Chapter 1 - Executive Mayor Foreword and Executive Summary

1.1. Component A – Executive Mayor's Foreword

(a) Vision

"To be the energy hub and eco-tourism destination in Southern Africa".

(b) Key Policy Developments

Section 51 of the Constitution of the Republic of South Africa, provides for developmental local government to make provision for a democratic and accountable government for communities. It also encourages municipalities to ensure the provision of services to communities in a sustained manner in order to promote social and economic development, whilst the White Paper on Local Government views IDP as a way of achieving developmental government and intending to:

- > Align scarce resources around agreed policy objectives,
- > Ensuring integration between sectors and stakeholders in local government,
- > Ensuring transparent interaction between municipalities and communities and thereby making local government accountable.

On the other hand, the Local Government Municipal Systems Act No. 32 of 2000 requires the municipality to undertake developmental oriented planning so as to ensure that it strives to achieve the objectives set out in the Constitution.

Local government is and will always remain the implementing agent of government transformation and delivery programmes. Two parallel and mutual reinforcing roles of local government are sustainable creation of an environment for economic development and empowerment of local communities.

The primary vehicle for carrying out these roles is the provision of service delivery. It is therefore the responsibility of local government to create the necessary capacity to be able to deliver the required services. All these can be achieved through the involvement of all local government stakeholders in the integrated planning process.

The Integrated Development Plan (IDP) is a management tool for assisting municipalities in achieving their developmental mandates. Every municipality is required to develop and adopt its IDP following the legal framework documents as provided in various pieces of legislation.

(c) Key Service Delivery Improvements

The IDP must address the needs of the people in their area of jurisdiction, draws in stakeholders and other spheres of government, plans for infrastructure and Local Economic Development.

Our IDP should take into account the existing conditions, problems and resources available for development. It must set out a framework of how land must be used, what infrastructure and services are needed and how the environment should be protected.

In compliance with the Municipal Systems Act, and as part of the annual IDP review, municipalities are further required to prepare Strategic Planning Sessions to reflect on the vision, mission and values of the institution and further verify if they are still relevant given the current socio and economic dynamics within the district.

The Waterberg District Municipality held this important session on the 2nd and 3rd March 2017, and we were able to vigorously reflect on the Vision, Mission and Values of the institution. The Strategic planning session also resolved on Strategic objectives and projects for the next three years which will be reviewed annually as and when the need arises.

The current leadership of the Waterberg District Municipality we are presenting today the following as part of the highlights of the institution on projects and programmes that benefit the people of the district during this financial year:

(d) Job creation:

Waterberg District Municipality emerged as a strong partner in the implementation of projects through labour intensive methods aligned to Extended Public Works Programme (EPWP) and other projects that we implement within the district, namely:

- 18 work opportunities for the construction of 72 VIP sanitation at Ga- Seleka in Lephalale Local municipality through EPWP. This project will be completed before the end of June 2017.
- 42 jobs were created on the upgrading of Thabazimbi Waste Water Treatment Works. The project is expected to be completed during the first quarter of 2017/2018 financial year.
- ♣ A total of 33 jobs were created on Mabaleng Storage, Development of ground water for Thabazimbi town and Regorogile township, Schilpadnek Water Supply and Raphuti/Leeupoort Water Supply.

In all these projects, labour comes from the local communities. The main objective is to create jobs while providing skills in order to alleviate poverty within the areas where projects are implemented.

(e) Municipal Health Services:

Municipal Health is one of our core functions in terms of the National Health Act No. 61 of 2003. The Unit during the current financial year was able to do the following:

- Our Environmental Health Practitioners monitored the exhumation and reburial of 94 graves from Turfspruit farm in Mogalakwena Local municipality. These graves were going to be affected by development of mining infrastructure of IvanPlats mine.
- → Joint operations are continuously conducted with other sector departments including South African Police on foodstuffs that are not suitable for human consumption and are confiscated and disposed at landfill sites and health education is provided.
- → The Environmental Health Practitioners also work hand in glove with the officials from the Department of Health, Traditional Health Practitioners and Traditional Leaders during initiation period.

This is part of the daily functions by the District Municipality Environmental Health Practitioners who are deployed in all local municipalities within the district to assist. The core functions include amongst others

- Water quality monitoring
- Food control
- Health surveillance of premises
- Surveillance and prevention of communicable diseases,
- Environmental pollution
- Disposal of the dead

This is however, a function that was devolved from the Provincial Department of Health to the district municipality. It was a new mandate to the district and we are now efficiently and effectively championing it.

(f)Disaster Management:

The Unit deals with all hazards whilst more attention is directed to emergencies such as fire, transport accidents and natural disaster such as floods. The unit is always ready for these tasks.

(g)Water

Water is the most important resource to promote both social and economic development within communities. The Waterberg District Municipality is not a Water Services Authority (WSA) and depends on its local municipality for provision of water. National Treasury and the Department of Water and Sanitation approached and appointed the Waterberg District Municipality as the implementing agent of the projects in Thabazimbi Local Municipality in the 2015/2016 financial year. We are busy implementing those projects.

(h)Electricity:

The development of the coal and energy in Lephalale did not only eradicate the district electricity backlog but also improved the provision of electricity in the province and the country. To date ESKOM has increased the number of electricity outlets near communities within the district so that people don't have to travel long distances.

Some of the challenges still facing the district include:

- Shortage of human capacity in certain functional areas, especially in Disaster management and fire-fighting
- > Retaining the clean audit but safe to say that for 2015/2016 we obtained unqualified audit opinion.
- Unemployment and Lack of skills especially the youth.
- ➤ Reducing the HIV/AIDS T.B. and establishment of Local Aids Councils.
- Resuscitation of Intergovernmental Relations forums. These forums are not meeting due to the absence of key members. We call upon all stakeholders to attend, especially Mayors and Municipal Managers.
- Let us make sure that in the 2017/2018 financial year all these structures are functional in terms of Intergovernmental Relations Framework ACT 13 of 2005.
- Slow implementation of Spatial Planning & Land Use Management Act (SPLUMA) as local municipalities are not complying in terms of modalities of the signed agreement and they not provide budget for the District SPLUMA Tribunal members.

We had a short but eventful financial year indeed, with regard to the support provided to our stakeholders and partners. Some of our public participation activities and special projects undertaken and hosted by the Waterberg District Municipality include amongst others:

- Public Participation and Batho Pele Programme in Bela-Bela Local Municipality on the 19th November 2016. We shall be hosting another Public Participation Programme before the end of June 2017 in LIM 368 Municipality.
- ➡ Waterberg District Municipality hosted the 1st Catchments Conservation Indaba on the 21-22 November 2016 in Thabazimbi Local municipality to address water conservation issues to create a climate resilient district.
- → The District 2016 Grade 12 Award Ceremony was held on the 13th January 2017. This is an annual event aimed at encouraging our learners, schools and circuits to perform and improve the District Matric results.

- ♣ The 2016 academic year the district managed to obtain 65.1% which is an improvement of 7% from the 2015 results. This placed the district at position 3 at the Provincial level.
- Farm workers and Farm Dwellers event was held at Dwaalboom in Thabazimbi Local Municipality on the 19th March 2017. The purpose is together with other sector department address the challenges that farm people experience on daily basis.
- ♣ We shall be hosting the Executive Mayor`s Golf Classic on the 23rd June 2017 in partnership with the University of South Africa (UNISA). A Memorandum of Agreement has been signed for the next three years to promote golf in the district.
- ♣ Executive Mayor`s Marathon is an annual district classic event held on the 6th May 2017 and blessed by the participation of 587 athletes across the country.

