

Auditor-General of South Africa

uMzambe Municipality

**Audit report for the year ended
30 June 2019**

Report of the auditor-general to KwaZulu-Natal Provincial Legislature and the council on uMzumbe Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the uMzumbe Municipality set out on pages ... to ..., which comprise the statement of financial position as at 30 June 2019, the statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget and actual amounts for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the uMzumbe Municipality as at 30 June 2019, and its financial performance and cash flows for the year then ended in accordance with the requirements of the South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2018 (Act No. 1 of 2018) (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of this auditor's report.
4. I am independent of the municipality in accordance with sections 290 and 291 of the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* and parts 1 and 3 of the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* (IESBA codes) as well as the ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA codes.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Restatement of corresponding figures

7. As disclosed in note 29 to the financial statements, the corresponding figures for 30 June 2018 were restated as a result of errors in the financial statements of the municipality, at and for the year ended 30 June 2019.

Underspending of the budget

8. As disclosed in the statement of comparison of budget and actual amounts, the municipality materially underspent the budget by R42,86 million on salary related costs, general expenses and contracted services due to implementing strict cost cutting measures and re-prioritising certain projects.

Irregular expenditure

9. As disclosed in note 28 to the financial statements, the municipality incurred irregular expenditure of R25,34 million, as it did not follow a proper tender process.

Other matter

10. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure notes

11. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Responsibilities of accounting officer for the financial statements

12. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the SA Standards of GRAP and the requirements of the MFMA and Dora, and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
13. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or cease operations, or there is no realistic alternative but to do so.

Auditor-general's responsibilities for the audit of the financial statements

14. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
15. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Introduction and scope

16. In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof, I have a responsibility to report material findings on the reported performance information against predetermined objectives for the selected development priorities presented in the annual performance report. I performed procedures to identify findings but not to gather evidence to express assurance.
17. My procedures address the reported performance information, which must be based on the approved performance planning documents of the municipality. I have not evaluated the completeness and appropriateness of the performance indicators included in the planning documents. My procedures also did not extend to any disclosures or assertions relating to planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
18. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the basic service delivery development priority presented in the annual performance report of the municipality for the year ended 30 June 2019.
19. I performed procedures to determine whether the reported performance information was properly presented and whether performance was consistent with the approved performance planning documents. I performed further procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
20. The material finding in respect of the usefulness and reliability of the selected development priorities is as follows:

KPA 2 – Basic Service Delivery

Objective: To ensure environmental protection and sustainability

21. The strategic objective reported in the annual performance report was not included in the Service Delivery Budget Implementation Plan (SDBIP).

Target: Gravelling and storm water: 3km

22. The target approved in the SDBIP was gravelling and storm water: 3km. However, the target reported in the annual performance report was roads maintenance: 8km.

Other matters

23. I draw attention to the matters below.

Achievement of planned targets

24. The annual performance report on pages xx to xx sets out information on the achievement of planned targets for the year. This information should be considered in the context of the material findings on the usefulness and reliability of the reported performance information in paragraph 21 and 22 of this report.

Adjustment of material misstatements

25. I identified material misstatements in the annual performance report submitted for auditing. These material misstatements were on the reported performance information of the basic service delivery development priority. As management subsequently corrected only some of the misstatements, I raised material findings on the usefulness and reliability of the reported performance information. Those that were not corrected are reported above.

Report on the audit of compliance with legislation

Introduction and scope

26. In accordance with the PAA and the general notice issued in terms thereof, I have a responsibility to report material findings on the compliance of the municipality with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.

27. The material findings on compliance with specific matters in key legislation are as follows:

Annual financial statements

28. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA. Material misstatements of current assets and the disclosure identified by the auditors in the submitted financial statements were subsequently corrected and the supporting records were provided, resulting in the financial statements receiving an unqualified audit opinion.

Procurement and contract management

29. Some of the invitations for competitive bidding were not advertised for a required minimum period of days, in contravention of Supply Chain Management (SCM) regulation 22(1) and 22(2).

30. Some of the competitive bids were adjudicated by a bid adjudication committee that was not composed in accordance with SCM regulation 29(2).

Other information

31. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report. The other information does not include the financial statements, the auditor's report and the selected development priority presented in the annual performance report that has been specifically reported in the auditor's report.

32. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion thereon.
33. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected development priority presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
34. The other information I obtained prior to the date of this auditor's report is the mayor's foreword and the other information included in the annual report is expected to be made available to us after 5 December 2019.
35. If based on the work I have performed on the other information that I obtained prior to the date of this auditor's report, I conclude that there is a material misstatement in this other information, I am required to report that fact. I have nothing to report in this regard.
36. When I do receive and read the final other information included in the annual report, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

37. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance on it. The matters reported below are limited to the significant internal control deficiencies that resulted in the findings on the APR and the findings on compliance with legislation included in this report.
38. The leadership did not establish effective oversight and monitoring over performance reporting processes and compliance with laws and regulations.

Other reports

39. I draw attention to the following engagement conducted by various parties that had, or could have, an impact on the matters reported in the municipality's financial statements, reported performance information, compliance with applicable legislation and other related matters. This report does not form part of my opinion on the financial statements or my findings on the reported performance information or compliance with legislation.
40. During the 2018-19 financial year, at the request of the uMzombe municipal council, the provincial oversight body authorised a forensic investigation into the affairs of uMzombe Municipality in terms of section 106 of the Municipal Systems Act of South Africa, 2000 (Act No.32 of 2000). The investigation will focus on alleged fraud, corruption and maladministration within the municipality.

Auditor-General

Pietermaritzburg

5 December 2019

AUDITOR-GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure – Auditor-general’s responsibility for the audit

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements, and the procedures performed on reported performance information for selected development priorities and on the municipality’s compliance with respect to the selected subject matters.

Financial statements

2. In addition to my responsibility for the audit of the financial statements as described in this auditor’s report, I also:
 - identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
 - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality’s internal control
 - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer
 - conclude on the appropriateness of the accounting officer’s use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the uMzumbe Municipality’s ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor’s report. However, future events or conditions may cause the municipality to cease continuing as a going concern
 - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
4. I also confirm to the accounting officer that I have complied with relevant ethical requirements regarding independence, and communicate all relationships and other matters that may reasonably be thought to have a bearing on my independence and, where applicable, related safeguards.
