FOREWORD

It is with greatest pleasure that I am afforded the opportunity to write this foreword on behalf of the Amahlathi Municipality. As a committed peoples' municipality we are proud to produce a well managed and calculated financial report of Amahlathi Municipality.

The vision that this municipality has set for itself is one of being a Developmental Local Government based on the principles of the People Oriented Public Administration which maximises the efficient use of resources. We are addressing the challenges facing us towards a better life for all our people by providing quality services for all.

The relationship between councilors and officials has been fundamental to sound, efficient and effective administration.

We use both internal and external resources to fund our projects. People based budgeting methods have been implemented to a level where we are able to say that the community has really been involved in determining the allocation of resources leaving the council with a responsibility of implementing and monitoring thereof.

I appreciate the work done by all those who are committed to the efficient and effective running of Amahlathi Municipality.

.....

TC Jonas

Mayor - Amahlathi Municipality

TREASURER'S REPORT

1) INTRODUCTION

Appropriate legislation was complied with in order to provide statements for the period ending 30 June 2009. To the best of my knowledge these financial statements fairly present the financial position of the Council as at the above mentioned date and the results of its operations for the year then ended.

Although expenditure was below budget this had no impact on service delivery targets set. The income exceeded the budget by R3 740 270. The resultant operating surplus of R9 170 692 and appropriation of (R4 511 083) have resulted in an accumulated surplus of R14 287 977. We were also, within budget, able to expend R17 132 904 on fixed assets.

2) OPERATING RESULTS

Details of the results per department, classification and object of expenditure are included in appendices D and E. The applicable statistics are shown in appendix F. The overall operating results for the year ended 30 June 2009 are as follows:

INCOME	Actual 2008 R	Actual 2009 R	Variance 2008/2009 %	Budget 2009 R	Variance Actual/ Budget %
Opening Surplus	12,004,939	9,628,368			
Operating Income for the Year	61,672,441	72,782,487	18.01%	69,042,217	5.42%
	73,677,380	82,410,855		69,042,217	
EXPENDITURE					
Operating Expenditure	56,634,418	63,611,795	12.32%	69,042,217	-7.87%
Sundry Transfers	7,414,594	4,511,083			
Closing Surplus	9,628,368	14,287,977	48.39%		
	73,677,380	82,410,855		69,042,217	

Operating income is higher than 2008 because of the increase in equitable share.

2.1) RATE AND GENERAL SERVICES

	Actual 2008 R	Actual 2009 R	Variance 2008/2009 %	Budget 2009 R	Variance Actual/ Budget %
Income	50,126,475	59,416,332	18.53%	55,280,608	7.48%
Expenditure	45,708,059	51,015,434	11.61%	55,723,576	-8.45%
(Deficit) / Surplus	4,418,416	8,400,898	90.13%	(442,968)	
Surplus (Deficit) as % of Total Income	8.81%	14.14%		-0.80%	

Actual income for 2009 is higher than 2008 due to the the increase in equitable share.

2.2) HOUSING SERVICES

	Actual 2008 R	Actual 2009 R	Variance 2008/2009 %	Budget 2009 R	Variance Actual/ Budget %
Income	56,514	31,882	-43.59%	61,830	-48.44%
Expenditure	584,947	630,703	7.82%	846,200	-25.47%
(Deficit) / Surplus	(528,433)	(598,821)	13.32%	(784,370)	
Surplus (Deficit) as % of Total Income	-935.05%	-1878.24%		-1268.59%	

Actual income for 2009 is lower than 2008 due to a decrease in housing installments.

2.3) TRADING SERVICES: ELECTRICITY

	Actual 2008 R	Actual 2009 R	Variance 2008/2009 %	Budget 2009 R	Variance Actual/ Budget %
Income	11,489,452	13,334,273	16.06%	12,977,739	2.75%
Expenditure	10,341,412	11,965,658	15.71%	12,472,441	-4.06%
(Deficit) / Surplus	1,148,040	1,368,615	19.21%	505,298	170.85%
Surplus (Deficit) as % of Total Income	9.99%	10.26%		3.89%	

The increase in income and expenditure is due to the increase in the cost of electricity purchases and sales.