The marathon is growing every year and it is a platform to unearth new talent, promote social cohesion and prepare district athletes to participate in National and International races like the Comrade Marathon.

We are happy to announce that some of the Waterberg District Municipality officials will be participating in the 2017 Comrade Marathon on the 4th June 2017.

Our relationship with Traditional Leaders within the district is very sound and solid. Traditional Leaders are effectively participating in the affairs and activities of municipalities with the Chairperson of Local House leading at the district municipal council level.

Working together with all our stakeholders in local government we will be able to consolidate our position as a leading municipality ready to take major strides in delivering on our mandate during this term of office although with limited resources.

It is envisaged that this phenomenon will have far reaching consequences and the potential for huge economic spin – offs for both the district at large and our local communities by creating jobs. The relaunch of WEDA and the introduction of the concept of Flea Market will make job creation a reality.

Challenges:

- Need to apply the concept of organizational development more firmly.
- Cascading of Performance Management Systems to lower level below section 57 Managers.
- Struggling to implement forward planning.
- Inability to reward team performance.
- Grand dependency.

(g) Conclusion

In conclusion we believe that our ability to strengthen the cohesion and partnerships that we have already built is fundamental to the sustainability of the achievements made thus far in our district and also to overcome the challenges we are facing.

S.M Mataboge	
Executive Mayor	

1.2. Component B- Executive summary – Municipal Manager's Overview

Waterberg District Municipality (WDM) is determined to take performance to another level of excellence. The desire to achieve a clean audit from the current qualified is the constant challenge and motivation which is experienced by every employee in the municipality.

The ability to have the Integrated Development Plan (IDP) for the past six years which is credible and its alignment with the Service Delivery Budget and Implementation Plan (SDBIP) motivate the institution to achieve the clean audit.

The most critical challenge for WDM is to source funding for implementation of strategic projects across the district. This need innovative ways of dealing challenges (forward planning). The office of the MM has indicated excellence performance by achieving clean audit in the Audit of Predetermined Objective (AoPO). Office of the Executive Mayor was outstanding in implementing its projects in the year under review.

The establishment of the Municipal Public Accounts Committee (MPAC) and the functioning of the Audit Committee have assisted the municipality to strengthen its oversight role. The District is co-sharing the Audit Committee with the Modimolle and Bela-Bela Municipalities.

Having regard to the importance of community involvement in the implementation of the PMS, the organisation will continue to afford the community its role in ensuring that as the organisation we promote principles of public accountability and good governance. The cascading of the PMS and recorded improvement will improve the image of the municipality in the eyes of the different stakeholders. Most importantly, the municipality will continue to put premium value on public participation. The views of the stakeholders are and will always be important

The District Municipality finalised the process of relocating fire-fighting staff from Lephalale, LIM368 and Bela-Bela local municipalities respectively to the head office at the end of April 2017, so 19 fire-fighters are now included in the head office budget.

The filling of the vacant post for senior managers will strengthen our call to improve the quality of lives of many people in our communities. Their experiences and skills will be demanded now and then. In our attempts to professionalise local government, it is expected of all employees to live up to the values, vision and mission of the municipality. It is our intention to recognise and reward performance management as a critical element in a modern municipality.

L.G Tloubatla

Acting Municipal Manager

1.3. Municipal Function, Population and Environment Overview

Waterberg District Municipality is a Category C municipality and it derives its powers and functions from chapter 7 of the Constitution and the Municipal Structures Act. In terms of its IDP, it performs the following functions: Air pollution, Firefighting services, Disaster Management, Municipal Abattoir, Municipal Health Services, Local Economic Development, Municipal Planning and Municipal Roads. It is critical for the organogram to be aligned to the IDP in order to allocate resources that can enable it to perform its legislative mandate.

1.3.1 Demographics

According to the Census 2011, the population growth rate was 1, 2% over a 10 year period, and according 2016 community survey the population rate increased to 9.8%

	Male	Female	Total 2011	Male	Female	Total 2016
Thabazimbi	42 773	29 072	71 845	57259	38973	96232
Lephalale	56 704	48 259	104 964	76528	60098	136626
Mookgophong	15 748	14 760	30 509	54393	53305	107698
Modimolle	30 614	29 760	60 373			
Bela-Bela	28 799	27 603	56 401	38961	37335	76296
Mogalakwena	137 512	158 285	295 796	154352	174553	328905
Waterberg	312 150	307 739	619 889	381493	364264	745757

Figure 1. Demographics: Census 2011 and community survey 2016

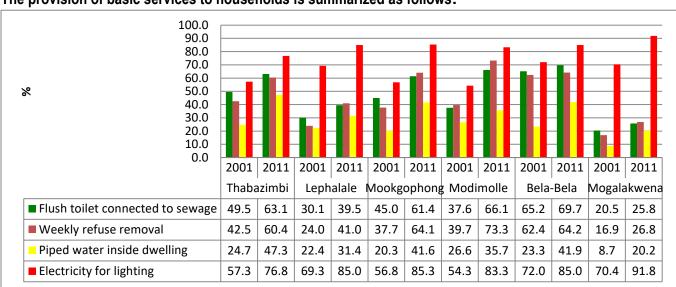

The district area is both a hot and semi-arid in nature. The rain falls mainly in January and December. There are a number of places of which its biodiversity is a source of tourism attraction. There are Municipalities which had been proclaimed by the Department of Environmental Affairs to be contributing to pollution within the as a result of mining activities which had raised some environmental concerns. The District Municipality has a mandate to deal with air quality issues. Such municipalities are as follows:

-Mogalakwena, Thabazimbi and Lephalale

1.3.2. Service Delivery Overview.

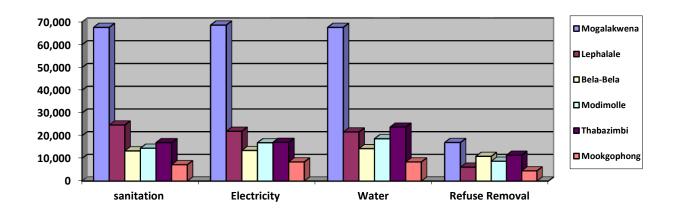

The service delivery of the municipality is mainly confined to the disaster management and firefighting services. Unlike the other district municipalities in the Province, Waterberg District Municipality it is not a water services authority. The 6 local municipalities are responsible for providing basic services.

The provision of basic services to households is summarized as follows:

Source: Stats SA 2011

Figure 2.Basic Services

1.3.3 Backlogs

Municipality	Water	Sanitation	Electricity	Refuse Removal
Bela-Bela	0%	7%	19%	8%
Lephalale	19%	36%	13%	36%
Modimolle-Mookgophong	3%	12%	6%	6%

Waterberg	194 496	112 503	14.4%

1.3.3 Financial Health Overview

WDM is grant dependent which makes it difficult to generate its own revenue. Its management of financial resources is showcased by its unqualified audit outcome.

The internal control systems are used diligently and financial policies are strictly followed.

