Local Economic Development and Job Creation:																
Number of additional jobs to be created using the Expanded Public Works Programme guidelines and other municipal programmes	-	4 249	700	2 110	-	-	-	-	-	-	700	2 110	-	(2 110)		

LIM355 - Lepelle-Nkumpi

Statistical indicators on service delivery as at the beginning of 2018/19 (to be completed only at the beginning of the municipal financial year)

	Current status	
Number of sites currently serviced with electricity, water (house connection), sewerage removal service and solid waste removal service		Sites
Number of households living in informal settlements		Households
Number of hectares of land already acquired and suitable for human settlements development		hectares
Number of households in formal areas with access to basic electricity		Households
Number of households living in informal areas with access to basic electricity		Households
Number of households in formal areas receiving water services		Households
Number of households living in informal areas receiving water services		Households
Number of households in formal areas receiving sewerage services		Households
Number of households living in informal areas receiving sewerage services		Households
Number of households in formal areas with kerb-side refuse removal services (once a week)		Households
Number of households living in informal areas with access to refuse removal		Households

DC35 - Capricorn

Statistical indicators on service delivery as at the beginning of 2018/19 (to be completed only at the beginning of the municipal financial year)

	Current status	
Number of sites currently serviced with electricity, water (house connection), sewerage removal service and solid waste removal service		Sites
Number of households living in informal settlements		Households
Number of hectares of land already acquired and suitable for human settlements development		hectares
Number of households in formal areas with access to basic electricity		Households
Number of households living in informal areas with access to basic electricity		Households
Number of households in formal areas receiving water services		Households
Number of households living in informal areas receiving water services		Households
Number of households in formal areas receiving sewerage services		Households
Number of households living in informal areas receiving sewerage services		Households
Number of households in formal areas with kerb-side refuse removal services (once a week)		Households
Number of households living in informal areas with access to refuse removal		Households

LIM361 - Thabazimbi

Statistical indicators on service delivery as at the beginning of 2018/19 (to be completed only at the beginning of the municipal financial year)

	Current status	
Number of sites currently serviced with electricity, water (house connection), sewerage removal service and solid waste removal service		Sites
Number of households living in informal settlements		Households
Number of hectares of land already acquired and suitable for human settlements development		hectares
Number of households in formal areas with access to basic electricity		Households
Number of households living in informal areas with access to basic electricity		Households
Number of households in formal areas receiving water services		Households
Number of households living in informal areas receiving water services		Households
Number of households in formal areas receiving sewerage services		Households
Number of households living in informal areas receiving sewerage services		Households
Number of households in formal areas with kerb-side refuse removal services (once a week)		Households
Number of households living in informal areas with access to refuse removal		Households

LIM362 - Lephalale

Statistical indicators on service delivery as at the beginning of 2018/19 (to be completed only at the beginning of the municipal financial year)

	Current status	
Number of sites currently serviced with electricity, water (house connection), sewerage removal service and solid waste removal service		Sites
Number of households living in informal settlements		Households
Number of hectares of land already acquired and suitable for human settlements development		hectares
Number of households in formal areas with access to basic electricity		Households
Number of households living in informal areas with access to basic electricity		Households
Number of households in formal areas receiving water services		Households
Number of households living in informal areas receiving water services		Households
Number of households in formal areas receiving sewerage services		Households
Number of households living in informal areas receiving sewerage services		Households
Number of households in formal areas with kerb-side refuse removal services (once a week)		Households
Number of households living in informal areas with access to refuse removal		Households

LIM366 - Bela Bela

Statistical indicators on service delivery as at the beginning of 2018/19 (to be completed only at the beginning of the municipal financial year)

	Current status	
Number of sites currently serviced with electricity, water (house connection), sewerage removal service and solid waste removal service		Sites
Number of households living in informal settlements		Households
Number of hectares of land already acquired and suitable for human settlements development		hectares
Number of households in formal areas with access to basic electricity		Households
Number of households living in informal areas with access to basic electricity		Households
Number of households in formal areas receiving water services		Households
Number of households living in informal areas receiving water services		Households
Number of households in formal areas receiving sewerage services		Households
Number of households living in informal areas receiving sewerage services		Households
Number of households in formal areas with kerb-side refuse removal services (once a week)		Households
Number of households living in informal areas with access to refuse removal		Households

LIM367 - Mogalakwena

Statistical indicators on service delivery as at the beginning of 2018/19 (to be completed only at the beginning of the municipal financial year)

	Current status	
Number of sites currently serviced with electricity, water (house connection), sewerage removal service and solid waste removal service		Sites
