**GOVERNMENT NOTICES • GOEWERMENTSKENNISGEWINGS**

---

**NATIONAL TREASURY****NO. 4540****20 March 2024**

I, Enoch Godongwana, Minister of Finance, MP in my capacity as the Minister of Finance, hereby publish, in accordance with sections 18 and 19 of the Division of Revenue Act, 2023, (Act No. 5 of 2023) (DoRA) as amended by the Division of Revenue Amendment Act, 2023 (Act No. 24 of 2023) (DoRAA), the attached Explanatory Memorandum and Schedules:

- (a) The stopping and re-allocation of conditional grants to municipalities made in terms of sections 18 and 19 of the DoRAA, and
- (b) Technical adjustments on schedule 6 grants on indirect conditional allocations to municipalities.

For ease of reference only and where applicable, the attached schedules reflect the main allocations, Division of Revenue Amendment Act adjustments, and stopping and reallocation adjusted allocations.

**MR ENOCH GODONGWANA  
MINISTER OF FINANCE, MP**

## **Explanatory Memorandum to the Allocations set out in the attached Schedule**

This Gazette is published in terms of the Division of Revenue Act, 2023, (Act No. 5 of 2023) (DoRA) as amended by the Division of Revenue Amendment Act, 2023 (Act No. 24 of 2023) (DoRAA) and provides information regarding the adjustment of allocations to municipalities in the 2023/24 financial year.

This is necessitated by the need for the stopping and re-allocation of conditional grants to municipalities and is in terms of sections 18 and 19 of DoRA, as amended.

### **STOPPING AND RE-ALLOCATION: SCHEDULE 4B AND 5B (DIRECT)**

The stopping and re-allocation of conditional grants is done in terms of sections 18 and 19 of the 2023, as amended, against municipalities that reported significant underperformance as at midyear i.e. 31 December 2023, and non-compliance against conditional grants frameworks and the provisions of the Act against their 2023/24 allocations.

The purpose of sections 18 and 19 of the 2023 DoRA is to avoid transferring more funds to municipalities that are sitting with unspent transferred funds, avoid fiscal dumping, addresses possible misuse of conditional grant funds, and to support fast moving projects in- year with additional funding to accelerate the implementation of those projects and service delivery in those municipalities. The stopping however does not imply that projects should stop, rather municipalities should reprioritise to accelerate against their committed, and implementation ready projects. Only projects that are not ready for implementation in the current year are affected by the stopping process as transferring more funds could lead to the misuse of conditional grants. It also of no use to transfer funds to municipalities which are not going to spend the funds by year end.

The stopping and re-allocation process provides that municipalities that are showing accelerated performance could be considered for additional funding, and the ones that are under performing could have their funds stopped in the current year. These municipalities will be supported in future when their performance improves.

Ten capital grants are being affected by the stopping and re-allocation process namely; the Water Services Infrastructure Grant (WSIG 5B), Regional Bulk Infrastructure Grant (RBIG 5B), Public Transport Networks Grant (PTNG), Urban Settlements Development Grant (USDG), Informal Settlements Upgrading Partnership Grant (ISUPG), Neighborhood Development Partnership Grant (NDPG 5B and 6B), Integrated National Electrification Programme (INEP 5B and 6B), Municipal Infrastructure Grant (MIG), Rural Road Assets Management Systems Grant (RRAMS) and the Integrated Urban Development Grant (IUDG).

From a capacity building perspective, the Energy Efficiency and Demand Side Management (EEDSM), the Expanded Public Works Programme (EPWP), and the Programme and Project Preparation Support Grant (PPPSG) are the three capacity building grants affected by sections 18 and 19 of DoRA.

**STOPPING AND RE-ALLOCATION: SCHEDULE 6B (INDIRECT)**

The transferring officer responsible for administering INEP 6B and NDPG 6B are stopping and re-allocating funds between municipalities. While the implementation of this type of conditional grants i.e. Schedule 6B (indirect) is done on behalf of municipalities by the Department of Mineral Resources and Energy and National Treasury's Neighbourhood Development Partnership Programme, stopping and re-allocation is only done to realign the allocations in the revised DoRA.

Municipalities do not directly receive the funding under the schedule 6B conditional grants but rather that they receive the benefit from work done on their behalf.

**ANNEXURE 1**

**SPECIFIC PURPOSE ALLOCATIONS TO MUNICIPALITIES