3) CAPITAL EXPENDITURE AND FINANCING

CAPITAL EXPENDITURE	Actual 2008/2009	Budget 2008/2009	Actual 2007/2008
Rate and General Services Electricity Service	15,933,103 1,199,801	16,271,000 1,600,060	9,253,254 2,495,410
	17,132,904	17,871,060	11,748,664
FINANCING OF THE FIXED ASSETS			
Revolving Fund Contributions from Operating Income Grants and Subsidies External Loans	4,758,998 58,225 12,315,681	5,533,360 259,931 12,337,700	3,476,411 125,517 8,146,736
	17,132,904	18,130,991	11,748,664
		-	

A complete analysis of capital expenditure (budgeted and actual) per department, classification or service is included in appendix C. More details regarding external loans and internal advances used to finance fixed assets are shown in appendix B.

4) EXTERNAL LOANS, INVESTMENTS AND CASH

External Loans outstanding on 30 June 2009 amounted to R 860 873 as set out in appendix B. No new loans were taken up during the year. Loans totaling R 203 557 were repaid. Investments and cash on hand amounted to R 56 166 988 on 30 June 2009.

More information regarding loans and investments is disclosed in notes 4 and 7 and appendix B to the financial statements.

5) FUNDS AND RESERVES

The Revolving Fund has increased by R 5 154 007 to R 32 042 384. Advances amounting to R 4 758 998 have been granted to borrowing services while R 3 885 029 has been repaid. The total advances to borrowing services amounted to R 12 180 912 as at 30 June 2009.

More information regarding funds and reserves is disclosed in notes 1 to 3, 12 and appendix A to F of the financial statements.

6) POST BALANCE SHEET EVENTS

I am unaware of any material post balance sheet event that will affect the financial position of the municipality.

EXPRESSION OF APPRECIATION

I am grateful to the Mayor, Councilor's, the Municipal Manager and Heads of Departments for their support during the past year. A special word of thanks to the staff of the Budget and Treasury Office for their support and loyalty.

<i>GP Hill (LIMFO)</i> TOWN TREASURER		
DATE :		

ACCOUNTING POLICIES

1) BASIS OF PRESENTATION

- 1.1 These Financial Statements have been prepared so as to conform to the standards laid down by the Institute of Municipal Finance Officers in its Code of Practice for Local Government Accounting (2nd edition 1996) and the Published Annual Financial Statements (2nd edition 1996).
- 1.2 The Financial Statements are prepared on the Historical Cost Basis, adjusted for fixed assets as more fully detailed in note 3.
 - The Accounting Policies are consistent with those applied in the previous year, except if otherwise indicated.
- 1.3 The Financial Statements are prepared on the accrual basis:
 - Income is accrued when collectable and measurable. Certain direct income is recognised when received, such as Traffic Fines and certain Licenses.
 - Expenditure is accrued in the year it is incurred.

2) CONSOLIDATION

The Balance Sheet includes Rate and General Services, Housing Service, Trading Services and the different Funds, Reserves and Provisions. All inter departmental charges are set-off against each other, with the exception of Assessment Rates, Refuse Removal and Electricity, which are treated as income and expenditure in the respective Departments.

3) FIXED ASSETS

- 3.1 Fixed assets are stated:
 - at historical cost; or
 - at valuation (based on market price at date of acquisition), where assets have been acquired by Grant or Donation.

while they are in existence and fit for use.

3.2 Depreciation

The balance shown against the heading "Loans Redeemed and Other Capital Receipts" in the notes to the Balance Sheet is tantamount to a provision for depreciation. Apart from Advances from the various Council Funds, assets may also be acquired through:

- appropriations from income, where the full cost of the asset forms an immediate and direct charge against the operating income and therefore it is unnecessary to make any further provision for depreciation
- grants and donations, where the amount representing the value of such grant or donation is immediately credited to the "Loans Redeemed and Other Capital Receipts" account.
- 3.3 All net proceeds from the sale of fixed assets are credited to the Revolving Fund.
- 3.4 Capital Assets are financed from different sources, including external loans, operating income and internal advances. These loans and advances are repaid within the estimated lives of the assets acquired from such loans and advances. Interest is charged to the service concerned at the ruling interest rate applicable at the time the advance is made.

4) STOCK

Stock is reflected in the Balance Sheet at the weighted average cost.

5) FUNDS AND RESERVES

5.1 Revolving Fund

The Revolving Fund Ordinance No. 20 of 1974 requires a minimum contribution of seven and a half percent of the product of assessment rates in respect of the Financial Year immediately preceding the Financial Year for which such contribution is required to be made.

