24, has been provided in an annexure to these financial statements and forms part of the annual financial statements. Budgeted amounts have been included in the annual financial statements for the current financial year only.

When the presentation or classification of items in the annual financial statements is amended, prior period comparative amounts are restated. The nature and reason for the reclassification is disclosed. Where accounting errors have been identified in the current year, the correction is made retrospectively as far as is practicable, and the prior year comparatives are restated accordingly. Where there has been a change in accounting policy in the current year, the adjustment is made retrospectively as far as is practicable, and the prior year comparatives are restated accordingly.

2 RESERVES

As GRAP 9 does not require that the below reserves be disclosed separately on the Statement of Financial Position, they are disclosed as part of Accumulated Surplus And Other Reserves, but are disclosed separately on the Statements of Changes in Net Assets and note 28.

2.1 Government Grant Reserve

When items of property, plant and equipment are financed from government grants, a transfer is made from the accumulated surplus/(deficit) to the Government Grants Reserve equal to the Government Grant recorded as revenue in the Statement of Financial Performance. When such items of property, plant and equipment are depreciated, a transfer is made from the Government Grant Reserve to the accumulated surplus / (deficit).

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

2 RESERVES *(continued)*

2.1 Government Grant Reserve *(continued)*

The purpose of this policy is to promote community equity by ensuring that the future depreciation expenses that will be incurred over the useful lives of government grant funded items of property, plant and equipment are offset from this reserve to the accumulated surplus/ (deficit).

When an item of property, plant and equipment financed from government grants is disposed, the balance in the Government Grant Reserve relating to such item is transferred to the accumulated surplus / (deficit).

2.2 Donation and Public Contributions Reserve

When items of property, plant and equipment are financed from public contributions and donations, a transfer is made from the accumulated surplus/(deficit) to the Donation and Public Contributions Reserve equal to the donations and public contributions recorded as revenue in the Statement of Financial Performance. When such items of property, plant and equipment are depreciated, a transfer is made from the Donations and Public Contributions Reserve to the accumulated surplus / (deficit). The purpose of this policy is to promote community equity and facilitate budgetary control by ensuring that sufficient funds are set aside to offset the depreciation charges that will be incurred over the estimated useful life of the item of property, plant and equipment financed from donations and public contributions.

When an item of property, plant and equipment, financed from Donations and Public Contributions is disposed, the balance in the Donations and Public Contributions Reserve relating to such item is transferred to the accumulated surplus / (deficit).

3 PROPERTY, PLANT AND EQUIPMENT

3.1 Initial recognition

Property, plant and equipment are tangible non-current assets that are held for use in the production or supply of goods or services, rental to others, or for administrative purposes, and are expected to be used during more than one year. Items of property, plant and equipment are initially recognised as assets on acquisition date and are initially recorded at cost. The cost of an item of property, plant and equipment is the purchase price and other costs attributable to bring the asset to the location and condition necessary for it to be capable of operating in the manner intended by the municipality. Trade discounts and rebates are deducted in arriving at the cost.

Where an asset is acquired by the municipality for no or nominal consideration (i.e. a non-exchange transaction), the cost is deemed to be equal to the fair value of that asset on the date acquired.

Where an item of property, plant and equipment is acquired in exchange for a non-monetary asset or monetary assets or a combination of monetary and non-monetary assets, the asset acquired is initially measured at fair value (the cost). If the acquired item's fair value was not determinable, its deemed cost is the carrying amount of the asset(s) given up.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

3 PROPERTY, PLANT AND EQUIPMENT (continued)

3.2 Subsequent measurement – cost model

Subsequent to initial recognition, items of property, plant and equipment are measured at cost less accumulated depreciation and impairment. Land and artwork are not depreciated as it is deemed to have an indefinite useful life.

Subsequent expenditure is capitalised when it increases the capacity of future economic benefits associated with the asset.

Where the municipality replaces parts of an asset, it derecognizes the part of the asset being replaced and capitalizes the new component. Subsequent expenditure incurred on an asset is capitalized when it increases the capacity or future economic benefits associated with the asset.

3.3 Depreciation and impairment

Depreciation is calculated on cost minus the residual value, using the straight-line method, over the estimated useful lives of the assets. The annual depreciation rates are based on the following estimated asset lives:

	<u>Years</u>
Bins and Containers	7
Buildings and Facilities	7 to 30
Computer Equipment	5 to 10
Emergency Equipment	5
Furniture and Fittings	7 to 15
Motor Vehicles	7 to 10
Office Equipment	5 to 10
Plant and Equipment	4 to 10
Specialized vehicles	10

The municipality has taken advantage of the transitional provisions provided in GRAP 17 Property, Plant and Equipment whereby in terms of Section 77 of Directive 4 municipalities are not required to measure property, plant and equipment for reporting periods beginning on or after a date within three years following the date of initial adoption of the Standard of GRAP on Property, Plant and Equipment. GRAP 17 was initially adopted on 1 July 2008. This exemption was utilized up to the 09/10 financial statements, but the exemptions have been implemented retrospectively on 1 July 2010. The balance on the financial statements which is affected by this transitional provision is Property, Plant and Equipment and Reserves.

