

Report of the auditor-general to the Eastern Cape Provincial Legislature and the council on the Kou-Kamma Local Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Kou-Kamma Local Municipality set out on pages ... to ..., which comprise the statement of financial position as at 30 June 2020, statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget and actual amounts for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Kou-Kamma Local Municipality as at 30 June 2020, and its financial performance and cash flows for the year then ended in accordance with the South African Standards of Generally Recognised Accounting Practise (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 16 of 2019 (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of this auditor's report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Material uncertainty relating to going concern

6. I draw attention to the matter below. My opinion is not modified in respect of this matter.
7. I draw attention to note 48 to the financial statements, which indicates that the municipality does not have enough cash resources available to meet its obligations when they are due. As a result, certain creditors have insisted on only providing services on a cash basis.

8. These conditions, along with other matters and mitigating strategies set forth in note 48 to the financial statements, indicate the existence of a material uncertainty that may cast doubt on the municipality's ability to continue operating as a going concern.

Emphasis of matters

9. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Unauthorised expenditure

10. As disclosed in note 34.1 to the financial statements, unauthorised expenditure of R16 million (2018-19: R18 million) has accumulated over the years and has not been recovered, written off or condoned.

Material impairments

11. As disclosed in note 3.2 to the financial statements, receivables from exchange transactions of R121,5 million (2018-19: R83,2 million) were impaired.
12. As disclosed in note 4 to the financial statements, receivables from non-exchange transactions of R38,8 million (2018-19: R27,7 million) were impaired.

Material losses

13. As disclosed in note 36 to the financial statements, the municipality incurred material losses relating to water of R11,5 million (2018-19: R11,3 million).

Other matter

14. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure notes

15. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Responsibilities of the accounting officer for the financial statements

16. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the SA Standards of GRAP and the requirements of the MFMA and Dora, and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
17. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the appropriate

governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Auditor-general’s responsibilities for the audit of the financial statements

18. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
19. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor’s report.

Report on the audit of the annual performance report

Introduction and scope

20. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I have a responsibility to report on the usefulness and reliability of the reported performance information against predetermined objectives for the selected development priority in the annual performance report. I performed procedures to identify material findings but not to gather evidence to express assurance.
21. My procedures address the usefulness and reliability of the reported performance information, which must be based on the municipality’s approved performance planning documents. I have not evaluated the completeness and appropriateness of the performance indicators included in the planning documents. My procedures do not examine whether the actions taken by the municipality enabled service delivery. My procedures also do not extend to any disclosures or assertions relating to planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
22. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the following selected development priority presented in the municipality’s annual performance report for the year ended 30 June 2020:

Development priority	Pages in the annual performance report
KPA 2 – basic service delivery and infrastructure investment	x – x

23. I performed procedures to determine whether the reported performance information was consistent with the approved performance planning documents. I performed further

procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.

24. I did not identify any material findings on the usefulness and reliability of the reported performance information for this development priority:

- KPA 2 – basic service delivery and infrastructure investment

Achievement of planned targets

25. Refer to the annual performance report on pages x to x for information on the achievement of planned targets for the year.

Report on the audit of compliance with legislation

Introduction and scope

26. In accordance with the PAA and the general notice issued in terms thereof, I have a responsibility to report material findings on the municipality's compliance with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.

27. The material findings on compliance with specific matters in key legislation are as follows:

Annual financial statements

28. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA. Material misstatements of current assets and disclosure items identified by the auditors in the submitted financial statements were subsequently corrected, resulting in the financial statements receiving an unqualified audit opinion.

Expenditure management

29. Reasonable steps were not taken to prevent irregular expenditure of R15,8 million disclosed in note 34.3 to the financial statements, as required by section 62(1)(d) of the MFMA.

30. Reasonable steps were not taken to prevent fruitless and wasteful expenditure of R289 020 disclosed in note 34.2 to the annual financial statements, in contravention of section 62(1)(d) of the MFMA.

31. Money owed by the municipality was not always paid within 30 days, as required by section 65(2)(e) of the MFMA.

Consequence management

32. Some instances of unauthorised, irregular as well as fruitless and wasteful expenditure incurred by the municipality in previous financial years were not investigated to determine

whether any person was liable for the expenditure, as required by section 32(2)(a) and (b) of the MFMA.

Procurement and contract management

33. Competitive bids were adjudicated by a bid adjudication committee that was not composed in accordance with supply chain management regulation 29(2). Similar non-compliance was also reported in the prior year.
34. Bid documentation for procurement of commodities designated for local content and production did not stipulate the minimum threshold for local production and content, as required by the 2017 preferential procurement regulation 8(2).

Other information

35. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report, which includes the audit committee's report. The other information does not include the financial statements, the auditor's report and the selected development priority presented in the annual performance report that has been specifically reported in this auditor's report.
36. My opinion on the financial statements and report on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion on it.
37. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected development priority presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
38. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

39. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance on it. The matters reported below are limited to the significant internal control deficiencies that resulted in the findings on the compliance with legislation included in this report.
40. Management did not implement adequate daily and monthly controls in some instances, which contributed to misstatements in the financial statements submitted for audit.

41. Leadership has not implemented all the disciplines necessary to enable effective oversight that promotes effective and efficient compliance with legislation.
42. The implementation of the audit action plan that was prepared to address the control deficiencies reported in the previous financial year's audit was not adequately monitored, resulting in repeat audit findings, mainly in the area of compliance with legislation.

Auditor - General

East London

15 March 2021

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure – Auditor-general’s responsibility for the audit

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for the selected development priority and on the municipality’s compliance with respect to the selected subject matters.

Financial statements

2. In addition to my responsibility for the audit of the financial statements as described in this auditor’s report, I also:
 - identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
 - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality’s internal control
 - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer
 - conclude on the appropriateness of the accounting officer’s use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the Kou-Kamma Local Municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor’s report. However, future events or conditions may cause a municipality to cease operating as a going concern
 - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
4. I also confirm to the accounting officer that I have complied with relevant ethical requirements regarding independence, and communicate all relationships and other matters that may

reasonably be thought to have a bearing on my independence and, where applicable, the actions taken to eliminate threats or the safeguards applied.
