Resolutions

It's recommended to the SOA ICT that:

- **Note** be taken of the contents of the presentations as presented by the respective vendors (system service providers) and metropolitan municipalities;
- **Note** be taken of the presentation by the City of Cape – Lessons learnt in preparing for the piloting of the SCOA classification framework;
- **Note** be taken of the contents of the presentation by the Western Cape Department of Local Government;
- **Note** be taken of the change management and training programme and impact on all piloting municipalities
- **Note** specifically be taken of the presentation dealing with SCOA Project Phase 4 – Pilot municipalities, MOU's, MFMA Circular 57, and NT position prior to piloting. **All municipalities and vendors need to ensure adherence.**
- **Note** be take of the fact that the next SCOA ICF is scheduled for 1,2 and 3 December 2014 in eThekweni Metropolitan Municipality (Durban).