Residual values and estimated remaining useful lives have thus been implemented retrospectively in the current financial year. The municipality has also accounted for the impairment of assets in terms of GRAP21, GRAP26 and IAS36 Impairment of cash-generating and non-cash-generating assets. Assets have also been tested for impairment. Residual values and remaining useful lives will be reviewed annually and implemented prospectively henceforth.

3.4 Derecognition

Items of Property, plant and equipment are derecognised when the asset is disposed of or when there are no further economic benefits or service potential expected from the use of the asset. The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying value/residual value and is recognised in the Statement of Financial Performance.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

4 INTANGIBLE ASSETS

4.1 Initial recognition

An intangible asset is an identifiable non-monetary asset without physical substance. Examples include computer software, licenses, and development costs. The municipality recognises an intangible asset in its Statement of Financial Position only when it is probable that the expected future economic benefits or service potential that are attributable to the asset will flow to the municipality and the cost or fair value of the asset can be measured reliably.

Internally generated intangible assets are subject to strict recognition criteria before they are capitalized. Research expenditure is never capitalized, while development expenditure is only capitalized to the extent that:

- the municipality intends to complete the intangible asset for use or sale;
- it is technically feasible to complete the intangible asset;
- the municipality has the resources to complete the project; and
- it is probable that the municipality will receive future economic benefits or service potential.

Intangible assets are initially recognised at cost.

Where an intangible asset is acquired by the municipality for no or nominal consideration (i.e. a non-exchange transaction), the cost is deemed to be equal to the fair value of that asset on the date acquired.

Where an intangible asset is acquired in exchange for a non-monetary asset of monetary assets or a combination of monetary and non-monetary assets, the asset acquired is initially measured at fair value (the cost). If the acquired item's fair value was not determinable, its deemed cost is the carrying amount of the asset(s) given up.

4.2 Subsequent measurement – cost model

Intangible assets are subsequently carried at cost less accumulated amortisation and impairments. The cost of an intangible asset is amortised over the useful life where that useful life is finite. Where the useful life is indefinite, the asset is not amortised but is subject to an annual impairment test.

4.3 Amortisation

Amortisation is charged so as to write off the cost or valuation minus residual value of intangible assets over their estimated useful lives using the straight line method. The annual amortisation rates are based on the following estimated average asset lives:

	<u>Years</u>
Computer software	3 to 25 years depending on the individual review of each asset's useful life

The residual values, amortization period and the amortization method for intangible assets with a finite useful life are reviewed at each reporting date and any changes are recognized as a change in accounting estimate in the Statement of Financial Performance.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

4 INTANGIBLE ASSETS *(continued)*

4.3 Amortization *(continued)*

The municipality test intangible assets with finite useful lives for impairment where there is an indication that an asset may be impaired. An assessment of whether there is an indication of possible impairment is done annually. Where the carrying amount of an item of intangible assets is greater than the estimated recoverable amount (or recoverable service amount), it is written down to its recoverable amount (or recoverable service amount) and an impairment loss is charged to the Statement of Financial Performance.

4.4 Derecognition

Intangible assets are derecognised when the asset is disposed of or when there are no further economic benefits or service potential expected from the use of the asset. The gain or loss arising on the disposal or retirement of an intangible asset is determined as the difference between the sales proceeds and the carrying value/residual value and is recognised in the Statement of Financial Performance.

5 NON-CURRENT ASSETS HELD FOR SALE

5.1 Initial recognition

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset (or disposal group) is available for immediate sale in its present condition. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

5.2 Subsequent measurement

Non-current assets held for sale (or disposal group) are measured at the lower of carrying amount and fair value less costs to sell.

A non-current asset is not depreciated (or amortised) while it is classified as held for sale, or while it is part of a disposal group classified as held for sale.

The municipality has taken advantage of the transitional provisions provided in GRAP 100 Non-Current Assets Held for Sale whereby in terms of Section 45 of GRAP 100 provisions of the standard was applied prospectively. The balance on the financial statements which is affected by the transitional provision is Non-Current Assets Held for Sale.

6 INVENTORY

6.1 Initial recognition

Inventories comprise current assets held for consumption during the ordinary course of business. Inventories are initially recognised at cost. Cost generally refers to the purchase price, plus taxes, transport costs and any other costs in bringing the inventories to their current location and condition.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

6 INVENTORY (continued)

6.2 Subsequent measurement

Inventories, consisting of consumables are valued at the lower of cost and net realisable value. Redundant and slow-moving inventories are identified and written down in this way. Differences arising on the valuation of inventory are recognised in the Statement of Financial Performance in the year in which they arose. The amount of any reversal of any write-down of inventories arising from an increase in net realisable value or current replacement cost is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

The carrying amount of inventories is recognised as an expense in the period that the inventory was sold, distributed, written off or consumed, unless that cost qualifies for capitalisation to the cost of another asset.

7 FINANCIAL INSTRUMENTS

7.1 Initial recognition

Financial instruments are initially recognized at fair value.

7.2 Subsequent measurement

Financial Assets are categorised according to their nature as either financial assets at fair value through profit or loss, held-to maturity, loans and receivables, or available for sale. Financial liabilities are categorised as either at fair value through profit or loss or financial liabilities carried at amortised cost ("other"). The subsequent measurement of financial assets and liabilities depends on this categorisation and is in accordance with GRAP 104, IAS 36, IAS39 and IFRS7.

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and a fixed maturity that the municipality has the positive intention and ability to hold to maturity. The investments are disclosed as Held-to-maturity investments which are subsequently measured at amortised cost.

