

# Report of the auditor-general to the Eastern Cape Provincial Legislature and the council of Nyandeni Local Municipality

## Report on the audit of the financial statements

#### **Opinion**

1. I have audited the financial statements of the Nyandeni Local Municipality set out on pages ... to ..., which comprise the statement of financial position as at 30 June 2019, the statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget information with actual information for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Nyandeni Local Municipality as at 30 June 2019, and its financial performance and cash flows for the year then ended in accordance with South African Standards of Generally Recognised Accounting Practise (GRAP) and the requirements of Municipal Finance Act of South Africa (MFMA) and Division of Revenue Act of South Africa, 2014 (Act No. 1 of 2015) (Dora).

## **Basis for opinion**

- 2. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the separate financial statements section of this auditor's report.
- 3. I am independent of the municipality in accordance with sections 290 and 291 of the International Ethics Standards Board for Accountants' Code of ethics for professional accountants and, parts 1 and 3 of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA codes) as well as the ethical requirements that are relevant to my audit in South África. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA codes.
- 4. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Emphasis of matters**

5. I draw attention to the matters below. My opinion is not modified in respect of these matters.

#### Restatement of corresponding figures

6. As disclosed in note 46 to the financial statements, the corresponding figures for 30 June 2018 were restated as a result of an error in the financial statements of the municipality at, and for the year ended 30 June 2019.

# Irregular Expenditure

7. As disclosed in note 51 to the financial statements, the municipality has accumulated R4.3 million irregular expenditure that has not been recovered, written off or condoned.

#### Material losses - trade debtors

8. As disclosed in note 5 to the financial statements material impairment allowances of R15,3 million were made against receivables from non exchange transactions.

#### Other matter

9. I draw attention to the matter below. My opinion is not modified in respect of this matter.

#### Unaudited disclosure notes

10. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and accordingly, I do not express an opinion on it.

## Responsibilities of Accounting Officer for the financial statements

- 11. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with South African Standards of Generally Recognised Accounting Practise and the requirements of the Municipal Finance Act of South Africa, 2003 (Act No. 56 of 2003)(MFMA) and the Dora and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
- 12. In preparing the financial statements, the accounting officer is responsible for assessing the Nyandeni Local Municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

# Auditor-general's responsibilities for the audit of the financial statements

- 13. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- 14. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

#### Report on the audit of the annual performance report

#### Introduction and scope

- 15. In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof, I have a responsibility to report material findings on the reported performance information against predetermined objectives for selected development priorities presented in the annual performance report. I performed procedures to identify findings but not to gather evidence to express assurance.
- 16. My procedures address the reported performance information, which must be based on the approved performance planning documents of the municipality. I have not evaluated the completeness and appropriateness of the performance measures included in the planning documents. My procedures also did not extend to any disclosures or assertions relating to planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
- 17. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the following selected development priorities presented in the annual performance report of the municipality for the year ended 30 June 2019:

Development priorities	Pages in the annual performance report
Development priority 1– basic service delivery	x – x

- 18. I performed procedures to determine whether the reported performance information was properly presented and whether performance was consistent with the approved performance planning documents. I performed further procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
- 19. The material findings in respect of the usefulness of the selected development priorities are as follows:

# **Development priority 1: Basic Service Delivery**

#### Various Indicators:

20. The following performance indicators were not well-defined and specific.

Output Indicator (2018-2019)	Annual Target
Detailed Progress Report	Construction of 11 km Ngidini to Khangisa Access Road in Ward 18
Detailed Progress Report	Design of 10km Bantini to KuBhodi A/R in Ward 21

#### Number of kilometres maintained

21. The following targets were not measurable and specific.

Output Indicator (2018-2019)	Annual Target is not measurable and not specific
Number of kilometers maintained	Chophetyeni to Luthubeni A/R
	Mthebelezi to Ntapane
	Goli AR
	Lwandile AR
	Dungu to Bungu AR)

#### **Detailed Progress Report**

22. The following reported target is not consistent with the planned target.

Planned Target	Reported Target
Construction of 11 km Ngidini to Khangisa	Project 83% (Average) Complete
Access Road in Ward 18	Establishment 100%
Project 70% (Average) Complete	Site Clearance100%
Site Establishment 100%	Roadbed Preparation 100%
Site Clearance 100%	Storm Water Drainage 100%
Layer works 80%	Tipping of Subbase 100%
Drainage and Pipe Culverts 30%	Processing 85%
	Ditch Drains 0%
	Road Signs 80%

23. I did not raise any material findings on the reliability of the reported performance information for the basic service delivery.

#### Other matter

24. I draw attention to the matter below.

#### **Achievement of planned targets**

25. Refer to the annual performance report on pages ... to ... for information on the achievement of planned targets for the year and explanations provided for the under/ over achievement of a number of targets for the year .This information should be considered in the context of the material findings on the usefulness of the reported performance information in paragraph(s) 19 to 23 of this report.

## Report on the audit of compliance with legislation

#### Introduction and scope

- 26. In accordance with the PAA and the general notice issued in terms thereof, I have a responsibility to report material findings on the compliance of the municipality with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.
- 27. The material findings on compliance with specific matters in key legislations are as follows:

#### Annual financial statements and annual report

28. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA. Material misstatements of non-current assets and disclosure items identified by the auditors in the submitted financial statement were subsequently corrected, resulting in the financial statements receiving an unqualified audit opinion.

#### **Procurement and contract management**

29. Some of the commodities designated for local content and production, were procured from suppliers who did not submit a declaration on local production and content as required by the 2017 preferential procurement regulation.

#### Other information

- 30. The accounting officer is responsible for the other information. The other information does not include the financial statements, the auditor's report and those selected development priorities presented in the annual performance report that have been specifically reported in this auditor's report.
- 31. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion thereon.
- 32. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements

- and the selected development priorities presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
- 33. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

#### Internal control deficiencies

I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance on it. The matters reported below are limited to the significant internal control deficiencies that resulted in the findings on the annual performance report and the findings on compliance with legislation included in this report.

- 34. Management did not implement adequate controls around the preparation and reviewing of the annual financial statements and annual performance information which has led to the material misstatements identified during the audit.
- 35. Management did not ensure that there are adequate controls in procurement and contract management to ensure compliance with key SCM regulations.

East London

30 November 2019

Auditor General

AUDITOR OFNERAL SOUTH AFRICA

# Annexure – Auditor-general's responsibility for the audit

As part of an audit in accordance with the ISAs, I exercise professional judgement and
maintain professional scepticism throughout my audit of the financial statements, and the
procedures performed on reported performance information for selected development priorities
and on the municipality's compliance with respect to the selected subject matters.

#### Financial statements

- 2. In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:
  - identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
  - obtain an understanding of internal control relevant to the audit in order to design audit
    procedures that are appropriate in the circumstances, but not for the purpose of
    expressing an opinion on the effectiveness of the municipality's internal control
  - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer
  - conclude on the appropriateness of the accounting officer use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Nyadeni Local Municipality's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause a municipality to cease continuing as a going concern
  - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

# Communication with those charged with governance

- 3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
- 4. I also confirm to the accounting officer that I have complied with relevant ethical requirements regarding independence, and communicate all relationships and other matters that may reasonably be thought to have a bearing on my independence and, where applicable, related safeguards.