5.2 Dog Tax Fund

The Dog Tax Ordinance No.19 of 1978 section 4(1) determines that all the dog tax received be credited to this account.

5.3 Community Facilities Fund

Contributions to this Fund are made in accordance with the policy of the Department of Housing and is utilized according to their instruction.

5.4 RESERVES

Reserve Funds are utilized for purposes unknown and which may occur in the future and contributions are made from the operating account.

5.5 PROVISIONS

Provisions are utilized for the specific purposes and contributions are made from the operating account.

5.6 TRUST FUNDS

Funds are paid to the Council for specific purposes and consists of Grants and Subsidies from the public or higher Authorities.

6) RETIREMENT BENEFITS

The employees of the Amahlathi Municipality contribute to the Cape Joint Pension Fund, the South African Local Authorities Pension Fund, the Cape Joint Retirement Fund and the SAMWU Provident Fund.

Current contributions are charged against the operating account at the rate of a fixed percentage of the basic salary paid to employees.

7) SURPLUSES AND DEFICITS

Any surpluses or deficits arising from the operation of the Electricity Service is transferred to the Rate and General Services.

8) TREATMENT OF ADMINISTRATION AND OTHER OVERHEAD EXPENSES

Administration charges are allocated to each department. Interdepartmental users are charged at actual cost and debited to each user department.

9) INVESTMENTS

Investments are shown at the lower of cost or market value if a permanent decline in the value occurred, and are invested per Circular No. C/46/1994 issued by the Provincial Administration, Community Services Branch.

10) INCOME RECOGNITION

10.1 Electricity Billing

All electricity meters are read and invoiced on a monthly basis. If a reading cannot be obtained an estimated reading, based on the average consumption is made. Income is recognised on the date when invoicing is done.

10.2 Assessment Rates

Assessment Rates are levied at the same tariff for the land and improvements. Rebates are granted according to Council's Policy. Income is recognized when the annual and monthly levies are done.

The Finance Management Grant was utilised towards a Financial Management Reform Programme under the guidelines of National Treasury.

The Municipal Systems Improvement Grant is allocated towards the compilation of a General Valuation Roll.

The Municipal Infrastructure Grant is utilised for capital projects particularly servicing the poorer section of the community.

Details of amounts spent are included in Appendix A and Appendix C.

The municipality has complied with the conditions of allocations received and no funds destined for the municipality in terms of the Division of Revenue Act were delayed or withheld.

No allocations have been made to a municipal entity, another municipality or any other organ of state.

REPORT OF THE AUDITOR-GENERAL TO THE COUNCIL OF THE AMAHLATHI LOCAL MUNCIPALITY AND THE EASTERN CAPE PROVINCIAL LEGISLATURE ON THE FINANCIAL STATEMENTS AND PERFORMANCE INFORMATION OF AMAHLATHI LOCAL MUNCIPALITY FOR THE YEAR ENDED 30 JUNE 2009

REPORT ON THE FINANCIAL STATEMENTS

Introduction

 I have audited the accompanying financial statements of the Amahlathi Local Municipality which comprise the balance sheet as at 30 June 2009, the income statement, and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 32 to 56.

The accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation of these financial statements in accordance with the entity-specific basis of accounting as set out in accounting policy note 1 and in the manner required by the Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA) and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Auditor-General's responsibility

- 3. As required by section 188 of the Constitution of the Republic of South Africa, 1996 read with section 4 of the Public Audit Act, 2004 (Act No. 25 of 2004) (PAA) and section 126(3) of the MFMA, my responsibility is to express an opinion on these financial statements based on my audit.
- 4. I conducted my audit in accordance with the International Standards on Auditing read with *General Notice 616 of 2008*, issued in *Government Gazette No. 31057 of 15 May 2008*. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

6. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Basis for qualified opinion

Debtors

7. The debtors age analysis and the ageing thereof differed by R1,4 million from the financial statements. Management is of the opinion that the difference was system related and arose as a result of the change of the operating system from Abakus to Venus. However, they were not able to provide an adequately supported explanation for the difference and it was not possible to perform alternative procedures. As a result, there is significant uncertainty concerning debtors of R30,1 million included in the balance of R32,2 million disclosed in note 11 to the financial statements as well as the corresponding revenue related thereto. As a result, I was unable to confirm whether all debtors were recorded and shown at the correct value and whether all related revenue was correctly recorded.

