

# REPORT OF THE AUDITOR GENERAL TO THE WESTERN CAPE PROVINCIAL PARLIAMENT AND COUNCIL ON CAPE WINELANDS DISTRICT MUNICIPALITY

## REPORT ON THE FINANCIAL STATEMENTS

### Introduction

1. I have audited the financial statements of the Cape Winelands Municipality set out on pages 5 to 68, which comprise the statement of financial position as at 30 June 2014, the statement of financial performance, statement of changes in net assets, the cash flow statement and the statement of comparison of budget information and actual information for the year then ended, as well as the notes, comprising a summary of significant accounting policies and other explanatory information.

### Accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with the South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP), the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2013 (Act No. 2 of 2013) (DoRA), and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor-general's responsibility

3. My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA), the general notice issued in terms thereof and International Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

6. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Cape Winelands Municipality as at 30 June 2014 and its financial performance, cash flows and comparison between actual and budgeted amounts for the year then ended, in accordance with SA Standards of GRAP and the requirements of the MFMA and DoRA.

### **Emphasis of matter**

7. I draw attention to the matter below. My opinion is not modified in respect of this matter.

### **Restatement of corresponding figures**

8. As disclosed in note 44 to the financial statements, the corresponding figures for 30 June 2013 have been restated as a result of errors discovered during the 2013-14 financial year in the financial statements of the Cape Winelands District Municipality at, and for the year ended, 30 June 2013.

### **Additional matters**

9. I draw attention to the matters below. My opinion is not modified in respect of these matters.

### **Unaudited disclosure notes**

10. In terms of section 125(2)(e) of the MFMA the municipality is required to disclose particulars of non-compliance with the MFMA. This disclosure requirement did not form part of the audit of the financial statements and accordingly I do not express an opinion thereon.

## **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

11. In accordance with the PAA and the general notice issued in terms thereof, I report the following findings on the reported performance information against predetermined objectives for selected objectives presented in the annual performance report, non-compliance with legislation as well as internal control. The objective of my tests was to identify reportable findings as described under each subheading but not to gather evidence to express assurance on these matters. Accordingly, I do not express an opinion or conclusion on these matters.

### **Predetermined objectives**

12. I performed procedures to obtain evidence about the usefulness and reliability of the reported performance information for the following selected objectives presented in the annual performance report of the municipality for the year ended 30 June 2014:
  - To ensure the health and safety of communities in the Cape Winelands through the proactive prevention, mitigation, identification and management of environmental health, fire and disaster risks (on pages 38 to 39).
  - To support and ensure the development and implementation of Infrastructural services such as bulk- and internal services, functional road network and public transport services that contributes to Integrated Human Settlements in the Cape Winelands (on pages 40 to 41).
13. I evaluated the reported performance information against the overall criteria of usefulness and reliability.
14. I evaluated the usefulness of the reported performance information to determine whether it was presented in accordance with the National Treasury's annual reporting principles and whether the reported performance was consistent with the planned objectives. I further performed tests to determine whether indicators and targets were well defined, verifiable, specific, measurable, time bound and relevant as required by the National Treasury's *Framework for managing programme performance information* (FMPPI).

15. I assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
16. I did not raise any material findings on the usefulness and reliability of the reported performance information for the selected objectives.

**Additional matters**

17. I draw attention to the following matters:

**Achievement of planned targets**

18. Refer to the annual performance report on pages 38 to 43 for information on the achievement of planned targets for the year.

**Material adjustments to annual performance report**

19. I identified material misstatements in the annual performance report submitted for auditing on the reported performance information *to support and ensure the development and implementation of Infrastructural services such as bulk- and internal services, functional road network and public transport services that contribute to Integrated Human Settlements in the Cape Winelands* development objective. As management subsequently corrected the misstatements I did not raise any material findings on the usefulness and reliability of the reported performance information.

**Compliance with laws and regulations**

20. I performed procedures to obtain evidence that the municipality had complied with applicable legislation regarding financial matters, financial management and other related matters. I did not identify any instances of material non-compliance with specific matters in key legislation, as set out in the general notice issued in terms of the PAA.

**Internal control**

21. I considered internal control relevant to my audit of the financial statements, the annual performance report and compliance with legislation. I did not identify any significant deficiencies in internal control.
