Introduction

Section 16(2) of the Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA) requires the Mayor of a municipality to table the annual budget at a Council meeting at least ninety days prior to the start of the municipal budget year.

Section 16(1) of the MFMA requires that the Council of a municipality must for each financial year approve the annual budget for the municipality before the start of the financial year.

In order to assist Parliament with its oversight responsibilities, I, Trevor A Manuel, Minister of Finance, acting in terms of section 24(3) of the MFMA hereby -

- a. inform Parliament of the dates on which Municipalities have tabled their 2008 Medium Term Revenue and Expenditure Framework (MTREF) Budgets in Council in terms of section 16(2) of the MFMA; and
- b. inform Parliament of the dates on which Municipal Councils approved those budgets in terms of section 16(1), read together with section 24.

The information is presented in the form of a schedule per province, with those municipalities that failed to comply with the above provisions being highlighted.

This information will also assist the Office of the Auditor General to conduct their compliance audit on the municipal budget side in terms of Sections 25 and 27 of the MFMA.

Trevor A Manuel, MP
Minister of Finance

Broad Trends

In aggregate 229 out of 283 or 81 per cent of the municipalities tabled their budgets in their respective municipal councils on time. And 257 out of 283 or 91 per cent of the municipalities adopted their budget within the prescribed period.

From a provincial perspective, the numbers suggest that municipalities in the Free State province performed worst in terms of tabling their budgets on time with only 56 per cent of the municipalities meeting the deadline. The municipalities in the North West province had the next lowest level of compliance at 76 per cent. The highest rate of meeting the deadline was the Gauteng province at 100 per cent, followed by the Northern Cape at 88 per cent.

In terms of adopting the budget on time, the Free State and the Eastern Cape had the highest non-compliance of 5 municipalities each being late and the Gauteng and Western Cape provinces had full compliance, with all municipalities adopting their budgets before the deadline. The municipalities which have not met the deadline have been highlighted in the tables contained in the Annexures.