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than 12 months after the balance sheet date. These are classified as non-current assets.

Amortised cost is calculated using the effective interest method.

7.3 Investments

Investments, which include fixed deposits and short-term deposits invested in registered commercial banks, are categorised as either held-to-maturity where the criteria for that categorisation are met, or as loans and receivables, and are measured at amortised cost. Where investments have been impaired, the carrying value is adjusted by the impairment loss, which is recognised as an expense in the period that the impairment is identified. Impairments are calculated as being the difference between the carrying amount and the present value of the expected future cash flows flowing from the instrument. On disposal of an investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Financial Performance.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

7 FINANCIAL INSTRUMENTS (continued)

7.4 Trade and other receivables

Trade and other receivables are categorised as financial assets: loans and receivables and are initially recognised at fair value and subsequently carried at amortised cost. Amortised cost refers to the initial carrying amount, plus interest, less repayments and impairments. An estimate is made for doubtful receivables based on a review of all outstanding amounts at year-end. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments (more than 30 days overdue) are considered indicators that the trade receivable is impaired. Impairments are determined by discounting expected future cash flows to their present value. Amounts that are receivable within 12 months from the reporting date are classified as current. The carrying amount of trade and other receivables is a reasonable approximation of fair value.

An impairment of trade receivables is accounted for by reducing the carrying amount of trade receivables through the use of an allowance account, and the amount of the loss is recognised in the Statement of Financial Performance within operating expenses. When a trade receivable is uncollectible, it is written off. Subsequent recoveries of amounts previously written off are credited against operating expenses in the Statement of Financial Performance.

7.5 Trade and payables

Financial liabilities consist of trade and other payables. They are categorised as financial liabilities held at amortised cost, are initially recognised at fair value and subsequently measured at amortised cost which is the initial carrying amount, less repayments, plus interest. Amounts that are payable within 12 months from the reporting date are classified as current. The carrying amount of trade and other payables is a reasonable approximation of fair value.

7.6 Cash and cash equivalents

Cash includes cash on hand (including petty cash) and cash with banks (including call deposits). Cash equivalents are short-term highly liquid investments, readily convertible into known amounts of cash that are held with registered banking institutions with maturities of three months or less and are subject to an insignificant risk of change in value. For the purposes of the cash flow statement, cash and cash equivalents comprise cash on hand, deposits held on call with banks, net of bank overdrafts. The municipality categorises cash and cash equivalents as financial assets: loans and receivables.

8 PROVISIONS

Provisions are recognised when the municipality has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the provision can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

The municipality does not recognise a contingent liability or contingent asset. A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefits is remote. A contingent asset is disclosed where an inflow of economic benefits is probable.

Future events that may affect the amount required to settle an obligation are reflected in the amount of a provision where there is sufficient objective evidence that they will occur. Gains from the expected disposal of assets are not taken into account in measuring a provision. Provisions are not recognised for future operating losses. The present obligation under an onerous contract is recognised and measured as a provision.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

9 LEASES

9.1 Municipality as lessee

Leases are classified as finance leases where substantially all the risks and rewards associated with ownership of an asset are transferred to the municipality. Property, plant and equipment or intangible assets subject to finance lease agreements are initially recognised at the lower of the asset's fair value and the present value of the minimum lease payments. The corresponding liabilities are initially recognised at the inception of the lease and are measured as the sum of the minimum lease payments due in terms of the lease agreement, discounted for the effect of interest. In discounting the lease payments, the municipality uses the interest rate that exactly discounts the lease payments and unguaranteed residual value to the fair value of the asset plus any direct costs incurred.

Operating leases are those leases that do not fall within the scope of the above definition. Operating lease rentals are accrued on a straight-line basis over the term of the relevant lease. The average payments over the period of the lease are expensed and any difference between the average and actual payment is disclosed as a debtor or creditor in the Statement of Financial Position.

Contingent rentals are not straight-lined or included in the projected future minimum operating lease expenses / receipts in the note to the financial statements.

9.2 Municipality as lessor

Under a finance lease, the municipality recognises the lease payments to be received in terms of a lease agreement as an asset (receivable). The receivable is calculated as the sum of all the minimum lease payments to be received, plus any unguaranteed residual accruing to the municipality, discounted at the interest rate implicit in the lease. The receivable is reduced by the capital portion of the lease installments received, with the interest portion being recognised as interest revenue on a time proportionate basis. The accounting policies relating to derecognition and impairment of financial instruments are applied to lease receivables.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease.

10 REVENUE

10.1 Revenue from exchange transactions

Revenue from exchange transactions is recognized at fair value and refers to revenue that accrued to the municipality directly in return for services rendered / goods sold, the value of which approximates the consideration received or receivable.

Interest is recognised on a time proportion basis, using the effective interest method.

Revenue from the rental of facilities and equipment is recognised on a straight-line basis over the term of the lease agreement.

Revenue arising from the application of the approved tariff charges is recognised when the relevant service is rendered by applying the relevant gazetted tariff.

Revenue from the sale of goods is recognised when substantially all the risks and rewards in those goods are passed to the consumer.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

10 REVENUE *(continued)*

10.1 Revenue from exchange transactions *(continued)*

Revenue arising out of situations where the municipality acts as an agent on behalf of another entity (the principal) is limited to the amount of any fee or commission payable to the municipality as compensation for executing the agreed services.