Details	Original budget	Adjustments budget	Actual
Income :			
Grants	R205 403 459	R205 403 459	R 125 360 300
Investment Revenue	R 8 400 000	R 8 400 000	R14 558 987
Other	R1 230 000	R1 230 000	R138 414
Abattoir	R1 847 900	R1 847 900	R915 095
Subtotal	R216 881 359	R216 881 356	140 972 796
Less Expenditure :			
Employee Cost	R70 045 059	R61 271 361	R72 955 070
Remuneration of Councillors	R 7 275 400	R7 275 400	R6 768 848
Depreciation and amortisation	R140 900	R140 900	R6 197 671
Transfers & Grants (project expenditure)	72 390 813	R101 154 813	R15 944 574
General expenses	R26 976 327	R26 976 327	R18 396 398

Subtotal	R176 828 499	R196 818 801	R120 262 561
Surplus / (Deficit) for the year	(R40 052 860)	(R20 062 550)	(R20 710 235)

Operating ratios

The municipality has to devise ways and means of bringing the salaries and wages budget to the acceptable standard of 32 % failing which the core mandate of service delivery will be compromised seriously.

Actual Remuneration (Employee & Cllr) as a % of total operating expenditure R 79 723 918 79 723 918/120 262 561 =66.3%
Actual Repairs and maintenance as a % of Property, Plant & Equipment R 2 308 454 2 308 454/53 365 218 =4.33%
Actual Current ratio: Current Assets vs Current Liabilities 188 318 822/51 148 247 =368.19%

1.3.4 Organizational Development (OD) Overview

Organizational development is beginning to grow in the municipal environment. As a result OD in its wide scope is still new and municipalities are beginning to appreciate its importance. As mentioned earlier, the PMS was not cascaded, a few People with Disabilities are appointed, and accessibility of the building, diversity management and important topics such as emotional intelligence, talent management and organizational culture still need some attention.

In general the municipality through its Human Resources Division is giving attention to issues of skills development through its Workplace Skills Plan whilst the Strategic Division is dealing with performance management issues. As a result the Senior Managers' performance reviews were conducted throughout the year.

1.3.5 Auditor General Report

WDM received qualified report for 2016/17FY. Management also work as a team and issues of audit queries are addressed throughout the year with the support of the political leadership and it is also a permanent item on the agenda of the Chief Financial Officers' Forum and the Municipal Managers' Forum.

1.3.6 Statutory Annual Report Process

No	Activity	Time frame
1	Consideration of the next financial year's Budget and IDP Process Plan except for the legislative content, the process	July
	plan should confirm in- year reporting formats to ensure that reporting and monitoring feeds seamlessly into Annual

2. Chapter 2

INTRODUCTION TO GOVERNANCE

Waterberg District Municipality is a category C municipality and has an Executive Mayoral System. The Council comprises of 35 councillors of which composed of directly and indirectly representatives and 3 traditional leaders. The majority of the councillors are from the ANC with DA and EFF and FF+ as opposition parties.

Throughout the year, the Municipal Manager as the head administration played his role in terms of section 55 of the Municipal Systems Act. Amongst many of his roles, the Municipal Manager was able to advise the political structures and political office bearers of the municipality and also carried out the decisions of the political structures and the political office bearers of the municipality. It is the responsibility of the Municipal Manager to advise council to take decisions which are in line with legislation and policies of the municipality.

The IDP review was used as main public participation tool which implemented /used to allow the communities to participate in the affairs of the municipality. The IDP Representative Fora were convened by the Office of the Municipal Manager, chaired by the Executive Mayor. The Ordinary Council meetings and the Portfolio were organized throughout the year and were chaired by the Mayoral Committee Members and eventually reported to the Mayoral Committee and the Council.

During the year under review, the Municipal Manager had also convened the Municipal Managers Forum which is attended by the local municipality municipal managers from the 5 local municipalities, the WDM section 57 managers and the senior managers of the 12 sector departments within the District. As a technical committee they prepare technical reports which are presented in the District Intergovernmental Relations Forum. This forum (District IGR Forum) also served as preparation for the Provincial IGR Forum whereby the Executive Mayors presented their District wide reports. EXCO Lekgotla decisions are discussed and implemented based on the reports. Discussions and resolutions presented at Exco Lekgotla are also presented at Min-Mec Meetings.

The implementation of the Performance Management System also serves as tool which is used to hold the Senior Managers accountable for their performances. The Municipal Manager himself assessed his Senior Managers and was assessed by the Executive Mayor. The IDP Representative Forum was used to report the performance of the council to the community. Over and above all these, the Executive Mayor had also convened izimbizos to report back to the community on all matters of service delivery. To improve on the effectiveness of the process, after every imbizo, the Office of Executive Mayor drafted a follow up programme on all the issues that were raised.

2.1 Component A-Political and Administrative Governance

2.1.1 POLITICAL GOVERNANCE

Section 52 (a) of the Municipal Finance Management Act provides that the Mayor must provide general political guidance over the fiscal and financial affairs of the Municipality. The Mayoral Committee is also established in terms of Section 79 of the Municipal Structures Act. Section 80 committees namely Budget and Treasury Office, Transformation and Administration, Infrastructure Development, Planning and Economic Development, Special Projects and Community Committees are chaired by the Mayoral Committee members.

Municipal Public Accounts Committee comprising of 10 members was established to play an oversight role and work closely with the Performance Audit Committee and the Audit Committee.

2.1.2 COUNCIL

Council is the legislative arm of the Municipality and highest decision making body over issues such as approval of the Budget and the IDP. These are functions that cannot be delegated to any Committees of the Council.

2.1.3 POLITICAL MANAGEMENT TEAM

CIIr S M Mataboge Executive Mayor

Cllr M A Tsebe Chief Whip

2.1.4 Mayoral Committee & Section 80 Committees

At least 5 meetings convened by the Portfolio Committees were able to process items for the Mayoral Committee and Council at least on a quarterly basis.

2.1.5. Section 79

Municipal Public Accounts Committee (MPAC)

MPAC comprising of 11 members was established in 2016 to play an overall oversight role and work closely with the Audit Committee and Performance Audit Committee. To formalize the role, Council had approved the terms of reference which are meant to guide the MPAC as to how it must do its business within the ambit of the law. The district-wide programme was developed to assist the local municipalities to perform their functions effectively within the correct timeframe. The committee met 4 times to deal with the business of the Annual Report.

Number	Position	Names	Political Party

ESTABLISHMENT OF COUNCIL COMMITTEES [SECTION 79]

THICS MANAGEMENT COMMITTEE				
Chairperson: K.S. Lamola	Members: (a) S.M. Mataboge			
	(b) M.A Tsebe			
	(c) M.B. Baloyi			
	(d) R. Maropeng			

- 1. The following Audit Committee Members were appointed by the previous Council for a period of three (3) years:
 - i. Mr. M. A. Mashego
 - ii. Mr. SAB Ngobeni
 - iii. Mr. M.L. Kgomo

2.1.6 POLITICAL DECISION MAKING

Council had met 8 times during the financial year under review and 4 special council meetings and 4 ordinary council meetings were convened. Out of 94 Council resolutions taken 83 were resolved and 11 on progresses by June 2017. It is normal procedure for Portfolio Committee meetings to be convened before Council and some special Council of the decisions was on the tabling of the IDP/Budget/SDBIP and the Adjustments budget.

2.2 ADMINISTRATIVE GOVERNANCE

In terms of section 54A of the Municipal Systems Amendment Act, the Municipal Manager is appointed as the Accounting Officer. Apart from being head of administration, he is also important link with the political office bearer.

M.S Mabotja Municipal Manager

The Office of Municipal Manager comprises of 2 divisions namely: Strategic Planning & Support and Internal Audit.

