## Introduction

Section 16(2) of the Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA) requires the Mayor of a municipality to table the annual budget at a Council meeting at least 90 days before the start of the municipal budget year.

Section 16(1) of the MFMA requires that the Council of a municipality must for each financial year approve the annual budget for the municipality before the start of the financial year.

In order to assist Parliament with its oversight responsibilities, I, Enoch Godongwana, Minister of Finance, acting in terms of section 24(3) of the MFMA hereby share with Parliament –

- a. the dates on which Municipalities have tabled their 2023/24 Medium Term Revenue and Expenditure Framework (MTREF) Budgets in Council in terms of section 16(2) of the MFMA; and
- b. the dates on which Municipal Councils approved those budgets in terms of section 16(1), read together with section 24 of the MFMA.

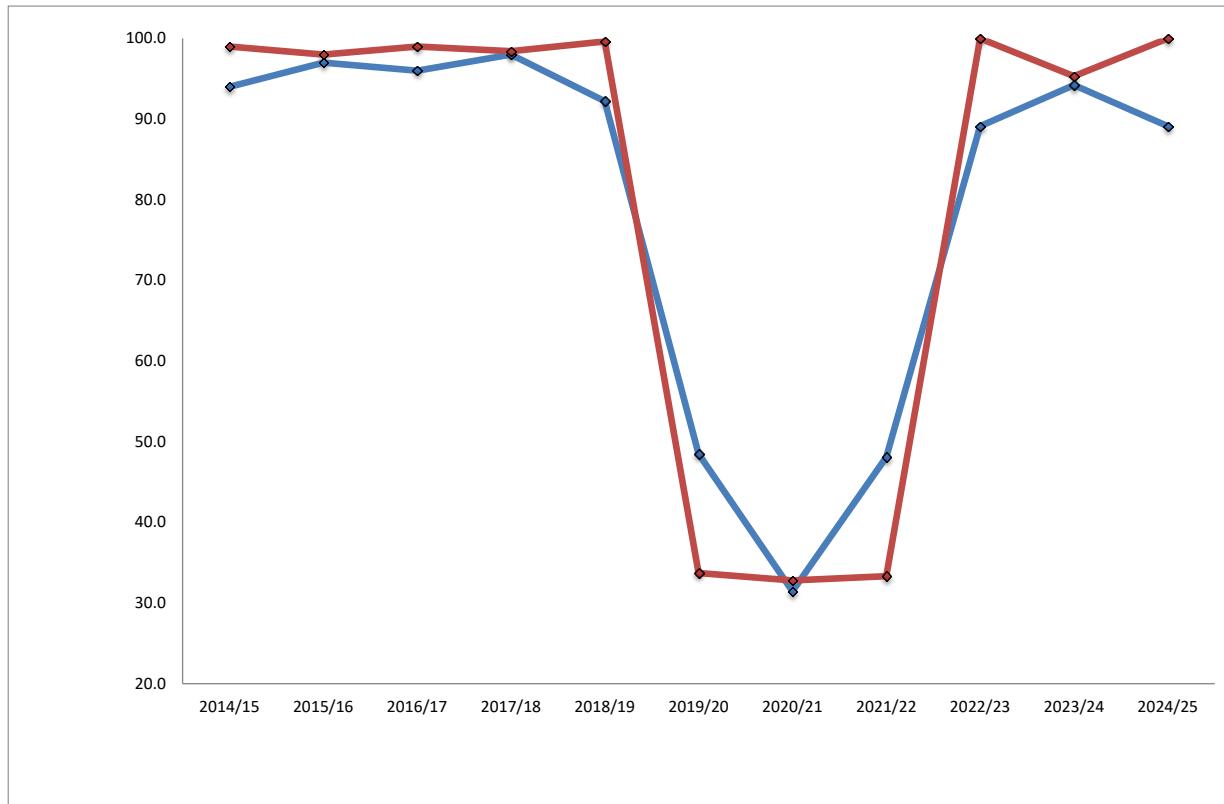

The information is presented in the form of a schedule per province, highlighting those municipalities that failed to comply with the above provisions.

This information will also assist the Office of the Auditor General to conduct their compliance audit on the municipal budgets in terms of Sections 25 and 27 of the MFMA.

**Enoch Godongwana, MP  
Minister of Finance**

**BROAD TRENDS:**

1. In the 2023/24 period, the National Treasury noted that 242 out of 257 municipalities, or 94.2 per cent, successfully presented their budgets to their respective municipal councils on time. This marks a slight decrease of 1.1 per cent compared to the previous year, where 95.3 per cent was achieved.
2. In the 2024/25 period, there was a 5.1 per cent decline compared to 2023/24. This means that 229 municipalities successfully tabled their budgets in their respective councils on time, a decrease from the previous financial year.
3. With regards to the adoption date, 252 or 98.1 per cent of the municipalities adopted their budget within the prescribed period in 2023/24, 1.6 per cent more than the previous year. The 5 Municipalities that failed to adopt their budgets on time are Umvoti (KZN245), Kgetlengrivier (NW373), Naledi (NW392), Dr Ruth Segomotsi Mompati (DC39) and Tlokwe-Ventersdorp (NW405).
4. In the 2024/25 fiscal year, 257 municipalities successfully adopted their budgets on time, reflecting a 1.5 per cent improvement compared to the previous year.
5. The Figure below reflects the trend of municipalities tabling and approval of their budgets since the 2017/18 financial year.
6. Compliance with sections 22(b) and 24(3) of the MFMA improved, requiring municipalities to submit their adjustments budget electronically to the National Treasury, relevant provincial treasuries, prescribed national or provincial state organs, and affected municipalities. In total, 237 municipalities (92.2 per cent) submitted their budgets to the National Treasury, while 235 municipalities (91.4 per cent) submitted to Provincial Treasuries. This represents a 6.6 per cent increase in compliance with section 22(b) and a 7.4 per cent increase in compliance with section 24(3) compared to the 2022/23 financial year.

**Figure 1: Compliance with municipal budget tabling and approval deadlines**

7. When the adopted budget information is analysed from the provincial perspective, the figures suggest that North West performed the worst in 2023/24 where 18.2 per cent or 4 municipalities failed to meet the legislative deadline, followed by KwaZulu-Natal with 1.9 per cent or 1 municipality. During the 2024/25 financial year, Gauteng performed the worst with 9.1 per cent of their municipalities failing to adopt their budget on time.
8. Limpopo and Mpumalanga experienced the highest level of compliance where 100 per cent of their municipalities managed to table their 2023/24 MTREF budgets on time compared to compliance recorded in the previous financial year. Limpopo have been consistent with their 100 per cent budget tabling performance. In 2024/25, Limpopo's compliance dropped to 96.4 per cent while Eastern Cape, Gauteng, Mpumalanga and Western Cape compliance was at 100 per cent.
9. The lowest rate of compliance with meeting the deadline for the 2023/24 tabled budgets is in Gauteng with a mere 81.8 per cent followed by Northern Cape with 87.1 per cent, this low compliance record can be attributed to the political instability and financial systems challenges. Free State had the lowest compliance rate of 80 per cent in 2024/25.