10.2 Revenue from non-exchange transactions

Revenue from non-exchange transactions refers to transactions where the municipality received revenue from another entity without directly giving approximately equal value in exchange. Revenue from non-exchange transactions is generally recognised to the extent that the related receipt or receivable qualifies for recognition as an asset and there is no liability to repay the amount.

Revenue from public contributions and donations is recognised when all conditions associated with the contribution have been met or where the contribution is to finance property, plant and equipment, when such items of property, plant and equipment qualifies for recognition and first becomes available for use by the municipality.

Where public contributions have been received but the municipality has not met the related conditions, a deferred income (liability) is recognised.

Contributed property, plant and equipment is recognised when such items of property, plant and equipment qualifies for recognition and become available for use by the municipality. Contributed property, plant and equipment are recognized at fair value.

Revenue from the recovery of unauthorised, irregular, fruitless and wasteful expenditure is based on legislated procedures, including those set out in the Municipal Finance Management Act (Act No.56 of 2003) and is recognised when the recovery thereof from the responsible councilors or officials is virtually certain.

10.3 Grants, transfers and donations

GRAP 9 Revenue from Exchange Transactions only applies to exchange revenue. Therefore, the provision of GAMAP 9 Revenue Section 42 to 49 still applies pertaining to revenue from grants and donations received.

Grants, transfers and donations received or receivable are recognised when the resources that have been transferred meet the criteria for recognition as an asset. A corresponding liability is raised to the extent that the grant, transfer or donation is conditional. The liability is transferred to revenue as and when the conditions attached to the grant are met, to the extent that the Municipality has complied with any of the criteria, conditions or obligations embodied in the agreement. Grants without any conditions attached are recognised as revenue when the asset is recognised.

Unutilised conditional grants are reflected in the Statement of Financial Position as a current liability and are always cash backed.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

11 UNAUTHORISED EXPENDITURE

Unauthorised expenditure is expenditure that has not been budgeted, expenditure that is not in terms of the conditions of an allocation received from another sphere of government, municipality or organ of state and expenditure in the form of a grant that is not permitted in terms of the Municipal Finance Management Act (Act No.56 of 2003). Unauthorised expenditure is accounted for as an expense in the Statement of Financial Performance and where recovered, it is subsequently accounted for as revenue in the Statement of Financial Performance.

12 IRREGULAR EXPENDITURE

Irregular expenditure is expenditure that is contrary to the Municipal Finance Management Act (Act No.56 of 2003), the Municipal Systems Act (Act No.32 of 2000), and the Public Office Bearers Act (Act No. 20 of 1998) or is in contravention of the Municipality's supply chain management policy. Irregular expenditure excludes unauthorised expenditure. Irregular expenditure is accounted for as expenditure in the Statement of Financial Performance and where recovered, it is subsequently accounted for as revenue in the Statement of Financial Performance.

13 FRUITLESS AND WASTEFUL EXPENDITURE

Fruitless and wasteful expenditure is expenditure that was made in vain and would have been avoided had reasonable care been exercised. Fruitless and wasteful expenditure is accounted for as expenditure in the Statement of Financial Performance and where recovered, it is subsequently accounted for as revenue in the Statement of Financial Performance.

14 EMPLOYEE BENEFITS

14.1 Provision for employee benefits

Provision is made in the financial statements for all employee benefits.

Liabilities for wages and salaries, including non-monetary benefits, bonuses and annual leave obliged to be settled within 12 months of the reporting date, are recognized in other payables or provision for employee benefits in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled. Liabilities for non-accumulating sick leave are recognized when the leave is taken and measured at the rates paid or payable.

The liability for long service leave for which settlement can be deferred beyond 12 months from the reporting date is recognized in the non-current liability for employee benefits and measured as the present value of expected future payment to be made in respect of services provided by employees up to the reporting date. Consideration is given to the expected future wage and salary levels, experience of employee departures and period of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms of maturity and currency that match, as closely as possible, the estimated future cash outflows.

14.2 Pensions and other post-retirement benefits

The municipality provides retirement benefits for its employees and councilors. The municipality has accounted for the defined contribution plan in terms of IAS19 and GRAP25 Employee Benefits. A defined contribution plan is a pension plan under which the municipality pays fixed contributions into a separate entity.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

14 EMPLOYEE BENEFITS *(continued)*

14.2 Pensions and other post-retirement benefits *(continued)*

For defined contribution plans, the municipality pays contributions on a mandatory, contractual or voluntary basis. The municipality has no further payment obligations once the contributions have been paid. Accordingly, the Municipality recognises the contributions to the scheme as an expense when the employees and councilors have rendered the employment service or served office entitling them to the contributions.

The municipality also provides post-retirement medical benefits to qualifying retirees. They are recognized in accordance with IAS 19 and GRAP25 on defined benefit plans.

The cost of providing health care is charged to the income statement so as to recognize current and past service costs, interest cost on defined benefit obligations, and the effect of any curtailments of settlements, net of expected returns on plan assets. Actuarial gains and losses are recognized in full directly in the statement of financial performance. Additional benefits are expensed as past service cost in the period in which the benefit is granted to the extent that it is not covered by a surplus to contributions funded by the municipality. The municipality has no plan assets. A liability is consequently recognized in the statement of financial position based on the present value of defined benefit obligations, less any unrecognized past service costs.