L.G Tloubatla
Chief Financial Officer:

Budget and Treasury Office comprises of 3 divisions namely: Supply Chain Management, Revenue Management, Reporting and Expenditure Management Division

RN Makgata Manager: Infrastructure Development.

The department comprises of 2 Divisions namely: Capital Programme & Road Maintenance

L Sole

Manager: Planning & Economic Development:

The department comprises of 3 divisions namely: Development Planning, Economic Development and Abattoir.

M A MAMPA
Manager: Social Development and Community Development:

The department comprises of 2 divisions namely: Municipal Health Service and Disaster Management.

P Makondo Manager Executive Support:

The department comprises of 3 Divisions namely: Intergovernmental Relations, Protocol & Communications, Community Participation and Council Support.

PF Nogilana-Raphela

Manager: Corporate Support & Shared Services:

The Department comprises of 3 divisions namely: Human Resources Management, Information and Communication Technology and Legal & Administration.

2.2 Component B-inter-Governmental Relations (IGR)

2.2.1 DISTRICT INTERGOVERMENTAL RELATIONS FORUM

Waterberg District Municipality is the coordinator of the Intergovernmental Relations in the District. An IGR framework was adopted in 2007 - which framework was used to give effect to the objects of the Intergovernmental Relations Framework Act. The Technical Committee of Senior Managers ,Sector Departments and Municipal Managers meet at least once a quarter and prepare reports which must be submitted to the Premier – Mayors Forum. Attendance by sector departments is a serious challenge and therefore hampers progress in terms of planning and service delivery.

2.2.2 PROVINCIAL INTERGOVERNMENTAL RELATIONS FORUM

The Province has initiated the Premier Mayors Forum which meets at least twice in a year. All 32 Mayors and the Municipal Managers and the Senior Managers meet and discuss issues of Governance. The Forum is attended by the District Mayors and the Municipal Managers. The Executive Mayor presents the technical report of the District before going to the Forum at the Province this forum.

2.2.3 NATIONAL INTERGOVERNMENTAL STRUCTURE

South Africa is a unitary state that is characterized by 3 spheres of government as enshrined in the Constitution of the Republic. All spheres are expected to cooperate with one another in the spirit of cooperative governance. These structures are helpful in that information and programmes are shared and alignment becomes the outcome of such efforts. All important decisions of the national intergovernmental forum should find expression in the lower IGR structures.

In general the Senior Managers at the District level need to appreciate the importance of IGR by attending themselves and avoid sending junior officials to IGR activities, which undermines the main thrust of such gatherings. The sector departments are expected to present reports to the Forum- which will show some of the IDP projects they are implementing, with regard to progress made.

2.3 Component C-Public Accountability and Participation

In terms of section 15 of the Municipal Structures Act requires a municipality must organize its administration to facilitate and promote a culture of accountability among its staff. Democratic governance entails reporting to the community and other stakeholders as to how the deployed resources have been used to deliver services.

2.3.1 PUBLIC MEETINGS

Nature and purpose of a meeting	Date of event/meeting	Number of participating Municipal Councillors	Number of Community members attending	Number of participating Municipal Administrators	Dates and manner of feedback given to Community
1st IDP Representative Forum : Adoption of Framework	15/08/2016	32	31	27	15 August 2016- Verbal
2nd IDP Representative Forum: Analysis Phase	02/12/2016	22	31	30	02 December 2016- Verbal
Executive Mayors Imbizo & Batho Pele Day	19/11/2016	26	105	52	19 November 2016- verbal
3 rd IDP Representative Forum: Budget & IDP	15/03/2017	23	27	25	15 March 2017 - Verbal
4th IDP Representative Forum	16/05/2017	19	16	10	16 May 2017- Verbal

2.3.2 IDP PARTICIPATION AND ALIGNMENT

IDP Participation and Alignment criteria	Yes / No
Does the municipality have impact outcome, input and output	Yes
indicators?	
Does the IDP have priorities objectives, KPIs and	Yes
development strategies ?	
Does the IDP have multi- year targets	Yes
Are the above aligned and can they calculate into a score?	Yes
Does the budget align directly to the KPIs in the strategic	Yes
plan?	
Do the IDP KPIs align to those of Section 57 Managers	Yes
Do the IDP KPIs lead to functional area KPIs as per SDBIP	Yes
Do the IDP KPIS align with the Provincial KPIs on the 12	Yes
outcomes	
Were the indicators communicated to the public?	Yes
Were the fourth quarter aligned submitted within	Yes
stipulated time frames?	

2.4 Component D- corporative Governance Overview

2.4.1 RISK MANAGEMENT

The Accounting Officer must ensure that the municipality has and maintains effective, efficient and transparent system of financial, risk management and internal control. Risk Management system is a valuable tool which increases an institution's prospects of success through minimizing negative outcomes and optimizing opportunities.

The municipality has reviewed its risk management policy in 2016 and the Audit Committee uses a risk based approach. A risk register entails a list of risks which senior managers should address. A risk management committee comprising of senior managers, divisional managers and an external chairperson is in place and has met consistently throughout the year.

Risk	Activity	Rating
1	Lack of integrated IT Systems	High
2	Loss of assets	High
3	Fraud and corruption	High
4	Appointment of incompetent officials	High
5	Poor capital spending	High

2.4.2 ANTI-CORRUPTION AND FRAUD

Anti-corruption and fraud strategy was developed, reviewed in 2016 and is being implemented. The vetting of SCM Officials goes a long way in reducing deviations which consequently helps the municipality to avoid irregular and unauthorized expenditures. No councilor is allowed to sit in the bid committees as prohibited by the Municipal Finance Management Act.

2.4.3 SUPPLY CHAIN MANAGEMENT

The Supply Chain Management Policy has been reviewed and is therefore in line with the MFMA Regulations. The Budget and Treasury Office is ensuring that the abovementioned be implemented without fear or favor. The 3 bid system is in place and the officials who sit in the committees have a fairly good understanding of the SCM processes and regulations. To reduce the possibility of fraud, SCM officials or members who sit in the tender committees have been vetted. The effective use of declaration of interest forms and regular reporting to Council on SCM Deviations is a necessary deterrent.

There are workshops conducted to ensure that officials involved on the Supply Chain matters are abreast with the new trends, developments and legislative environment guiding the Supply Chain Management Systems.

2.4.4 BY-LAWS

The procedure to develop a by-law is explicit in the Orders of Council document. The Corporate Services is best placed to lead a public participation process on the development of the by-laws. For the year under review no new

by- law neither was develop nor was an old by-law reviewed. The delay of promulgation rests with COGHSTA and makes it difficult to enforce certain decisions- which decisions will lack legal force. Municipal Systems empowers municipal councils to pass and implement by-laws in order to improve their service of the communities within their areas of jurisdiction.

	Newly developed	Revised	Public Participation conducted prior to the development of by-laws (Yes or No)		By-laws Gazetted Yes or No	Date of Publication
ĺ	None	None	None	None	None	None

2.4.5 MUNICIPAL WEBSITE

The Information and Communication Technology is responsible for hosting the website with the assistance of SITA. In terms of the Municipal Systems Act a number of important documents must be put on the website to ensure that the community and other stake-holders access such information. It is updated on a regular basis.

