

**REPORT OF THE AUDITOR-GENERAL TO THE EASTERN CAPE PROVINCIAL  
LEGISLATURE AND THE COUNCIL ON THE FINANCIAL STATEMENTS AND  
PERFORMANCE INFORMATION OF CACADU DISTRICT MUNICIPALITY FOR THE  
YEAR ENDED 30 JUNE 2008**

**REPORT ON THE FINANCIAL STATEMENTS**

**Introduction**

1. I have audited the accompanying financial statements of the Cacadu District Municipality which comprise the statement of financial position as at 30 June 2008, statement of financial performance, statement of changes in net assets and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages xx to xx.

**Responsibility of the accounting officer for the financial statements**

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting determined by the National Treasury, as set out in accounting policy note 1 to the financial statements and in the manner required by the Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act, 2007 (Act No. 1 of 2007) (DoRA). This responsibility includes:
  - designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
  - selecting and applying appropriate accounting policies
  - making accounting estimates that are reasonable in the circumstances.

**Responsibility of the Auditor-General**

3. As required by section 188 of the Constitution of the Republic of South Africa, 1996 read with section 4 of the Public Audit Act, 2004 (Act No. 25 of 2004) (PAA), my responsibility is to express an opinion on these financial statements based on my audit.
4. I conducted my audit in accordance with the International Standards on Auditing and *General Notice 616 of 2008*, issued in *Government Gazette No. 31057 of 15 May 2008*. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance on whether the financial statements are free from material misstatement.

5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
6. An audit also includes evaluating the:
  - appropriateness of accounting policies used
  - reasonableness of accounting estimates made by management
  - overall presentation of the financial statements.
7. Paragraph 11 *et seq.* of the Statement of Generally Recognised Accounting Practice, GRAP 1 *Presentation of Financial Statements* requires that financial reporting by entities shall provide information on whether resources were obtained and used in accordance with the legally adopted budget. As the budget reporting standard is not effective for this financial year, I have determined that my audit of any disclosures made by Cacadu District Municipality in this respect will be limited to reporting on non-compliance with this disclosure requirement.
8. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### **Basis of accounting**

9. The municipality's policy is to prepare financial statements on the basis of accounting determined by the National Treasury, as set out in accounting policy note 1 to the financial statements.

#### **Opinion**

10. In my opinion the financial statements present fairly, in all material respects, the financial position of Cacadu District Municipality as at 30 June 2008 and its financial performance and cash flows for the year then ended, in accordance with the basis of accounting determined by the National Treasury, as set out in accounting policy note 1 to the financial statements and in the manner required by the MFMA and DoRA.

#### **Emphasis of matter**

Without qualifying my audit opinion, I draw attention to the following matter:

#### **Highlighting critically important matters presented or disclosed in the financial statements**

#### **Restatement of corresponding figures**

11. As disclosed in note 20 to the financial statements, the corresponding figures for 30 June 2008 have been restated as result of changes in accounting policies and

errors discovered during the 30 June 2008 financial year in the financial statements of Cacadu District Municipality.

## OTHER MATTERS

Without qualifying my audit opinion, I draw attention to the following matters that relate to my responsibilities in the audit of the financial statements:

### Non-compliance with applicable legislation

#### 12. Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA)

The municipality has not paid all money owing within 30 days of receiving the relevant invoice or statement as required by section 65(2)(e) of the MFMA.

### Matters of governance

13. The MFMA tasks the accounting officer with a number of responsibilities concerning financial and risk management and internal control. Fundamental to achieving this is the implementation of certain key governance responsibilities, which I have assessed as follows:

Matter of governance	Yes	No
<b>Audit committee</b>		
• The municipality had an audit committee in operation throughout the financial year.	✓	
• The audit committee operates in accordance with approved, written terms of reference.	✓	
• The audit committee substantially fulfilled its responsibilities for the year, as set out in Section 166(2) of the MFMA.	✓	
<b>Internal audit</b>		
• The municipality had an internal audit function in operation throughout the financial year.	✓	
• The internal audit function operates in terms of an approved internal audit plan.	✓	
• The internal audit function substantially fulfilled its responsibilities for the year, as set out in Section 165(2) of the MFMA.	✓	
<b>Other matters of governance</b>		
• The annual financial statements were submitted for audit as per the legislated deadlines in section 126 of the MFMA.	✓	
• The annual report was submitted to the auditor for consideration prior to the date of the auditor's report.		✓
• The financial statements submitted for audit were not subject to any material amendments resulting from the audit.		✓
• No significant difficulties were experienced during the audit concerning delays or the unavailability of expected information and/or the unavailability of senior management.	✓	
• The prior year's external audit recommendations have been substantially implemented.	✓	
<b>Implementation of Standards of Generally Recognised Accounting Practice (GRAP)</b>		
• The municipality submitted an implementation plan, detailing progress towards full compliance with GRAP, to the National Treasury and the relevant provincial treasury before 30 October 2007.		✓
• The municipality substantially complied with the implementation plan it submitted to the National Treasury and the relevant provincial treasury before 30 October 2007, detailing its progress towards full compliance with GRAP.	✓	
• The municipality submitted an implementation plan, detailing further progress towards full compliance with GRAP, to the National Treasury and the relevant provincial treasury before 31 March 2008.	✓	

### **Unaudited supplementary schedules**

14. The supplementary information set out in appendices C, D, E(1) and E(2) does not form part of the financial statements and is presented as additional information. I have not audited these schedules and accordingly I do not express an opinion thereon.

### **OTHER REPORTING RESPONSIBILITIES**

#### **REPORT ON PERFORMANCE INFORMATION**

15. I was engaged to audit the performance information.

#### **Responsibility of the accounting officer for the performance information**

16. In terms of section 121(3)(c) of the MFMA, the annual report of a municipality must include the annual performance report of the municipality prepared by the municipality in terms of section 46 of the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000) (MSA).

#### **Responsibility of the Auditor-General**

17. I conducted my engagement in accordance with section 13 of the PAA, read with *General Notice 616 of 2008*, issued in *Government Gazette No. 31057 of 15 May 2008* and read in conjunction with section 45 of the Municipal Systems Act, 2000 (Act No. 32 of 2000).
18. In terms of the foregoing my engagement included performing procedures of an audit nature to obtain sufficient appropriate evidence about the performance information and related systems, processes and procedures. The procedures selected depend on the auditor's judgement.
19. I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for the audit findings reported below.

#### **Audit findings (performance information)**

##### **Non-compliance with regulatory requirements**

20. The internal auditors did not audit the performance measurements on a continuous basis, as required by the *Municipal Planning and Performance Management Regulations Gazette 7146* issued in *Government Gazette No. 22 605 of 24 August 2001*, section 14(c), read in conjunction with section 45 of the MSA, as only two quarterly reports on their audits were submitted to the accounting officer and the performance audit committee.

##### **Performance information not received in time**

21. Performance information was not received in time and consequently the quality of only the following two programmes of the performance information could be verified for audit purposes:
- Priority 1: Infrastructure investment - To assist local municipalities to provide adequate potable water and adequate sanitation by 2010.

- Priority 2: Economic development - To grow the district economy to achieve a year-on-year growth rate.

## **APPRECIATION**

22. The assistance rendered by the staff of the Cacadu District Municipality during the audit is sincerely appreciated.
