

REPORT OF THE AUDITOR-GENERAL TO THE WESTERN CAPE PROVINCIAL PARLIAMENT AND THE COUNCIL ON THE SWARTLAND MUNICIPALITY

REPORT ON THE FINANCIAL STATEMENTS

Introduction

1. I have audited the financial statements of the Swartland Municipality set out on page 3 to 98, which comprise the statement of financial position as at 30 June 2014, the statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget and actual amounts for the year then ended, as well as the notes, comprising a summary of significant accounting policies and other explanatory information.

Accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2013 (Act No. 2 of 2013) (DoRA), and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor-general's responsibility

3. My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA), the general notice issued in terms thereof and International Standards on Auditing. Those standards require that I comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

6. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Swartland Municipality as at 30 June 2014 and its financial performance and cash flows for the year then ended, in accordance with SA Standards of GRAP and the requirements of the MFMA and DoRA.

Additional matters

7. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Unaudited supplementary schedules

8. The supplementary information set out on pages 99 to 108 did not form part of the financial statements and was presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion thereon.

Unaudited disclosure notes

9. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA. This disclosure requirement did not form part of the audit of the financial statements and accordingly I do not express an opinion thereon.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

10. In accordance with the PAA and the general notice issued in terms thereof, I report the following findings on the reported performance information against predetermined objectives for selected programmes presented in the annual performance report, non-compliance with legislation as well as internal control. The objective of my tests was to identify reportable findings as described under each subheading but not to gather evidence to express assurance on these matters. Accordingly, I do not express an opinion or conclusion on these matters.

Predetermined objectives

11. I performed procedures to obtain evidence about the usefulness and reliability of the reported performance information for the following selected programme presented in the annual performance report of the Swartland Municipality for the year ended 30 June 2014:

- Strategic Outcome 4: Access to affordable and reliable municipal infrastructure, (pages 27,32,38,47,48,58,92,93,101,118)

12. I evaluated the reported performance information against the overall criteria of usefulness and reliability.

13. I evaluated the usefulness of the reported performance information to determine whether it was presented in accordance with the National Treasury's annual reporting principles and whether the reported performance was consistent with the planned programmes. I further performed tests to determine whether indicators and targets were well defined, verifiable, specific, measurable, time bound and relevant, as required by the National Treasury's *Framework for managing programme performance information* (FMPPPI).

14. I assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.

15. I did not raise any material findings on the usefulness and reliability of the reported performance information for the selected programme.

Additional matters

16. Although I raised no material findings on the usefulness and reliability of the reported performance information for the selected, I draw attention to the following matters:

Achievement of planned targets

17. Refer to the annual performance report on pages 21 to 133 for information on the achievement of the planned targets for the year.

Compliance with laws and regulations

18. I performed procedures to obtain evidence that the municipality had complied with applicable laws and regulation regarding financial matters, financial management and other related matters. I did not identify any instances of material non-compliance with specific matters in key applicable laws and regulations as set out in the general notice issued in terms of the PAA.

Internal control

19. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with laws and regulations. I did not identify any significant deficiencies in internal control for inclusion in the audit report.