Documents published on the municipal website	Yes or No	Date of publication
Current annual and adjustments budget and all budget		Current annual
related documents	Yes	Adjustment Budget March 2017
All current budget related policies	Yes	June 2017
2016/17 Annual Report	No	Not yet
		Not yet
The 2016/17 Annual Report published or to be published	No	
All current performance agreements in terms of section		2016/17 July 2016
57(1) (b) and resultant scorecards	Yes	
All service delivery agreements of 2016/17	Yes	July 2016
All long term borrowing contracts	No	N/A
All quarterly reports tabled to Council	Yes	August 2016,January 2017
All supply chain management contracts above a certain value		& April 2017 July 2017
Public Private Partnerships	No	N/A
Information statement listing all the assets over a prescribed value that have been disposed	No	N/A
Contracts to which subsection of 33 applies	No	N/A

2.4.6 PUBLIC SATISFACTION ON MUNICIPAL SERVICES

Waterberg District Municipality does not have a public satisfaction survey mechanism which can be used to assess the attitude or perceptions of the community on the services it renders. This lack of mechanism makes it to be reactive and to rely too much on the Presidential and Premier hotlines. The IGR and Protocol Unit Division with the assistance of Strategic Support and Planning Unit is responsible for such matters.

Satisfaction Surveys undertaken in 2018/19

Subject matter of survey	Survey method	Survey date	Number of people included in survey	Survey result indicating satisfaction or better %
Overall satisfaction with				

(a) Municipality	None	NA	NA	NA

3. Chapter 3-Basic Services Delivery (Performance Report)

3.1 Component A-Basic Service

3.1.1 Water Provision

Waterberg District Municipality unlike the other district municipalities in the Province does not render any basic services. As a result of its lack of powers and function on these services, the role of the district municipality has been reduced to coordination of such services as water, electricity, sanitation and free basic services. Sporadically it is also assisting few local municipalities in implementing basic services projects when finances permit.

3.1.3 WASTE MANAGEMENT (THIS SECTION TO INCLUDE: REFUSE COLLECTIONS, WASTE DISPOSAL

Waterberg District Municipality does not perform the function.

3.1.4 ELECTRICITY

Waterberg District Municipality does not perform the function.

3.1.5 HOUSING

Waterberg District Municipality does not perform the function.

3.1.6 FREE BASIC SERVICES AND INDIGENT SUPPORT

Since Waterberg District Municipality does not have to the powers to perform basic services, it its local municipalities that are rendering such services. According to 2012/13 District IDP, the locals provided indigents with free basic water and electricity services.

3.2 Component B-Transport (including vehicles licencing & Public Bus Operations

Capital Expenditure 2016/17: Road Services R' 000								
2016/17								
Capital Projects	Budget	Adjustment Budget	Actual Expenditure	Variance from original budget	Total Project Value			
Total All								
Project A	No roads projects for 16/17	-	-	-	-			

Waterberg District Municipality has adopted an Integrated Transport Plan in 2007 and was reviewed in 2016. The powers and functions does not include licensing and public bus operation but gives direction regard integrated transport planning and the influence of infrastructure on economic development in particular and development in general. The process of finalising Road classification would go a long way in unlocking the potential of the district in sourcing extra funds to improve its road infrastructure.

3.2.1 GRAVEL ROAD INFRASTRUCTURE

	Employees: Road Services								
Job Level	2016/17 Employees	Posts	Employees	Vacancies (fulltime	Vacancies (as a % of total posts)				
	No.	No.	No.	equivalents) No.	%

16 - 18	-	-	-	-	-				
19 - 20	-	-	-	-	-				
Total	4	4	4	0,69	34.2				

3.2.2 DEVELOPMENT OF MUNICIPAL ROADS

The District roads were re-classified to be provincial roads by the MEC through provincial gazette.

3.3 Component C-Planning and Development

Lack of funds contributes to the fact that most of the SDF projects could not be initiated. In assisting the local municipalities to review their Central Business Districts, it cannot force them to implement them in their Integrated Development Plan. In general investment in Infrastructure development and dismantling of racial settlements are persistent. This poor funding also impacts on the local economic development. There are few resources really to commit to achieving the economic indicators relevant to the economy of the district.

3.3.1 PLANNING

The local municipalities are responsible for the implementation of their Land Use Management schemes.

Service Objectives	Outline Service Targets	2015/16 Target Actual		2016/17

3.4 Component D- Municipal Services

Waterberg District Municipality does not have powers and functions to render services such as libraries and archives; museums arts and galleries; community halls; cemeteries and crematoria; child care; aged care; social programmes, theatres.

3.4.1 MUNICIPAL INFRASTRUCTURE GRANT EXPENDITURE

WDM does not receive MIG from the National Treasury since it does not provide basic service. In the future it might be necessary to apply for the grant in order to deal with the road infrastructure within the district area. Whilst coordinating various meetings and receiving reports it became the expenditure of MIG by the local municipalities stood at 56%. WDM was appointed implementing agent to upgrade the Thabazimbi waste water treatment plant.

INTRODUCTION TO INFORMATION AND COMMUNICATION TECHNOLOGY (ICT) SERVICES

The role of technology in improving the lives of all people has been confirmed by the NPD where it is recognised as one of the drivers of change, From the strategic session held in March 2013, it became very clear that ICT should grow to become of the strategic departments on its own in the future. When ICTD is used correctly it can also assist to render more services, empower communities and reduce costs.

The division of ICT with its lean staff is doing fairly well to provide support to all other departments. The maintenance of ICT structure is mainly performed by SITA and the best part of the year, the municipality did not experience any serious downtime.

PROPERTY; LEGAL; RISK MANAGEMENT AND PROCUREMENT SERVICES

A GRAP compliance asset register was updated by the Budget and Treasury Office whilst the Corporate Services Department was responsible for its control.

Service Objectives	Outline Service	2014/15		2015/16		2016/17	2016/17

illialiciai yeal								

Note: This statement should include no more than the top four priority service objectives. The indicators and targets specified above (columns (i) and (ii)) must be incoporated in the indicator set for each municipality to which they apply. These are 'universal municipal indicators'. *'Current Year' refers to the targets set in the 2015/16 Budget/IDP round. *'Following Year' refers to the targets set in the 2015/16 Budget/IDP round. Note that all targets in the IDP must be fundable within approved budget provision. MSA 2000 chapter 5 sets out the purpose and character of Intergrated Development Plans (IDPs) and chapter 6 sets out the requirements for the reduction of performance management arrangement by municipalities in which IDPs play a key role.

16 - 18	-	-	-	-	
19 - 20	-	-	-	-	
Total	2	2	0	-	

Totals should equate to those included in the Chapter 4 total employee schedule. Employees and Posts numbers are as at 30 June. *Posts must be established and funded in the approved budget or adjustments budget. Full-time equivalents are calculated by taking the total number of working days lost (excluding weekends and public holidays) while a post remains vacant and adding together all such days lost by all posts within the same set (e.g. 'senior management') then dividing that total by 250 to give the number of posts equivalent to the accumulated days.

4 Chapter 4

4.1 Component A –introduction to the Municipal Personnel

4.1.1 EMPLOYEE TOTALS, TURNOVER AND VACANCIES

Waterberg District Municipal has a staff component of 155 of which 72 are females' employees whose responsibility is to implement its Integrated Development Plan. The attempt to develop an organisational development strategy was meant to improve the effectiveness and efficiency of the municipality. More emphasis should place on forward planning and project management skills. The Human Resources Division provides all the HR functions to all employees within the organisation.

