## **Explanatory Memorandum to the Allocations set out in the attached schedule**

This *Gazette* is published in terms of the Division of Revenue Act, 2017 (Act No. 3 of 2017), and provides information regarding the adjustment of allocations to municipalities in the 2017/18 national financial year.

This is necessitated by the need for the stopping and re-allocation of funds in terms of Section 19 and 20 of the Division of Revenue Act (DoRA), 2017.

### **LOCAL GOVERNMENT**

#### ***Stopping and reallocation***

#### ***Municipal Infrastructure Grant (MIG) and Energy Efficiency and Demand Side Management Grant (EEDSM)***

1. Section 19 of DoRA stipulates that National Treasury may in its discretion or at the request of a transferring national officer stop the transfer for schedules 4 and 5 grants pertaining to anticipated under-spending on programmes or allocations in the financial year by the municipality.
2. National Treasury in consultation with the transferring national officers responsible for monitoring the affected grants concluded that municipalities reflecting significant uncommitted underspending would have their funds stopped and reallocated to fast spending municipalities.
3. Priority for reallocation was afforded to municipalities in the same district, then provinces regarding fast moving municipalities against their projects. The decision followed series of consultations between national departments, and provincial government.

#### ***Urban Settlement Development Grant (USDG)***

4. The Department of Human Settlements (DHS) in its submission to National Treasury, recommended that the least performing metropolitan municipalities (metros) against the USDG must have their funds stopped and reallocated to best performing metros.
5. The funds will be stopped against City of Johannesburg and the City of Cape Town with amounts of R363 million and R175.8 million respectively. DHS is to reallocate the stopped funds of a total of R538.8 million between Nelson Mandela Bay (R178.8 million), Buffalo City (R160 million), Mangaung (R100 million) and Ekurhuleni (R100 million).

#### ***Public Transport Network Grant (PTNG)***

6. Msunduzi Local Municipality (LM) in KwaZulu-Natal province wrote to National Treasury requesting that a portion of their 2017/18 Public Transport Network Grant allocation stopped in terms of section 19 of 2017 DoRA due to their anticipated underspending on the grant.
7. Following consultation with the national Department of Transport, it was agreed that a portion of Msunduzi Local Municipality's 2017/18 PTNG allocation amounting to R52.5 million should be stopped.

#### ***Correction of an error***

8. Following the publication of the 2017/18 adjustment gazette in terms of the 2017 DoRA as amended by the 2017 Division of Revenue Amendment Act, an error was found on

the adjusted allocation for Nelson Mandela Bay Metropolitan Municipality, uThukela District Municipality and Masilonyana Local Municipality.

9. Nelson Mandela Bay Metropolitan Municipality's adjusted allocation was less than the funds already transferred to the municipality. In order to correct the error, the Neighbourhood Development Partnership Grant Unit decided to increase the metros allocation with a difference of the funds already transferred. The difference on the adjusted allocation and the funds transferred has been reduced from Mogale City Local Municipality, wherein consultation between the Neighbourhood Development Partnership Grant Unit and the affected municipalities has been done and agreed upon.
10. Further an error was found in the adjusted Regional Bulk Infrastructure Grant Schedule 5B allocation for uThukela and Masilonyana, wherein the adjusted allocation was less than the funds already transferred to the municipalities.
11. To correct this error, the Department of Water and Sanitation (DWS) has decided to increase uThukela and Masilonyana municipalities' allocation with a difference of the funds already transferred and the already adjusted allocation. The difference on the adjusted allocation and the funds transferred has been reduced from Zululand and Mohokare municipalities to augment uThukela and Masilonyana allocations respectively. Consultations between DWS and the affected municipalities has been done and agreed upon.
12. While the 2017/18 MIG allocation of Ingwe Local Municipality will increase with R12.5 million in order to reimburse the municipality with the previous years' allocation that was not transferred.
13. R12.5 million for Ingwe Local Municipality will therefore be transferred against a newly established municipality, Dr Nkosazana Dlamini Zuma Local Municipality formed on 10 August 2017, following the amalgamation of KwaSani Local Municipality and Ingwe Local Municipality.
14. City of Matlosana Local Municipality (LM) will also increase by R40 million against their 2017/18 MIG allocation in order to reimburse the municipality with the previous years' unspent conditional grants due an error in the 2014/15 Annual Financial Statements (AFS).
15. Lastly, an amount of R14.6 million is to be released as a result of the resolution regarding Hessequa's 2014/15 and 2015/16 unspent of conditional grants. The National Treasury will increase the 2018 MIG allocation in order for Hessequa to complete committed projects.

***Support afforded to municipalities reflecting significant underspending***

16. Municipalities receiving support from NT on the invoice verification process, will receive continuous supports;
17. Were possible some of the stopped funds will only be reallocated the respective district of the affected locals;
18. Some municipalities experiencing huge institutional failures and financial difficulties will be afforded hands on support by DCoG including conducting a series of municipal visits;
19. The municipalities that would have had their funds stopped regardless and face prospect of cash flow shortages, would be assisted with an increased first transfer in the month of July 2018;
20. Other municipalities that had their funds stopped in the previous years are also supported though this gazette; and
21. Where possible municipalities that will avoid the stopping process but still reflect significant underspending, their signed motivation will be utilized during the year end rollover consideration.