No reliance could be placed on the calculation of the provision for bad debts disclosed as R25 million in note 11 to the financial statements as it is based on the debtors age analysis. As a result, I was unable to confirm whether the provision was recorded at the correct amount.

The net value-added tax (VAT) balance of R44 000, included in debtors of R32.2 million disclosed in note 11 to the financial statements, is made up of a VAT debtor and VAT creditor in the amounts of R5.18 million and R5.14 million respectively. A journal passed to the VAT creditor of R4.1 million could not be verified as the transaction was based on the debtors age analysis upon which no reliance was placed. I was therefore unable to confirm whether all transactions relating to the VAT creditor were recorded at the correct amount.

Revenue

 Included in revenue of R72.8 million as disclosed in the income statement is an amount of R1.6 million which relates to traffic income. I was unable to verify the completeness of such revenue as there were missing receipt numbers that could not be explained.

Qualified opinion

9. In my opinion, except for the effects of the matters described in the Basis for qualified opinion paragraphs, the financial statements of the Amahlathi Local Municipality have been prepared, in all material respects, in accordance with the basis of accounting as set out in accounting policy note 1 and in the manner required by the MFMA.

Emphasis of matter

I draw attention to the following matter:

Basis of accounting

10. The municipality's policy is to prepare financial statements on the entity-specific basis of accounting, as set out in accounting policy note 1.

Other matters

I draw attention to the following matters that relate to my responsibilities in the audit of the financial statements:

Unaudited supplementary schedules

11. The supplementary information set out on pages 57 to 63 does not form part of the financial statements and is presented as additional information. I have not audited these schedules and accordingly I do not express an opinion thereon.

Non-compliance with applicable legislation

Division of Revenue Act

12. The municipality received R15,9 million as a municipal infrastructure grant (MIG) despite the Division of Revenue Act (DoRA) allocation only being for R13 million. The excess funds were not transferred back to the transferring body as required by section 36 of DoRA.

Municipal Finance Management Act

- 13. Fixed assets disclosed in the balance sheet and note 6 to the financial statements are stated at cost less loans redeemed and other capital receipts. Although the cost of the fixed assets amounting to R114,4 million was supported by a fixed asset register, a proper fixed asset register in terms of section 63(2)(c) of the MFMA was not maintained as fixed assets were not marked with unique identification numbers that are appropriately cross-referenced to the asset register. As a result, assets selected from the asset register could not be physically verified and it could not be confirmed whether all assets were recorded on the asset register.
- 14. The municipality did not make all payments to creditors within 30 days of receipt of the invoice, as required by section 65(2) (e) of the MFMA.
- 15. The municipality did not comply with section 127(2) of the MFMA as the annual report was not tabled seven months after year-end.

Municipal Systems Act

16. Not all members of the council have disclosed their direct and indirect business interests as required by section 54 of the Municipal Systems Act, 2000 (Act No. 32 of 2000) (MSA) read with paragraph 5(a) and (b) of schedule 1 of the code of conduct for councillors of the same act.

Environment Conservation Act

17. The Environment Conservation Act, 1989 (Act No. 73 of 1989), section 20(1)(a) states that "no person shall establish, provide or operate any disposal site without a permit issued by the Minister of Water Affairs and that the Minister may issue a permit subject to such conditions as he may deem fit."

A permit was not issued for the municipality's landfill site located in Cathcart.

Governance framework

18. The governance principles that impact the auditor's opinion on the financial statements are related to the responsibilities and practices exercised by the accounting officer and executive management and are reflected in the internal control deficiencies and key governance responsibilities addressed below:

Internal control deficiencies

19. Section 62(1)(c)(i) of the MFMA states that the accounting officer must ensure that the municipality has and maintains effective, efficient and transparent systems of financial and risk management and internal control. The table below depicts the root causes that gave rise to the deficiencies in the system of internal control, which led to the qualified opinion. The root causes are categorised according to the five components of an effective system of internal control. (The number listed per component can be followed with the legend below the table.) In some instances deficiencies exist in more than one internal control component.