	Number of positions for 2016/17 as at 30 June 2017											
	Department	Management	Technical	Labour	Support	Total	Vacant	% of vacant positions				
1	Budget and Treasury Office	4	-	-	11	15	1	0.15				
2	Office of Municipal Manager	3		0	6	9	0	0.0				
3	Corporate Support and Shared Services	3	-	8	13	24	0	0.0				
4	Planning and Economic Development	4	-	16	6	26	2	0.78				
5	Infrastructure Development	2	1	-	1	4	1	0.04				
6	Executive Support	4	-	-	11	15	1	1.44				
7.	Social and Community Services	3	-	-	59	62	1	0.72				
	Totals	23	1	24	107	155	6	3.87				

In general 96% of budgeted positions were filled at the end of the financial year.

4.2 Component B-Managing the Municipal Workforce

Employees as important assets of the municipality should be managed well and Senior Managers have a responsibility to motivate, guide and discipline other employees in order to implement the IDP successfully. Senior managers provide strategic leadership whilst divisional managers should supervise other employees and ensure there is operational efficiency. Training and development and reviewing and developing new policies are critical in improving the manner in which the staff is managed.

Employees					
Description	2015/16	2016/17			
	Employees	Approved Posts	Employees	Variance	Variance
	No.	No.	No.	No.	%
Water	-	-	-	-	-
Waste Water (Sanitation)	-	-	-	-	-

Corporate Policy Offices and Other	82	88	83	4	0%
Totals	129	155	149	6	96

Vacancy Rate 2016/17

Designations	*Total Approved Posts	*Variances (Total time that vacancies exist using fulltime equivalents)	*Variances (as a proportion of total posts in each category)
	No.	No.	%
Municipal Manager	1	0	0
CFO	1	0	0
Other S57 Managers (excluding Finance Posts)	4	0	0
Other S57 Managers (Finance posts)	-	-	-
Municipal Police	-	-	-
Fire fighters	25	1	-
Divisional management: Levels 3 Posts)	17	1	
Senior Officials Levels 4-5 posts	12	0	0
Officers Level 6-8 posts)	53	1	4
Officers Levels 9- 15 (Finance posts)	42	3	0
Total	155	6	5.1

Note: *For posts which are established and funded in the approved budget or adjustments budget (where changes in employee provision have been made). Full-time equivalents are calculated by taking the total number of working days lost (excluding weekends and public holidays) while a post remains vacant and adding together all such days lost by all posts within the same set (e.g. 'senior management') then dividing that total by 250 to give the number of posts equivalent to the accumulated days.

Turn	-over	Rate
------	-------	------

Details	Total Appointments as of beginning of Financial Year No.	Terminations during the Financial Year No.	Turn-over Rate*
2014/15	22	5	3.9
2015/16	13	4	2.8
2016/17	31	9	6.04

^{*} Divide the number of employees who have left the organisation within a year, by total number of employees who occupied posts at the beginning of the year

The vacancy turnover rate of 5% is normal and since the Acting Managers sign performance until such time that positions are filled them to strive towards achieving the targets of the organisation

COMMENT ON WORKFORCE POLICY DEVELOPMENT:

The Training and Development was reviewed and implemented by the Human Resources Division in line with the Workplace Skills Plan.

4.2.1 INJURIES, SICKNESS AND SUSPENSIONS

The HR system is able to keep a record of all employees and monthly basis reconciliation is made. There no serious abuses of sick leave since it is also managed in terms of the Collective Agreement. In terms of the nature of services which the municipal services rendered there no fatalities even in fire-fighting and disaster management services

Number and Period of Suspensions										
Position	Nature of Alleged Misconduct	Date of Suspensi on	Details of Disciplinary Action taken or Status of Case and Reasons why not Finalised	Date Finalised

2016/17							

4.3 Component C-Capacitating the Municipal Workforce

In general all employees are given the opportunity to improve their knowledge and skills on the tasks they are required to perform in terms of their job descriptions. The skills audit conducted by the HRD Officer goes a long in trying to align training with the Integrated Development Plan. The municipality has initiated a project on Organisational Development and Return on Investment Strategies which be completed in new financial year. HRD is initiating a tool which will measure return on investment more seriously.

COMPONENT C

CASH FLOW MANAGEMENT AND INVESTMENTS

5.9 CASH FLOW STATEMENT FOR THE YEAR ENDED 30 JUNE 2017

The importance of cash management lies in the fact that the municipality will have cash available to enable it to meet its obligations. It also enables the municipality to have a cash backed budget which is more about having the money in the bank rather than the cash which is expected to be collected from the debtors.

	Note(s)	2017	2016

COMPONENT D

OTHER FINANCIAL MATTERS

5.12 SUPPLY CHAIN MANAGEMENT

The municipality has established a functional Supply Chain Management Unit which is implementing the SCM regulations and policy without fear or favour. The unit has only 1 official who have not yet meet the National Treasury Competency Agreements. The municipality is implementing a 3 committee bid system of which no councillors are allowed to sit on. The committee members have been vetted. The Auditor General has not raise any serious queries about the functionality of the Supply Chain Management Unit under the leadership of the Chief Financial Officer.

5.13 GRAP COMPLIANCE

Waterberg District Municipality has converted to General Recognised Acceptance Principles. At least more than 30 GRAP standards are used to prepare the Annual Financial Statements. The Asset Register is also GRAP compliant.

COMPONENT A

AUDITOR-GENERAL OPINION 2015/16

Report of the auditor-general to the Limpopo council of Waterberg District Municipality

Report on the financial statements

Introduction

1. I have audited the financial statements of the municipality set out on pages ... to ..., which comprise the statement of financial position as at 30 June 2016, the statement of financial performance, statement of changes in net assets, cash flow statement and the statement of comparison of budget information with actual information for the year then ended, as well as the notes, comprising a summary of significant accounting policies and other explanatory information.

Accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with South African Standards of Generally Recognised Accounting Practice (SA standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2015 (Act No. 1 of 2015) (DoRA), and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor-general's responsibility

- 3. My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- 4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of

accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

6. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Waterberg District Municipality as at 30 June 2016 and its financial performance and cash flows for the year then ended, in accordance with SA standards of GRAP and the requirements of the MFMA and DoRA.

Emphasis of matters

7. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Irregular expenditure

8. As disclosed in note 32 to the financial statements, the municipality incurred irregular expenditure of R12 785 324 in contravention of the supply chain management (SCM) regulations.

Additional matters

9. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Unaudited supplementary information

10. The supplementary information set out on pages xx to xx does not form part of the financial statements and is presented as additional information. I have not audited this schedule and, accordingly, I do not express an opinion thereon

Report on other legal and regulatory requirements

11. In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) and the general notice issued in terms thereof, I have a responsibility to report findings on the reported performance information against predetermined objectives of selected Key Performance Areas presented in the annual performance report, compliance with legislation and internal control. The objective of my tests was to identify reportable findings as described under each subheading but not to gather evidence to express assurance on these matters. Accordingly, I do not express an opinion or conclusion on these matters.

Predetermined objectives

12. I performed procedures to obtain evidence about the usefulness and reliability of the reported performance information of the following selected key performance areas presented in the annual

performance report of the municipality for the year ended 30 June 2016:

- Key performance area 2: Basic services on pages x to x
- Key performance area 4: Local economic development on pages x to x
- 13. I evaluated the usefulness of the reported performance information to determine whether it was consistent with the planned development objectives. I further performed tests to determine whether indicators and targets were well defined, verifiable, specific, measurable, time bound and relevant, as required by the National Treasury's Framework for managing programme performance information (FMPPI).
- 14. I assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
- 15. The material findings in respect of the selected Key Performance Areas are as follows:

Basic service delivery

Usefulness of reported performance information

16. I did not identify any material findings on the usefulness of the reported performance information for key performance area: basic service delivery.

