

AUDITOR-GENERAL
SOUTH AFRICA

The Accounting officer
Mrs. NP Gamede
uMhlabuyalingana local municipality
Municipal Building
Kwangwanase
3973

31 March 2021

Reference: 21276REG19/20

Dear Mrs Gamede

Report of the Auditor-General on the financial statements, annual performance report, compliance with legislation and other legal and regulatory requirements of uMhlabuyalingana local municipality for the year ended 30 June 2020.

1. The above-mentioned report of the Auditor-General is submitted herewith in terms of section 21(1) of the Public Audit Act No. 25 of 2004 (PAA) read in conjunction with section 188 of the Constitution of the Republic of South Africa section 126(3) of the Municipal Finance Management Act 56 of 2003 (MFMA).
2. We have not yet received the other information that will be included in the annual report with the audited financial statements and the annual performance report and have thus not been able to establish whether there are any inconsistencies between this information and the audited financial statements, the annual performance report or our audit report on compliance with legislation. You are requested to supply this information as soon as possible. Once this information is received it will be read and should any inconsistencies be identified these will be communicated to you and you will be requested to make the necessary corrections. Should the corrections not be made we will amend and reissue the audit report.
3. In terms of section 121(3) of the MFMA you are required to include the audit report in the municipality's annual report to be tabled.
4. Prior to printing or copying the annual report which will include the audit report you are required to do the following:
 - Submit the final printer's proof of the annual report to the relevant senior manager of the Auditor-General of South Africa for verification of the audit-related references in the audit report and for confirmation that the financial statements, annual performance report and other information are those documents that have been read and audited. Special care should be taken with the page references in your report, since an incorrect reference could have audit implications.
 - The signature *Auditor-General* in the handwriting of the auditor authorised to sign the audit report at the end of the hard copy of the audit report should be scanned in when preparing to print the report. This signature, as well as the place and date of signing and the Auditor-General of South Africa's logo, should appear at the end of the report, as in

the hard copy that is provided to you. The official logo will be made available to you in electronic format.

5. Please notify the undersigned Senior Manager well in advance of the date on which the annual report containing this audit report will be tabled.
6. The confidentiality of information obtained in an engagement must be observed at all times. In terms of section 50 of the PAA and the International Code of Ethics for Professional Accountants of the International Ethics Standards Board for Accountants (*including International Independence Standards*), the AGSA, or an audit firm appointed in terms of section 25 of the PAA, may not disclose or make available any information obtained during an audit, other than the final auditor's report, to any third party unless this is to a legislature or internal committee of a legislature or a court in a criminal matter and the disclosure has been approved by the auditee and the Auditor-General.
7. Until the steps described in paragraphs 2 and 4 of this document are completed and the annual report is tabled as required by section 127(2) of the MFMA, the audit report is not a final and public document and you are therefore requested to treat it as confidential.
8. Your cooperation to ensure that all these requirements are met would be much appreciated.

Kindly acknowledge receipt of this letter.

Yours sincerely

Signed

.....
Senior Manager: KwaZulu-Natal

Auditor-General of South Africa

uMhlabuyalingana Local Municipality

Audit Report 2019/20

Report of the auditor-general to KwaZulu-Natal Provincial Legislature and the council on uMhlabuyalingana Local Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the uMhlabuyalingana local municipality set out on pages ... to ..., which comprise the statement of financial position as at 30 June 2020, statement of financial performance, statement of changes in net assets, cash flow statement, and the statement of comparison of budget and actual amounts for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the uMhlabuyalingana local municipality as at 30 June 2020, and its financial performance and cash flows for the year then ended in accordance with the South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2019 (Act No. 16 of 2019) (Dora).

Basis for the opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of this auditor's report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matter

6. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Material impairments – trade debtors

7. As disclosed in note 31 to the financial statements, material impairments of R5,97 million (2019: R6,45 million) were incurred as recoverability of these amounts were doubtful.

Other matter

8. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Unaudited disclosure notes

9. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Responsibilities of the accounting officer for the financial statements

10. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the SA Standards of GRAP and the requirements of the MFMA and Dora, and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
11. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Auditor-general's responsibilities for the audit of the financial statements

12. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
13. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Introduction and scope

14. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I have a responsibility to report on the usefulness and reliability of the reported performance information against predetermined objectives for selected development priority presented in the annual performance report. I performed procedures to identify material findings but not to gather evidence to express assurance.
15. My procedures address the usefulness and reliability of the reported performance information, which must be based on the municipality's approved performance planning documents. I have not evaluated the completeness and appropriateness of the performance measures included in the planning documents. My procedures do not examine whether the actions taken by the municipality enabled service delivery. My procedures also do not extend to any disclosures or assertions relating to planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
16. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the basic services delivery and infrastructure development priority presented in the municipality's annual performance report for the year ended 30 June 2020.
17. I performed procedures to determine whether the reported performance information was properly presented and whether performance was consistent with the approved performance planning documents. I performed further procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
18. I did not identify material findings on the usefulness and reliability of the reported performance information for the development priority.

Other matter

19. I draw attention to the matter below.

Achievement of planned targets

20. The annual performance report on pages xx to xx sets out information on the achievement of planned targets for the year.

Report on the audit of compliance with legislation

Introduction and scope

21. In accordance with the PAA and the general notice issued in terms thereof, I have a responsibility to report material findings on the municipality's compliance with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.
22. The material finding on compliance with specific matters in key legislation is as follows:

Procurement and contract management

23. Competitive bids were adjudicated by a bid adjudication committee that was not composed in accordance with SCM regulation 29(2). This non-compliance was identified in the procurement processes for all bids awarded during the year.

Other information

24. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report. The other information does not include the financial statements, the auditor's report and the selected development priority presented in the annual performance report that have been specifically reported in this auditor's report
25. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion on it.
26. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected development priority presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
27. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

28. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance on it. The matters reported below are limited to the significant internal control deficiencies that resulted in the finding on compliance with legislation included in this report.

29. The accounting officer and senior management were not properly trained to ensure that SCM evaluations are properly executed in compliance with applicable prescript.

Other reports

30. I draw attention to the following engagements conducted by various parties which had, or could have, an impact on the matters reported in the municipality's financial statements, reported performance information, compliance with applicable legislation and other related matters. These reports did not form part of my opinion on the financial statements or my findings on the reported performance information or compliance with legislation.

31. An investigation is currently in progress in terms of section 106 of Municipal Systems Act No. 32 of 2000 by KwaZulu-Natal Co-operative Governance and Traditional Affairs in relation to alleged irregularities. This investigation relates to the contracts that were awarded in the previous years.

32. In addition, another investigation by the HAWKS in relation to alleged misrepresentation by the supplier is currently in progress. This investigation relates to the contracts that were awarded in the previous years.

Auditor-General

Pietermaritzburg

31 March 2021

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure – Auditor-general’s responsibility for the audit

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for the selected development priority and on the municipality’s compliance with respect to the selected subject matters.

Financial statements

2. In addition to my responsibility for the audit of the financial statements as described in this auditor’s report, I also:
 - identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
 - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality’s internal control.
 - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer.
 - conclude on the appropriateness of the accounting officer’s use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the uMhlabuyalingana Municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor’s report. However, future events or conditions may cause a municipality to cease operating as a going concern.
 - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
4. I also confirm to the accounting officer that I have complied with relevant ethical requirements regarding independence, and communicate all relationships and other matters that may

reasonably be thought to have a bearing on my independence and, where applicable, related safeguards.