Par. no.	Basis for qualified opinion	CE	RA	CA	IC	M
7	Debtors			3		
8	Revenue			2		

Control activities

20. Basic control activities for debtors such as regular reconciliations, isolating responsibilities and the performance of data integrity checks were found to be either ineffective or non-existent. In addition, the level of reliance placed on consultants without adequate oversight by management impacted on the accurate processing of debtor transactions.

21. General information technology controls have not been designed to maintain the integrity of the information system and the security of the data relating to revenue. There were no controls in place and insufficient oversight of management to identify the risks associated with the completeness of transactions. In addition, the municipality did not prepare a risk assessment which should have identified the weaknesses identified.

Legend	
CA = Control activities	
There is inadequate segregation of duties to prevent fraudulent data and asset misappropriation.	1
General information technology controls have not been designed to maintain the integrity of the information system and the	2
security of the data.	
Manual or automated controls are not designed to ensure that the transactions have occurred, are authorised, and are	3
completely and accurately processed.	
Actions are not taken to address risks to the achievement of financial reporting objectives.	4
Control activities are not selected and developed to mitigate risks over financial reporting.	5
Policies and procedures related to financial reporting are not established and communicated.	6
Realistic targets are not set for financial performance measures, which are in turn not linked to an effective reward system.	7

Key governance responsibilities

22. The MFMA tasks the accounting officer with a number of responsibilities concerning financial and risk management and internal control. Fundamental to achieving this is the implementation of key governance responsibilities, which I have assessed as follows:

No.	Matter	Υ	N
Clea	r trail of supporting documentation that is easily available and provided in a timely	manne	r
1.	No significant difficulties were experienced during the audit concerning delays or the availability of requested information.	✓	
Qual	ity of financial statements and related management information		
2.	The financial statements were not subject to any material amendments resulting from the audit.		✓
3.	The annual report was submitted for consideration prior to the tabling of the auditor's report.	✓	
Time	liness of financial statements and management information		
4.	The annual financial statements were submitted for auditing as per the legislated deadlines in section 126 of the MFMA.	✓	
5.	Key officials were available throughout the audit process.	✓	
Deve pract	elopment and compliance with risk management, effective internal control an	d gove	rnance
6.	Audit committee		
	The municipality had an audit committee in operation throughout the financial year.		✓
	The audit committee operates in accordance with approved, written terms of reference.	✓	

No.	Matter	Υ	N
	The audit committee substantially fulfilled its responsibilities for the year, as set out in section 166(2) of the MFMA.	✓	
7.	Internal audit		
	The municipality had an internal audit function in operation throughout the financial year.	✓	
	The internal audit function operates in terms of an approved internal audit plan.		✓
	The internal audit function substantially fulfilled its responsibilities for the year, as set out in section 165(2) of the MFMA		√
8.	There are no significant deficiencies in the design and implementation of internal control in respect of financial and risk management.		✓
9.	There are no significant deficiencies in the design and implementation of internal control in respect of compliance with applicable laws and regulations.		✓
10.	The information systems were appropriate to facilitate the preparation of the financial statements.	✓	
11.	A risk assessment was conducted on a regular basis and a risk management strategy, which includes a fraud prevention plan, is documented and used as set out in section 62(1)(c)(i) of the MFMA.		√
12.	Powers and duties have been assigned, as set out in section 79 of the MFMA.	✓	
Follo	w-up of audit findings	l	
13.	The prior year audit findings have been substantially addressed.	✓	
Issue	s relating to the reporting of performance information	I	
14.	The information systems were appropriate to facilitate the preparation of a performance report that is accurate and complete.		√
15.	Adequate control processes and procedures are designed and implemented to ensure the accuracy and completeness of reported performance information.		√
16.	A strategic plan was prepared and approved for the financial year under review for purposes of monitoring the performance in relation to the budget and delivery by the municipality against its mandate, predetermined objectives, outputs, indicators and targets in section 68/87 of the MFMA.	√	
17.	There is a functioning performance management system and performance bonuses are only paid after proper assessment and approval by those charged with governance.		√

- 23. Management's attention is specifically drawn to the following key governance responsibilities which, according to the above table, have not been effectively addressed:
- 24. The finance section of the municipality has adequate skills and competencies which have been utilised effectively. However, the manual systems in place to facilitate the preparation of the financial statements were not subject to adequate monitoring and oversight as a result material amendments had to be made to the financial statements after submission for auditing.
- 25. The weaknesses in the design and implementation of internal control in respect of financial and risk management were attributable to a lack of approved documented policies and procedures in respect of the various financial cycles.