Reliability of reported performance information

17. The FMPPI requires auditees to have appropriate systems to collect, collate, verify and store performance information to ensure reliable reporting of actual achievements against planned objectives, indicators and targets. Adequate and reliable corroborating evidence could not be provided for the reported achievements against planned targets of important indicators.

Local economic development

Usefulness of reported performance information

18. I did not identify any material findings on the usefulness of the reported performance information for key performance area: basic service delivery

Reliability of reported performance information

19. The FMPPI requires auditees to have appropriate systems to collect, collate, verify and store performance information to ensure reliable reporting of actual achievements against planned objectives, indicators and targets. Adequate and reliable corroborating evidence could not be provided for the reported achievements against planned targets of important indicators.

Additional matters

20. I draw attention to the following matters:

Achievement of planned targets

21. Refer to the annual performance report on pages x to x; x to x for information on the achievement of the planned targets for the year. This information should be considered in the context of the material findings on the reliability of the reported performance information in paragraph(s) x; x; x of this report.

Unaudited supplementary schedules

22. The supplementary information set out on pages x to x does not form part of the annual performance report and is presented as additional information. I have not audited [this / these schedule(s)] and, accordingly, I do not report on them.

Compliance with legislation

23. I performed procedures to obtain evidence that the Municipality had complied with applicable legislation regarding financial matters, financial management and other related matters. My material findings on compliance with specific matters in key legislation, as set out in the general notice issued in terms of the PAA, are as follows:

Annual financial statement, performance and annual report

24. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122 of the MFMA.

Material misstatements of expenditure, accumulated surplus and irregular expenditure and other disclosure items identified by the auditors in the submitted financial statement were subsequently corrected and the supporting records were provided subsequently, resulting in the financial statements receiving an unqualified audit opinion.

Expenditure

25. Reasonable steps were not taken to prevent irregular expenditure, as required by section 62(1)(d) of the MFMA.

Consequence management

- 26. Unauthorised expenditure incurred by the municipality was not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(a) of the MFMA.
- 27. Irregular expenditure incurred by the municipality was not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(b) of the MFMA.
- 28. Fruitless and wasteful expenditure incurred by the municipality was not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(b) of the MFMA.

Internal control

29. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with legislation. The matters reported below are limited to the significant internal control deficiencies that resulted in the findings on the annual performance report and the findings on compliance with legislation included in this report.

LEADERSHIP

- 30. The municipality has not implemented sufficient monitoring controls to ensure accurate reporting on performance information.
- 31. The accounting officer did not adequately exercise oversight responsibility regarding financial and performance reporting and compliance with certain laws and regulations.

FINANCIAL AND PERFORMANCE MANAGEMENT

32. The financial statements and reported performance information contained a number of misstatements that were corrected. This is mainly due to inadequate review by management.

GOVERNANCE

33. Numerous errors and other misstatements in the annual performance reports could have been avoided had the internal audit adequately reviewed performance information.

COMPONENT B

AUDIT COMMITTEE ANNUAL REPORT 2016/17

WATERBERG DISTRICT MUNICIPALITY'S AUDIT COMMITTEE (AC) ANNUAL REPORT TO COUNCIL AND PROVINCIAL LEGISLATURE FOR PERIOD ENDED 30 JUNE 2017

1. INTRODUCTION

For and on behalf all the members of our esteemed Audit Committee (AC), I derive great pleasure and honor in presenting the annual audit committee report for the financial year 2016/2017 in accordance with the applicable legislative provisions.

2. AUDIT COMMITTEE FIDUCIARY DUTIES

In terms of Section 166 of the Municipal Finance Management Act (No. 56 of 2003), the Audit Committee must:

advise the Municipal Council, the political office-bearers, the Accounting Officer and the management staff of the municipality on matters relating to:-

- (i) Internal financial controls and internal audit;
- (ii) Risk management;
- (iii) Accounting policies;
- (iv) The adequacy, reliability and accuracy of financial reporting and information;
- (v) Performance management;
- (vi) Effective governance;
- (vii) Compliance with the MFMA, the DORA and any other applicable legislation;
- (viii) Performance evaluation; and
- (ix) Any other issues referred to it by the municipality
- (a) review the annual financial statements to provide the council of the municipality with an authoritative and credible view of the financial position of the municipality, its effectiveness and its overall level of compliance with the MFMA, the DORA and any other applicable legislation;
- (b) respond to the Council on any issues raised by the Auditor-General in the audit report;
- (c) carry out such investigations into the financial affairs of the municipality as the council of the municipality may request;

(d) perform such other functions as may be prescribed

3. AUDIT COMMITTEE MEMBERS AND ATTENDANCE

The AC, consisting of independent outside members listed below, meets at least four times per annum as per its approved terms of reference, additional special meetings may be called as the need arises.

Name and Surname	Position	Number of meetings attended					
		Ordinary	Special				
SAB Ngobeni	AC Chairperson	4 of 4	3 of 3				
A Mashego	AC Member	4 of 4	3 of 3				
LM Kgomo	AC Member	3 of 4	3 of 3				

4. AUDIT COMMITTEE RESPONSIBILITY

The Audit Committee (AC) reports that it has complied with its responsibilities arising from Section 166 of the Municipal Finance Management Act and Circular 65 issued by National Treasury. The AC also reports that it has adopted appropriate formal terms of reference as its AC Charter, and it has regulated its affairs in compliance with this charter and has discharged all its responsibilities as contained therein, except that we have not reviewed changes in accounting policies and practices.

5. EFFECTIVENESS OF INTERNAL CONTROL

AC's review of the effectiveness of the internal control revealed that there is a room for improvement in the system of internal control of the municipality. Internal audit findings and AGSA findings revealed a regression in system of internal control in respect of financial management/reporting, performance management and reporting, and compliance with laws and regulations. Notwithstanding the above, the Audit Committee notes management's commitment to correct the deficiencies.

6. IN YEAR/MONTHLY MONITORING REPORT

The municipality has monthly and quarterly reporting system to the Council as required by the Municipal Finance Management Act (MFMA). Monitoring and reviews of performance information were periodically in the year under review.

7. RISK MANAGEMENT

The AC is of the opinion that municipality's risk management maturity level is very high.

8. FINANCIAL MANAGEMENT

The AC used a set of uniform key financial ratios and norms suitable and applicable to municipalities as articulated in MFMA circular no. 71 to assess the financial health and viability of the district municipality. The review revealed that district is not financial viable. Thus, AC recommends the development of comprehensive financial turnaround strategy.

9. COMPLIANCE WITH LAWS AND REGULATIONS

A number of non-compliance with the enabling laws and regulations were revealed by Audit Committee, Internal Audit and AGSA during the year. Thus, there is a room for improvement in so far as establishing an effective system for monitoring compliance with laws and regulations and the results of management's investigation and follow-up (including disciplinary action) of any instances of non-compliance. Thus, the AC

recommended development and implementation of compliance management system and framework in order to addresses the issues of non-compliance.