Municipalities were previously exempted from IAS19 defined benefit accounting as far as it relates to defined benefit plans in terms of the exemptions of Government Gazette no. 30013 of 29 June 2007. The exemption no longer applies since the 08/09 financial year and the change in accounting policy was implemented retrospectively in 08/09.

15 IMPAIRMENT OF ASSETS

The municipality assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the municipality estimates the recoverable service amount of the asset.

Irrespective of whether there is any indication of impairment, the municipality also tests intangible assets with an indefinite useful life or intangible assets not yet available for use for impairment annually by comparing its carrying amount with its recoverable amount. This impairment test is performed during the annual period and at the same time every period.

If there is any indication that an asset may be impaired, the recoverable service amount is estimated for the individual asset. If it is not possible to estimate the recoverable service amount of the individual asset, the recoverable service amount of the cash-generating unit to which the asset belongs is determined.

The recoverable service amount of an asset or a cash-generating unit is the higher of its fair value less costs to sell and its value in use.

If the recoverable service amount of an asset is less than its carrying amount, the carrying amount of the asset is reduced to its recoverable service amount. That reduction is an impairment loss.

An impairment loss of assets carried at cost less any accumulated depreciation or amortisation is recognised immediately in surplus or deficit.

**WATERBERG DISTRICT MUNICIPALITY
ACCOUNTING POLICIES OF THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR
ENDED 30 JUNE 2011**

15 IMPAIRMENT OF ASSETS

An impairment loss is recognised for cash-generating units if the recoverable service amount of the unit is less than the carrying amount of the unit. The impairment loss is allocated to reduce the carrying amount of the assets of the unit to the assets of the unit, pro rata on the basis of the carrying amount of each asset in the unit.

A municipality assesses at each reporting date whether there is any indication that an impairment loss recognised in prior periods for assets may no longer exist or may have decreased. If any such indication exists, the recoverable service amounts of those assets are estimated.

The increased carrying amount of an asset attributable to a reversal of an impairment loss does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior periods.

A reversal of an impairment loss of assets carried at cost less accumulated depreciation or amortisation is recognised immediately in surplus or deficit.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

	2011 R	2010 R
13 PROVISIONS		
Performance bonus	-	179 830
	<u>-</u>	<u>179 830</u>

Performance bonuses are paid one year in arrears when the municipality has a present obligation as a result of a past event which is the services rendered and it is probable that an outflow of economic resources will be required to settle the obligation and a reliable estimate of the amount can be made. As the assessment of eligible employees has not taken place at the reporting date, the amount of the performance bonus has not yet been confirmed.

The movement is reconciled as follows:

Balance at beginning of year	179 830	172 254
Contributions/(reversals) to provision	(62 693)	179 830
Expenditure incurred	(117 137)	(172 254)
Balance at year end	<u>-</u>	<u>179 830</u>

The assumptions and basis of calculation was done in terms of the requirements of the Municipal Performance Regulations for Municipal Managers and Managers directly accountable to Municipal Manager, 2006. Provision for Performance bonuses are calculated as per the performance agreements & brackets indicated in Section 32(2) of the above Performance Regulations. The maximum exposure was calculated based on the final score of each individual manager at year end and in which bracket those scores fall.

WATERBERG DISTRICT MUNICIPALITY

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

15 RETIREMENT HEALTH CARE LIABILITY

The municipality contributes to a number of defined contribution schemes for pension of all permanent employees and councillors. The funds are governed by the Pension Funds Act of 1956.

The following are defined contributions plans:

- Samwu Provident Fund
- National Fund for Municipal Workers
- Municipal Gratuity Fund
- Municipal Employee Fund
- Joint Municipal Pension Fund
- Municipal Councillors Pension Fund
- Government Employee Pension Fund
- National Fund for Municipal Workers

The municipality also provides certain post-retirement medical benefits to qualifying pensioners. All post-retirement medical benefits are unfunded.

The following are defined benefit plans:

- LA Health
- Discovery Health
- Bonitas Medical Fund
- Key Health Medical Scheme
- Hosmed

In accordance with prevailing legislation, the defined benefit funds are actuarially valued at intervals of not more than two years. The Projected Unit Credit valuation method is used. The latest actuarial valuation was performed on 30 June 2011.

The first actuarial valuation of post-retirement medical benefits was completed on 30 June 2009. Previously, the municipality was exempted from the IAS 19 accounting for defined benefit plans in terms of the Government Gazette 30013 issued 29 June 2007.

The municipality has no legal obligation to settle this liability with any immediate contributions or additional once-off contributions. The municipality intends to continue to contribute to each defined benefit post-retirement medical scheme in accordance with the latest recommendations of the actuary to each scheme.