- 26. The audit committee's term of office expired at the end of March 2009 and a new committee was not constituted owing to an inability to obtain council approval as a result of the suspension of certain councillors.
- 27. The municipality operates under a shared internal audit function which was not effective during the year since they operated without an updated audit plan.
- 28. The municipality did not perform a risk assessment during the year nor was there a fraud prevention plan in place. This is as a result of weak governance structures at the municipality.

Investigations

29. An investigation is currently being conducted by an independent body. The investigation was initiated based on an allegation of possible misappropriation of revenue by officials of the municipality.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Report on performance information

30. I have reviewed the performance information as set out on pages 9 to 22.

The accounting officer's responsibility for the performance information

31. In terms of section 121(3)(c) of the MFMA, the annual report of a municipality must include the annual performance report of the municipality, prepared by the municipality in terms of section 46 of the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000) (MSA).

The Auditor-General's responsibility

- 32. I conducted my engagement in accordance with section 13 of the PAA read with *General Notice 616 of 2008*, issued in *Government Gazette No. 31057 of 15 May 2008* and section 45 of the MSA.
- 33. In terms of the foregoing my engagement included performing procedures of an audit nature to obtain sufficient appropriate evidence about the performance information and related systems, processes and procedures. The procedures selected depend on the auditor's judgement.
- 34. I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for the audit findings reported below.

Audit findings (performance information)

Non-compliance with regulatory requirements

Existence and functioning of a performance audit committee

- 35. The term of the performance audit committee expired at the end of March 2009, resulting in the lack of an independent advisory body to advise the municipality on performance management issues. The municipality has since not appointed another performance audit committee, as required by regulation 14(2) of the Municipal Planning and Performance Management Regulations, 2001.
- 36. The performance audit committee was assessed as ineffective due to the following:
 - Lack of evidence to indicate that the committee reviews the performance management system (PMS) and makes recommendations in this regard to the council. This review should focus on economy, efficiency, effectiveness and impact of the key performance indicators and performance targets.
 - Lack of evidence to indicate that the committee submitted audit reports on performance management to the council at least twice during the financial year.

Internal auditing of performance measurements

37. The municipality did not develop and implement mechanisms, systems and processes for auditing the results of performance information as part of its internal audit processes, as required in terms of section 45(1)(c) of the MSA.

Lack of adoption or implementation of a performance management system

38. The municipality's Framework for Performance Management is dated January 2009 and there is no evidence to indicate that mechanisms to subsequently monitor and review its performance management system were established.

Non-compliance with regulatory requirements

- 39. The MFMA requires a municipality to set appropriate key performance indicators as a yardstick for measuring performance, including outcomes and impact, with regard to the municipality's development priorities and objectives set out in its integrated development plan. The municipality did not include outcome indicators for each of the development priorities and objectives as indicated in the integrated development plan for the 2008-09 financial year.
- 40. The municipality does not make use of the general key performance indicators as prescribed in terms of section 43 of the MFMA.

Mid-year budget and performance assessments

- 41. The mid-year budget and performance assessment report does not include information related to the municipality's service delivery performance and the service delivery targets and performance indicators set as required by section 72 of the MFMA.
- 42. Assessment of the mid-year budget and performance assessment report revealed that the following was not included therein:
 - An explanation of any material variances from the municipality's projected revenue by source and from the municipality's expenditure projections per vote; any material variances from the service delivery and budget implementation plan; and any remedial or corrective steps taken to ensure that projected revenue and expenditure remain within the municipality's approved budget.
 - Only the engineering services and electrical engineering services sections were included as service delivery targets and performance indicators in the report. The following areas as per the Service Delivery and Budget Implementation (SDBIP) were not included as service delivery targets and performance indicators:
 - Administration services
 - Strategic management
 - Community services
 - Protection services
 - Human resources
 - Finance
 - Executive services
- 43. The prior year's annual report and progress on resolving problems identified in the annual report have not been included in the report.