10. INTERNAL AUDIT

The AC is satisfied with the effectiveness of Internal Audit. The above conclusion is based on:

- Reviewal with management and approval the internal audit charter, strategic and operational plans, internal audit activities, staffing (including competence and qualifications), and organisational structure of the Internal Audit Unit;
- Implementation of the approved the annual internal audit plan and all major changes to the plan.
- There were no unjustified restrictions or limitations on work of the internal audit caused by the unit.
- Review the internal audit budget, resource plan, activities, and organizational structure of the internal audit function;
- Compliance with the IIA's international standards for the professional practice by Internal Auditing unit

11. EXTERNAL AUDIT

- 11.1 The AC did review the Auditor-General 's proposed audit scope and approach, including coordination of audit effort with internal audit in respect of 2016/17 financial year; and on a regular basis, met separately with the Auditor-General to discuss any matters that the committee or auditors believe should be discussed privately.
- 11.2 The AC evaluated management responses to the reports or findings of the Auditor-General (Action plan to address prior year findings) on quarterly basis and gave inputs and advice on how best to addressed the findings raised by the AGSA.
- 11.3 At the time of submission of the annual financial statements and performance report to AGSA for audit, not all the AGSA findings were resolved as at 31 August 2017.
- 11.4 AC interacted with Final Audit and Management Letter issued by AGSA and concurs with AGSA's observations.

12. PERFORMANCE MANAGEMENT

The AC reviewed effectiveness and functionality of the performance management system and it appears to be functional. However, there is a room for improvement in so far as achievement of planned targets is concerned, usefulness and reliability of performance information as well as management's adequate review and monitoring of performance management information/reports.

13. FINANCIAL REPORTING

The AC reviewed the quality, accuracy, uselessness, reliability and appropriateness of monthly, quarterly and annual financial reporting and observed that there is a serious room for improvement in so far as compliance with section 122 of the MFMA and management's review and monitoring of financial reports.

14. IT GOVERNANCE

The AC did review current IT governance and arrangement and noted there is a room for improvement in so far as fully implementation of ICT Governance Framework.

15. IMPLEMENTATIONS OF AUDIT COMMITTEE RESOLUTIONS

As at the end of the year, a number of Audit Committee resolutions were implemented satisfactorily.

IMPLEMENTATION OF COUNCIL RESOLUTIONS

As at the end of the year a large number of Council resolutions were implemented and however, the AC recommends development and implementation of Council resolutions management systems and possible automation of the management of council resolutions.

16. CONSEQUENCE MANAGEMENT FRAMEWORK

For Council to foster and integrate the culture of accountability in the municipality, The AC recommends development and implementation of consequence management framework.

17. INTEGRATED/COMBINED ASSURANCE FRAMEWORK

To enhance the governance and oversight function of the municipality, the AC recommends development and implementation of combined assurance framework.

18. LEADERSHIP

Municipality Council did provide somewhat effective leadership based on a culture of honest and good governance. However there is a room for improvement in so far as management's oversight on the financial statements, performance reporting and compliance with laws and regulations governing the district municipality.

19. CONCLUSION

The AC wishes to acknowledge the commitment from Council, management and staff of the municipality. We would also like to thank the Executive Mayor for his support, Councilors, senior management for their efforts and internal audit for their contribution.

SAB Ngobeni

Waterberg District Municipality

Chairperson of the Audit Committee

08 January 2018

GLOSSARY

Accessibility indicators	Explore whether the intended beneficiaries are able to access services or outputs.
Accountability documents	Documents used by executive authorities to give "full and regular" reports on the matters under their
, , , , , , , , , , , , , , , , , , , ,	control to Parliament and provincial legislatures as prescribed by the Constitution. This includes
	plans, budgets, in-year and Annual Reports.
Activities	The processes or actions that use a range of inputs to produce the desired outputs and ultimately
	outcomes. In essence, activities describe "what we do".
Adequacy indicators	The quantity of input or output relative to the need or demand.
Annual Report	A report to be prepared and submitted annually based on the regulations set out in Section 121 of
·	the Municipal Finance Management Act. Such a report must include annual financial statements as
	submitted to and approved by the Auditor-General.
Approved Budget	The annual financial statements of a municipality as audited by the Auditor General and approved by
	council or a provincial or national executive.
Baseline	Current level of performance that a municipality aims to improve when setting performance targets.
	The baseline relates to the level of performance recorded in a year prior to the planning period.
Basic municipal service	A municipal service that is necessary to ensure an acceptable and reasonable quality of life to
	citizens within that particular area. If not provided it may endanger the public health and safety or the
	environment.
Budget year	The financial year for which an annual budget is to be approved – means a year ending on 30 June.
Cost indicators	The overall cost or expenditure of producing a specified quantity of outputs.
Distribution indicators	The distribution of capacity to deliver services.
Financial Statements	Includes at least a statement of financial position, statement of financial performance, cash-flow
	statement, notes to these statements and any other statements that may be prescribed.
General Key performance	After consultation with MECs for local government, the Minister may prescribe general key
indicators	performance indicators that are appropriate and applicable to local government generally.
Impact	The results of achieving specific outcomes, such as reducing poverty and creating jobs.
Inputs	All the resources that contribute to the production and delivery of outputs. Inputs are "what we use to
	do the work". They include finances, personnel, equipment and buildings.
Integrated Development	Set out municipal goals and development plans.
Plan (IDP)	
National Key performance	Service delivery & infrastructure
areas	Economic development
	Municipal transformation and institutional development
	Financial viability and management
	Good governance and community participation
Outcomes	The medium term regults for anacific handiciaries that are the appearuance of achieving anacific
Outcomes	The medium-term results for specific beneficiaries that are the consequence of achieving specific outputs. Outcomes should relate clearly to an institution's strategic goals and objectives set out in its
	plans. Outcomes are "what we wish to achieve".
Outputs	The final products, or goods and services produced for delivery. Outputs may be defined as "what
Outputs	we produce or deliver". An output is a concrete achievement (i.e. a product such as a passport, an
	action such as a presentation or immunization, or a service such as processing an application) that
	contributes to the achievement of a Key Result Area.
Performance Indicator	Indicators should be specified to measure performance in relation to input, activities, outputs,
The state of the s	outcomes and impacts. An indicator is a type of information used to gauge the extent to
	which an output has been achieved (policy developed, presentation delivered, service rendered)
Performance Information	Generic term for non-financial information about municipal services and activities. Can also be used
	interchangeably with performance measure.
Performance Standards:	The minimum acceptable level of performance or the level of performance that is generally
	accepted. Standards are informed by legislative requirements and service-level agreements.
	a state of the sta

	Performance standards are mutually agreed criteria to describe how well work must be done in
	terms of quantity and/or quality and timeliness, to clarify the outputs and related activities of a job by
	describing what the required result should be. In this EPMDS performance standards are divided
	into indicators and the time factor.
Performance Targets:	The level of performance that municipalities and its employees strive to achieve. Performance
	Targets relate to current baselines and express a specific level of performance that a municipality
	aims to achieve within a given time period.
Service Delivery Budget	Detailed plan approved by the mayor for implementing the municipality's delivery of services;
Implementation Plan	including projections of the revenue collected and operational and capital expenditure by vote for
	each month. Service delivery targets and performance indicators must also be included.
Vote:	One of the main segments into which a budget of a municipality is divided for appropriation of money
	for the different departments or functional areas of the municipality. The Vote specifies the total
	amount that is appropriated for the purpose of a specific department or functional area.
	Section 1 of the MFMA defines a "vote" as:
	a) one of the main segments into which a budget of a municipality is divided for the appropriation of
	money for the different departments or functional areas of the municipality; and
	b) which specifies the total amount that is appropriated for the purposes of the department or
	functional area concerned