The accumulated defined benefit obligation in respect of the post-retirement medical contributions are provided, based on calculations of independent actuaries, using methods and assumptions consistent with IAS 19 as follows:

	2011 R	2010 R
Movement in the employee health-care benefit liability:		
Liability as at 1 July	9 703 879	9 631 664
Benefits paid	(644 430)	(632 057)
Plan participants contributions	230 875	234 590
Current service cost	423 963	405 391
Interest	876 978	865 857
Actuarial losses / (gains) recognised in Statement of Financial Performance	<u>1 700 981</u>	<u>(801 566)</u>
Unfunded accrued liability as at 30 June	<u>12 292 246</u>	<u>9 703 879</u>
Current portion of liability as at 30 June	<u>1 186 475</u>	<u>913 953</u>
Non-current portion of liability as at 30 June	<u>11 105 771</u>	<u>8 789 926</u>

WATERBERG DISTRICT MUNICIPALITY

16 LONG SERVICE AWARDS LIABILITY

The municipality provides long-service awards to its permanent employees.

The benefit of long-service award is provided in the form of annual leave and a gift to a certain monetary value.

In accordance with prevailing legislation, the provision is actuarially valued at intervals of not more than two years. The Projected Unit Credit valuation method is used. The latest actuarial valuation was performed on 30 June 2011.

The first actuarial valuation of long-service awards was completed on 30 June 2009. Previously, the municipality was exempted from the IAS 19 accounting for defined benefit plans in terms of the Government Gazette 30013 issued 29 June 2007.

The municipality has no legal obligation to settle this liability with any immediate contributions or additional once-off contributions.

The accumulated defined benefit obligation in respect of the long-service awards are provided, based on calculations of independent actuaries, using methods and assumptions consistent with IAS 19 as follows:

	2011 R	2010 R

WATERBERG DISTRICT MUNICIPALITY

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

31 CORRECTION OF PRIOR PERIOD ERRORS

31.1 Inclusion of store room building in asset register

During the current year the municipality discovered that the store room building was never captured in the asset register. According to the transitional provisions of GAMAP 17 Property, Plant and Equipment any asset that was donated or received at nominal amount should be included in the Statement of Financial Performance at a cost amounting to its fair value. The fair value cost price of the land was included in the asset register, but not the fair value cost price of the building. The transitional provisions of GRAP 17 is consistent with that of GAMAP 17. The fair value was determined on 28 November 2005.

The comparative amounts for 2010 have been restated.

The effect on the 2009 and 2010 balances are as follows:

	Corrected R	Adjustment R	Previous R
As at 1 July 2009			
Property, Plant & Equipment - Cost	38 074 044	120 000	37 954 044
Property, Plant & Equipment - Accumulated Depreciation	(8 856 723)	(14 333)	(8 842 390)
Accumulated Surplus	(116 756 108)	(105 667)	(116 650 441)

This is the amount of the adjustment related to period prior to 1 July 2009.

Statement of Financial Performance 2010

Depreciation	2 650 379	4 000	2 646 379
--------------	-----------	-------	-----------

Statement of Financial Position 2010

Property, Plant and Equipment - Accumulated Depreciation	(10 383 679)	(4 000)	(10 379 679)
--	--------------	----------	--------------

31.2 Inclusion of laptop in asset register at cost

During the current year the municipality discovered that one of the laptops was never captured in the asset register. The laptop was purchased on 29 May 2009 at a cost of R 13,333.60. This is now captured as asset number 050474. This laptop was procured and expensed in Project Expenditure 15174.

The comparative amounts for 2010 have been restated.

The effect on the 2009 and 2010 balances are as follows:

	Corrected R	Adjustment R	Previous R
As at 1 July 2009			
Property, Plant & Equipment - Cost	38 087 378	13 334	38 074 044
Property, Plant & Equipment - Accumulated Depreciation	(8 856 946)	(222)	(8 856 723)
Accumulated Surplus	(116 769 219)	(13 111)	(116 756 108)

This is the amount of the adjustment related to period prior to 1 July 2009.

WATERBERG DISTRICT MUNICIPALITY

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

31 CORRECTION OF PRIOR PERIOD ERRORS *(continued)*

31.3 Work-in-Progress

During the current year the municipality discovered that the amount capitalised to Work-in-Progress for the Abattoir construction cost in 2010 was understated. The addition was erroneously included in operating project expenditure instead of work-in-progress.

The comparative amounts for 2010 have been restated.

The effect on the 2009 and 2010 balances are as follows:

	Corrected R	Adjustment R	Previous R
As at 1 July 2009

Statement of Financial Position			
Property, Plant and Equipment - Work in Progress:	12 397 284	323 420	12 073 863

32 CHANGE IN ACCOUNTING POLICY

32.1 Identification of residual values, review of lifespans and impairment testing

During the year the municipality implemented the identification of residual values, the review of lifespans and impairment testing on Property, Plant and Equipment. This was previously exempted under Directive 4. The municipality implemented earlier, that is in year three, other than the allowed after year three. The changes in accounting policy have been implemented retrospectively. Any future changes due to annual reviews will be implemented prospectively in terms of the requirements of change in accounting estimates.

The comparative amounts for 2010 have been restated.

The effect on the 2009 and 2010 balances are as follows:

	Corrected R	Adjustment R	Previous R
As at 1 July 2009			
Property, Plant & Equipment - Cost	38 087 378	-	38 087 378
Property, Plant & Equipment - Accumulated Depreciation	(6 065 801)	2 791 144	(8 856 946)

WATERBERG DISTRICT MUNICIPALITY

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

	2011 R	2010 R
33 UNAUTHORISED, IRREGULAR, FRUITLESS AND WASTEFUL EXPENDITURE DISALLOWED		

33.1 Fruitless and wasteful expenditure

Reconciliation of fruitless and wasteful expenditure:

Opening Balance	76 844	66 315
Fruitless and wasteful expenditure awaiting condonement	-	-
To be recovered - Contingent Asset	-	66 315
Fruitless and wasteful expenditure current year	-	20 288
Fruitless and wasteful expenditure recovered during the current year	-	(9 759)
Condoned or written off by Council	(76 844)	-
Closing balance	-	76 844
Fruitless and wasteful expenditure awaiting condonement	-	10 529
To be recovered - Contingent Asset	-	66 315

Current year

There were no material incidents of fruitless and wasteful expenditure in the current financial year.