Usefulness and reliability of reported performance information

- 44. The following criteria were used to assess the usefulness and reliability of the information on the municipality's performance with respect to the objectives in its integrated development plan:
 - Consistency: Has the municipality reported on its performance with regard to its objectives, indicators and targets in its approved integrated development plan?
 - Relevance: Is the performance information as reflected in the indicators and targets clearly linked to the predetermined objectives and mandate. Is this specific and measurable, and is the time period or deadline for delivery specified?
 - Reliability: Can the reported performance information be traced back to the source data or documentation and is the reported performance information accurate and complete in relation to the source data or documentation?

Instances were identified where targets set for the 2008-09 financial year were not measurable (not easy to calculate from data that can be generated quickly, easily and at a reasonable cost) and reliable (clearly state what is to be measured without ambiguity). Furthermore, in certain instances the targets did not correspond with the key

performance indicators.

Inconsistently reported performance information

- 45. The municipality has not reported throughout the year on its performance with regard to its targets as per the approved integrated development plan.
- 46. According to Regulation 12(2)(c) of the Local Government: Municipal Planning and Performance Management Regulations, 2001, "A performance target set in terms of subregulation (1) must be commensurate with available resources and be commensurate with the municipality's capacity."

Instances were identified where targets per the performance information report could not be achieved as a result of capacity constraints.

Reported performance information not relevant

- 47. The targets with regard to all the objectives were not:
 - specific in clearly identifying the nature and the required level of performance
 - measurable in identifying the required performance
 - time bound in specifying the time period or deadline for delivery.

Reported performance information not reliable

48. Lack of appropriate information systems generating performance information

Sufficient appropriate audit evidence with regard to the reported performance information of the objectives could not be obtained, as the information system used for generating performance information was not appropriate to facilitate the preparation of accurate and complete actual performance information.

49. Source information not accurate and complete

The source information or evidence provided to support the reported performance information with regard to the objectives did not adequately support the accuracy and completeness of the facts.

Measurable objectives not consistent

50. The municipality did not align the priorities, objectives and targets set in the integrated development plan to the annual budget as required by section 26(i) of the MSA.

APPRECIATION

51. The assistance rendered by the staff of the Amahlathi Local Municipality during the audit is sincerely appreciated.

East London

10 December 2009

Auditing to build public confidence

RESPONSES TO ISSUES RAISED IN THE AUDIT REPORT ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2009

7. Debtors

The difference in the debtors age analysis is system related and arose as a result of the change of the operating system from Abakus to Venus. The municipality has engaged the software providers to investigate and reconcile these differences. Once their findings and recommendations have been received adjusting entries will be passed if necessary.

8. Revenue

The receipt numbers are generated by the Natis System over which the municipality has no control. The issue of missing receipt numbers will be investigated with the Provincial Traffic Department and processes will be put into place to ensure that the receipt numbers issued are verified by the supervisor on a daily basis.

EEA2

PURPOSE OF THIS FORM

This form enables employers to comply with Section 21 of the Employment Equity Act 55 of 1998.

PLEASE READ THIS FIRST

This form contains the format for employment equity reporting by employers to the Department of Labour. Both small employers (i.e. employers employing fewer than 150 employees) and large employers (i.e. employers employing 150 or more employees) are required to use this form. Those employers who are not designated, but wish to voluntarily comply, must also use this reporting form.

Although all sections of this form apply to large employers, only certain sections of this form should be completed by small employers. Employers who report for the first time are not required to complete the progress report section of this form.

WHO SHOULD COMPLETE THIS FORM?

All designated employers that have to submit a report in terms of the Employment Equity Act, 55 of 1998. Employers who wish to voluntarily comply with the reporting requirements of the Act are also required to complete this form.

WHEN SHOULD EMPLOYERS REPORT?

- Large employers must submit their first report within six months of being designated, and thereafter annually on the first working day of October; and
- Small employers must submit their first report within twelve months of being designated, and thereafter on the first working day of October of every year that ends with an even number.

ESSENTIAL REQUIREMENTS

Large employers, i.e. employers with 150 and more employees, must complete the entire EEA2 reporting form. Small employers, i.e. employers with fewer than 150 employees, must only complete areas of the EEA2 form that apply to them. Large employers, i.e. employers with 150 and more employees, must complete the entire EEA2 reporting form. Small employers, i.e. employers with fewer than 150 employees, must only complete areas of the EEA2 form that apply to them. All relevant areas of the form must be fully and accurately completed by employers. Designated employers who fail to observe this provision will be deemed not to have reported. Guidance to overcome difficulties on how to complete the form properly must be obtained from the Department prior to completing and submitting the report.

- a. The preceding twelve-month period (in the case of large employers) or twenty-four month period (in the case of small employers) covered by employment equity employer reports must be the same for every reporting period.
- b. A summary providing guidelines on occupational categories and levels is provided in annexure 3 and annexure 4 of the regulations. Employers must complete the EEA2 form and the EEA4 form in accordance with Annexure 3 and Annexure 4.
- c. Non-permanent workers refer to those workers who are employed to work for less than 24 hours per month, or those workers engaged to work for not more than 3 continuous months.
- d. In Section B, the subtotals in terms of race and gender in the row dealing with total permanent employees in the table on occupational categories for all employees, which includes people with disabilities, must be exactly the same as the subtotals in the table on occupational levels for all employees. The same must apply to the subtotals in the grand total rows for occupational categories and levels as well.
- e. In Section B, the subtotals in terms of race and gender in the row dealing with total permanent employees in the table on occupational categories for people with disabilities must be exactly the same as the subtotals in the table on occupational levels for people with disabilities. The same must apply to the subtotals in the grand total rows for occupational categories and levels as well.
- f. Employers, from the second cycle of reporting onwards, must complete Section G that deals with progress reports.
- g. Employers must complete Section H that deals with numerical goals and numerical targets. Numerical goals are the workforce profile the employer is striving to achieve in the workplace at the end of the duration of the employer's current employment equity plan. The numerical goals of the employer must be the same for the entire duration of the employment equity plan. Numerical targets are the workforce profile the employer is striving to achieve at the end of the period following the period covered by the current report of the employer.
- h. Large employers, i.e. employers with 150 and more employees, must complete the entire EEA2 reporting form. Small employers, i.e. employers with fewer than 150 employees, must only complete areas of the EEA2 form that apply to them. Areas that only apply to small employers shall be made available by the Department in a separate form as well. All relevant areas of the form must be fully and accurately completed by employers.
- i. The alphabets "A", "C", "I" and W" used in the tables have the following corresponding meanings and must be interpreted as "Africans", "Coloureds", "Indians" and "Whites" respectively.
- j. "Designated groups" means Black people (i.e. Africans, Coloureds and Indians), women and people with disabilities who are natural persons and are citizens of the Republic of South Africa by birth or descent; or are citizens of the Republic of South Africa by naturalization before the commencement date (i.e. 27 April 1994) of the Constitution of the Republic of South Africa Act of 1993; or became citizens of the Republic of South Africa from the commencement date of the Constitution of the Republic of South Africa Act of 1993, but who, not for Apartheid policy that had been in place prior to that date, would have been entitled to acquire citizenship by naturalization prior to that date.
- k. All population groupings who are not part of the Black group, but in substance fall within the definition described in paragraph (j) in terms of citizenship or descent, must be counted and included in the column of each table in the form that require data on the White group.
- I. Foreign nationals and South African citizens that fall outside the definition described in paragraphs (j) or (k) must be counted and included in the column of each table in the form that require data on foreign nationals.

Section B: Workforce Profile

1. Occupational Categories

1.1 Please report the total number of employees (including employees with disabilities) in each of the following occupational categories: Note: A=Africans, C=Coloureds, I=Indians and W=Whites

Occupational Categories	Male				Fen	nale		White Male	Foreign Nationals		TOTAL

5 of 23 EEA2

2.3 Core operation functions and Support functions by occupational level

Job evaluation or grading systems, as illustrated in the EEA9, are used to measure a job in terms of content in order to establish its worth or value in relation to other jobs in an organization. The worth or value of a job is represented on a vertical axis as an occupational level. A job could either be a **Core operation** function or a **Support** function. **Core Operation Function** positions are those that directly relate to the core business of an organization and may lead to revenue generation, e.g. sales, production, etc. Whereas **Support Functions** positions provide infrastructure and other enabling conditions for revenue generation, e.g. human resources, corporate services, etc. Please indicate on table 2.3.1 the number of employees that are in **Core Operation Function** positions and in table 2.3.2 the number of employees that are in **Support Function** positions at each occupational level.

2.3.1 Please indicate the total number of employees (including people with disabilities), that are involved in **Core Operation Function** positions at each level in your organization. Note: A=Africans, C=Coloureds, I=Indians and W=Whites