Prior year

The R 66 315 expenditure arose from late payment to a contractor on an MIG project. The disciplinary case against the employee responsible was finalised in December 2006. The municipality wrote off the balance owed in the current financial year.

One cattle was lost at a value of R 10 529, the amount was reimbursed to client. Four sheep and one cattle was stolen at the abattoir at a value of R 9 759, the clients were reimbursed and the value of the theft was recovered from the WDM security company.

33.2 Irregular expenditure

Reconciliation of irregular expenditure:

Opening Balance	1 160 204	366 070
Irregular expenditure current year	140 200	794 134
Condoned or written off by Council	(1 160 204)	-
To be recovered - Contingent Asset	-	-
Irregular expenditure awaiting condonement	<u>140 200</u>	<u>1 160 204</u>

Current year

The Office of the Executive Mayor incurred irregular expenditure of R 140 200 on the provision of transport to the voter registration mobilization campaign for the youth. Voter registration is an activity unrelated to the functional area of the vote utilised, which is Community Participation.

Prior year

The Infrastructure Department incurred irregular expenditure of R 366 070 on the consulting fees of the construction project on the Modimolle Disaster Centre. The fees of the contractor was adjusted without a subsequent adjustment to the consulting fees which lead to irregular expenditure at the conclusion of the contract.

The Office of the Municipal Manager extended the services of the service provider for the Performance Management System without following the requirements of the WDM SCM Policy. Subsequent payment without an order to an amount of R 794,134 was made and this deviation from the WDM SCM Policy and SCM Regulations constitute irregular expenditure.

	2011 R	2010 R
36 CAPITAL COMMITMENTS (continued)		
36.3 Commitments in respect of operating leases:		
At the reporting date the municipality has outstanding commitments under operating leases which fall due as follows:		
Operating leases - lessee		
Within one year	677 429	16 621
In the second to fifth year inclusive	723 044	-
Total	1 400 473	16 621

Operating lease payments represent rentals payable by the municipality for copiers and faxes with Xerox and office space from Lugkoring (Pty) Ltd.

The contingent rental for telephones is based on the prime interest rate. This contingent rental is not included in the future minimum lease payments.

All rentals are either fixed term fixed amount contracts or contingent rentals and therefore no smoothing of leases is necessary.

There are no renewal or purchase options and no restrictions have been placed on the lease payments.

37 RELATED PARTIES

Municipal Entity	Waterberg Economic Development Agency
Key Management	Refer to note 21

There are no other related party transactions or balances for the current year. Waterberg Economic Development Agency is currently dormant.

38 EVENTS AFTER THE REPORTING DATE

There are no material events that occurred after the balance sheet date.

39 KEY SOURCES OF ESTIMATION UNCERTAINTY AND JUDGEMENTS

The following areas involve a significant degree of estimation uncertainty:

- Useful lives and residual values of property, plant and equipment
- Useful lives and residual values of intangible assets
- Recoverable amounts of property, plant and equipment
- Recoverable amounts of intangible assets
- Present value of defined benefit obligations
- Provision for doubtful debts
- Impairment of assets
- Provision of long-term long-service awards

WATERBERG DISTRICT MUNICIPALITY

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

40 RISK MANAGEMENT

The main risks of the Municipality are interest rate risk, liquidity risk, credit risk and the fair value of financial instruments.

40.1 Cash flow interest rate risk

The municipality's interest rate risk arises from investments. Investments at variable rates expose the municipality to cash flow interest rate risk. Investments at fixed rates expose the municipality to fair value interest rate risk. The municipal policy is to not invest more than 35% of funds with one institution and to invest at different maturity dates over the short term to alleviate major fluctuations in the interest rates. The majority of investments are fixed rate investments.

At year-end, financial instruments exposed to interest rate risk were as follows:

- Current bank account	5 537 272	8 319 197
- Call deposits	14 063 194	3 054 696
- 60 days fixed deposits	37 095 441	21 088 101
- 90 days fixed deposits	52 213 553	55 154 603
- 6 month fixed deposits	18 084 987	22 102 744
	<u>126 994 447</u>	<u>109 719 341</u>

40.2 Currency risk

The Municipality does not have currency risk as in terms of section 163 of the Municipal Finance Management Act, No 56 of 2003, no municipality may incur a liability or risk payable in a foreign currency.

40.3 Liquidity risk

The Municipality's risk to liquidity is a result of the funds available to cover future commitments. The Municipality's strong credit profile and diversified funding sources ensure that sufficient liquid funds are maintained to meet its daily cash requirements. The Municipality's policy on counterpart credit exposures ensures that only counterparties of a high credit standing are used for the investments of any excess cash.

The municipality manages liquidity risk through an ongoing review of future commitments and credit facilities. Cash flow forecasts are prepared.

The table below analyses the municipality's financial liabilities into relevant maturity groupings based on the remaining period at year end to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows.

30 June 2011	Not later than one month	One to three months
Trade and other payables	1 258 491	848 244
Consumer deposits	-	-

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

2011	2010
R	R

40 RISK MANAGEMENT (continued)

40.4 Credit risk

Credit risk consists mainly of cash deposits, cash equivalents and trade debtors.

To manage the risk the Municipality has a credit control policy. As part of these processes the financial viability of all counterparties is regularly monitored and assessed.

Counterparties:

The Municipality only deposits cash with major banks with high quality credit standing and limits exposure to any one counterparty. The Municipality has no significant concentration of credit risk with any single counterparty or a group of counterparties.

40.5 Fair value of financial instruments

At year end the carrying amounts of cash and short-term deposits, trade and other receivables and trade and other payables approximated their fair values due to the short-term maturities of these assets and liabilities.

41 RESTATEMENT OF COMPARATIVE INFORMATION

Various comparative figures have been restated in terms of the prior period errors note 31 and change in accounting policy note 32. The effect of the restatement is summarised in this note.

42 COMPARISON WITH THE BUDGET

The comparison of the Municipality's actual financial performance with that budgeted is set out in Annexures E(1) and E(2).

WATERBERG DISTRICT MUNICIPALITY
UNAUDITED INFORMATION - APPENDIX E(1)
ACTUAL VERSUS BUDGET (REVENUE AND EXPENDITURE) FOR THE YEAR ENDED 30 JUNE 2011

REVENUE	2011 Actual R	2011 Budget R	2011 Variance R	2011 Variance %	Explanation of Significant Variances greater than 10% versus Budget
Abattoir service charges	607 783	725 500	(117 717)	-16%	Abattoir income is lower than budgeted due to a lower than budgeted throughput
Interest earned - external investments	8 252 553	8 400 000	(147 447)	-2%	Client and tenant that gave notice at the abattoir did not settle their accounts on departure. The disputes was handed over in the previous financial year and the projection was that they be resolved during the past financial year. The disputes remain unresolved
Interest earned - outstanding debtors	30 095	25 000	5 095	20%	
Government grants and subsidies	97 037 325	97 410 469	(373 144)	0%	Received a Workmens Compensation Merit Award that was not budgeted. Tender document sales was higher than projected due to bigger interest by bidders
Other income	192 658	72 000	120 658	168%	The investment was written off as irrecoverable, but subsequently received another dividend.
Reversal of impairment loss	3 640	-	3 640	100%	
Total Revenue	106 124 054	106 532 969	(408 915)		
EXPENDITURE					
Employee related costs	(37 950 528)	(44 595 320)	6 644 792	-15%	The underspending is due to vacancies that existed in various departments.
Remuneration of Councilors	(3 824 518)	(4 403 695)	579 177	-13%	The underspending is due to the downgrading of the municipality from a grade 4 to a grade 3. Thus grade 4 salaries was budgeted, but grade 3 salaries was actually paid
Post-retirement health care expenditure	(3 001 922)	(1 391 262)	(1 610 660)	116%	The effect of implementation of IAS 19 Employee Benefits defined benefit valuations were budgeted based on the prior year forecast but actual discount rates were different.
Long-service award expenditure	(389 675)	(1 265 225)	(1 24 450)	47%	The effect of implementation of IAS 19 Employee Benefits defined benefit valuations were budgeted based on the prior year forecast but actual discount rates were different.
Baid debt	(29 596)	(35 000)	5 404	-15%	Provision for bad debts was slightly overbudgeted as no new disputes occurred.
General expenses	(11 580 134)	(14 676 286)	3 096 152	-21%	Mainly due to underspending on tools & kits, subsistence & travel, finance management and municipal system improvement grant expenditure. The underspending on certain votes such as subsistence & travel is due to austerity measures implemented.
Repairs & Maintenance	(481 058)	(578 881)	97 823	-17%	Under spending on repairs and maintenance of buildings and machines due to the current upgrades being done on the facilities.
Fire Fighting	(8 388 959)	(10 860 061)	2 471 102	-23%	Budgets are prepared based on submission of local municipalities and all under spent on their budgets, amongst others, due to late filing of vacancies, but also due to new equipment procured which consequently decreases repairs and maintenance cost.
Project expenditure	(19 807 766)	(35 639 778)	15 832 010	-44%	Under spending of projects due to some late appointments and there are also instances where appointments was postponed to the 2011/2012 financial year, e.g. Integrated Financial Management System due to errors in the SITA procurement process.
Depreciation and amortisation	(4 181 612)	(3 589 000)	(1 592 612)	17%	Depreciation is more than budgeted due to the implementation of the review of residuals and lifespans which was implemented this year for the first time and the effect of this implementation was not budgeted.
Loss on disposal of Property, Plant and Equipment	(230 403)	-	(230 403)	100%	Assets written off after annual fixed asset count was not budgeted for. Also due to the implementation of the review of residuals and lifespans which was implemented this year for the first time, which ultimately increased the net book values of assets written off during the year and the effect of this implementation was not budgeted.
Total Expenditure	(89 866 173)	(116 036 620)	26 170 355		
NET SURPLUS FOR THE YEAR	16 257 881	(9 403 659)	25 661 440
